Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Cultural Affairs, Tourism, Parks and Recreation

AN ACT to amend the education law, in relation to allocating the Amistad commission in the department of education, and repealing certain provisions of the arts and cultural affairs law relating to the Amistad commission

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Article 57-B of the arts and cultural affairs law is  
2 REPEALED.

3 § 2. The education law is amended by adding a new article 25 to read  
4 as follows:

### ARTICLE 25

#### THE AMISTAD COMMISSION

##### Section 1301. Legislative findings.

##### 1302. Definitions

##### 1303. Commission established.

##### 1304. Commission duties and responsibilities.

##### 1305. Curriculum.

##### 1306. Authorization.

##### § 1301. Legislative findings. The legislature finds and declares that:

14 1. During the period beginning late in the fifteenth century through  
15 the nineteenth century, millions of persons of African origin were  
16 enslaved and brought to the Western Hemisphere, including the United  
17 States of America; anywhere from between twenty to fifty percent of  
18 enslaved Africans died during their journey to the Western Hemisphere;  
19 the enslavement of Africans and their descendants was part of a  
20 concerted effort of physical and psychological terrorism that deprived  
21 groups of people of African descent the opportunity to preserve many of  
22 their social, religious, political and other customs; the vestiges of  
23 slavery in this country continued with the legalization of second class  
24 citizenship status for African-Americans through Jim Crow laws, segre-  
25 gation and other similar practices; the legacy of slavery has pervaded

1 the fabric of our society; and in spite of these events there are  
2 endless examples of the influence of the history of Africans on the  
3 economic, cultural, political and social foundation of the United  
4 States, the Americas and the economies, politics and societies of Europe  
5 and beyond and the enduring legacy of chattel slavery in the United  
6 States and the Americas, including the social construct of race, inequi-  
7 ty and injustice stemming from racism, perseverance, activism and  
8 significant contributions of the enslaved, their descendants and stake-  
9 holders, throughout history.

10 2. All people should know of and remember the human carnage and dehu-  
11 manizing atrocities committed during the period of the African slave  
12 trade and slavery in America and of the vestiges of slavery in this  
13 country; and it is in fact vital to educate our citizens on these  
14 events, the legacy of slavery, the sad history of racism in this coun-  
15 try, and on the principles of human rights and dignity in a civilized  
16 society.

17 3. It is the policy of the state of New York that Black history,  
18 including the history of Africa, the trans-Atlantic slave trade, the  
19 African diaspora, chattel slavery, the African slave trade, slavery in  
20 America, the legacy of slavery on our society, the depth of their impact  
21 in our society, and the triumphs of Africans and their descendants and  
22 their significant contributions to the development of this country is  
23 the proper concern of all people, particularly students enrolled in the  
24 schools of the state of New York.

25 4. There is a need for education reform from preschool through college  
26 in order to mitigate the devastating effect of racism in education and  
27 the complete miseducation of our population around Black history.

28 5. It is therefore desirable to create a state-level commission, which  
29 shall oversee the budget and operation of the Amistad commission as it  
30 seeks to provide the students of New York with a more adequate inclu-  
31 sion of the history of Africa, chattel slavery, the African diaspora,  
32 the legacy of slavery and the contributions of African-Americans in  
33 building our country.

34 § 1302. Definitions. For the purposes of this article:

12 three years. Public members shall be eligible for reappointment. They

23 of the chairperson or of a majority of the commission members. The pres-  
24 ence of a majority of the authorized voting membership of the commission  
25 shall be required for the conduct of official business.

26 7. The commission shall interview and appoint an executive director,  
27 who shall serve at its pleasure and shall be a person qualified by  
28 training and experience to perform the duties of the office. The commis-

36 to the governor annually. The legislature shall appropriate sufficient  
37 funding to ensure that the commission carries out the provisions of this  
38 article. One hundred thousand dollars of such funding shall be allo-  
39 cated annually for travel expenses, including but not limited to  
40 expenses for overnight accommodations and retreats.
