Introduced by COMMITTEE ON RULES -- (at request of M. of A. J. A. Giglio) -- read once and referred to the Committee on Governmental Employees

AN ACT to authorize the county of Suffolk and the village of Nissequogue to offer an optional twenty-year retirement plan to police officer Bridget Topping

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 the county of Suffolk and the village of Nissequogue, in the county of
3 Suffolk, participating employers in the New York state and local police
4 and fire retirement system, which previously elected to offer the
5 optional twenty-year retirement plan, established pursuant to section
6 384-d of the retirement and social security law, to police officers
7 employed by such county and village, are hereby authorized to make
8 participation in such plan available to Bridget Topping, a police offi-
9 cer employed full-time by the county of Suffolk and part-time by the
10 village of Nissequogue, who, for reasons not ascribable to her own
11 negligence, failed to make a timely application to participate in such
12 optional twenty-year retirement plan. The county of Suffolk and the
13 village of Nissequogue may so elect by separately filing with the state
14 comptroller, within nine months of the effective date of this act,
15 resolutions of its own county legislature and the village board of trus-
16 tees together with certification that such police officer did not bar
17 herself from participation in such retirement plan as a result of her
18 own negligence. Thereafter, such police officer may elect to be covered
19 by the provisions of section 384-d of the retirement and social security
20 law and shall be entitled to the full rights and benefits associated
21 with coverage under such section as well as section 384-e of such law,
22 by filing a request to that effect with the state comptroller within one
23 year of the effective date of this act.

24 § 2. All employer past service costs associated with implementing the
25 provisions of this act shall be borne by the county of Suffolk and may
26 be amortized over a ten-year period.

[-] is old law to be omitted.

LBD15721-02-2

1 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow the County of Suffolk and the Village of Nissequogue to reopen the provisions of Section 384-d, together with Section 384-e, of the Retirement and Social Security Law for police officer Bridget Topping.

If this bill is enacted during the 2022 legislative session, we anticipate that there will be an increase of approximately \$9,200 in the annual contributions of the County of Suffolk and \$2,100 in the annual contributions of the Village of Nissequogue for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of Bridget Topping change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$398,000 which will be borne by the County of Suffolk as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023. If the County of Suffolk elects to amortize this cost over a 10-year period, the cost for the first year including interest would be \$50,800.
