STATE OF NEW YORK

1024

2021-2022 Regular Sessions

IN ASSEMBLY

January 7, 2021

Introduced by M. of A. CAHILL -- read once and referred to the Committee on Labor

AN ACT to amend the labor law, in relation to placing noise restrictions on coin and paper counting devices

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The labor law is amended by adding a new section 202-n to read as follows:

§ 202-n. Coin and paper counting devices. 1. The commissioner may promulgate such rules and regulations governing the A-weighted sound level of the operations of coin and paper counting devices that he or she finds necessary for the protection of the lives, health, and safety of employees and of persons lawfully using such machines.

2. For the purposes of this section:

(a) "Coin and paper counting devices" shall mean a machine that uses mechanical and/or electronic components to count money.

(b) "A-weighted sound level" shall mean the sound pressure level measured by the use of an instrument with the metering characteristics and A-weighting frequency response prescribed by sound level meters using the impulse response mode.

(c) "Sound pressure level" shall mean twenty times the logarithm to the base ten of the ratio of the root mean squared pressure of a sound to a reference pressure of twenty micropascals. The unit applied to this measure shall be the decibel (dB).

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
