"Dwelling unit" means that part of a dwelling in which an eligible head of the household resides and which is subject to the provisions of ~~[either]~~: (1) Article II, IV, V, or XI of the private housing finance law; or (2) that part of a dwelling which was or continues to be subject to a mortgage insured or initially insured by the federal government pursuant to section two hundred thirteen of the National Housing Act, as amended, in which an eligible head of the household resides; or (3) a sublease with the battery park city authority.

i. "Maximum rent" means the maximum rent, excluding gas and electric utility charges, which has been authorized or approved by the commissioner or the supervising agency or the legal regulated rent established for the dwelling unit pursuant to the provisions of either Article II, IV, V or XI of the private housing finance law, or the rental established for a cooperatively owned dwelling unit previously regulated pursuant to the provisions of Article II, IV, V or XI of the private housing finance law; or such approved rent for a dwelling unit in a dwelling subject to a mortgage insured or initially insured by the federal government pursuant to section two hundred thirteen of the National Housing Act, as amended; or such rent established for a dwelling unit which was subject to a mortgage insured or initially insured by the federal government pursuant to section two hundred thirteen of the National Housing Act, as amended; or the rent established pursuant to a regulatory agreement between the battery park city authority and the landlord.

2. The governing body of any city having a population of one million or more, acting through its local legislative body or other governing agency is hereby authorized and empowered to adopt and amend local laws or ordinances providing that real property of a housing company or landlord who is subject to a sublease with the battery park city authority shall be exempt from real property taxes or payments in lieu of taxes (PILOT), in an amount equal to the rent increase exemptions actually credited to eligible heads of households pursuant to this section. Any such exemption shall be in addition to any other exemption or abatement of taxes authorized by law.

notwithstanding any other provision of law, when a head of the household to whom a then current, valid tax abatement certificate has been issued moves his principal residence from one dwelling unit subject to this section, to the local emergency housing rent control law or to the emergency tenant protection act of nineteen seventy-four to a subsequent dwelling unit which is subject to the provisions of articles II, IV, V or XI of the private housing finance law or which is or was subject to a mortgage insured or initially insured by the federal government pursuant to section two hundred thirteen of the National Housing Act, as amended, or which is subject to the provisions of a sublease between the landlord and the battery park city authority and which is located within the same municipal corporation, the head of the household may apply for a tax abatement certificate relating to the subsequent dwelling unit, subject to any terms and conditions imposed by reason of any fund created under subdivision eight of this section, and such certificate may provide that the head of the household shall be exempt from paying that portion of

1 the maximum rent or legal regulated rent for the subsequent dwelling
2 unit which is the least of the following:

3 6. Any such local law or ordinance may provide that upon receipt of a
4 copy of the rent increase exemption order/tax abatement certificate, the
5 housing company managing the dwelling unit or the landlord of the dwell-
6 ing unit, subject to a sublease with the battery park city authority, of
7 the eligible head of the household shall promptly accord to the eligible
8 head of the household covered by such order/certificate the appropriate
9 credit against the monthly maximum rent then or thereafter payable. To
10 the extent the full amount of such credit has not been accorded for any
11 past period since the effective date specified in the order/certificate,
12 the housing company or landlord shall credit the total aggregate amount
13 not so credited to the monthly maximum rent next payable or to such
14 subsequent monthly maximum rents as the supervising agency may author-
15 ize. It shall be illegal to collect any amount for which a rent increase
16 exemption order/tax abatement certificate provides credit or to withhold
17 credit for any such amounts already collected, and collection or
18 retention of any such amount for a dwelling unit occupied by such eligi-
19 ble head of the household shall be deemed a rent overcharge, and upon
20 conviction therefor the housing company and its directors and any
21 employee and any agent responsible therefor or the landlord and any
22 employee and any agent responsible therefor shall be guilty of a misde-
23 meanor, punishable by a fine not to exceed one thousand dollars or
24 imprisonment not to exceed six months, or both.

25 7. Any such local law or ordinance may provide that in order to obtain
26 the [~~tax~~] benefits to which it is entitled under this section, a housing
27 company or landlord who is subject to a sublease with the battery park
28 city authority must file with the collecting officer charged with the
29 duty of collecting taxes or PILOT of the municipality a sworn applica-
30 tion, in such form as such officer may prescribe, for any quarterly
31 period in which the housing company or landlord has accorded an eligible
32 head of the household an exemption hereunder from the payment of the
33 maximum rent. Subject to prior or subsequent verification thereof, the
34 collecting officer shall credit the total amount of such exemptions
35 actually accorded to occupants of dwelling units contained in the prop-
36 erty against the real property taxes or PILOT otherwise payable with
37 respect to the property. The housing company or landlord shall attach to
38 such application copies of all rent increase exemption orders/tax abate-
39 ment certificates issued to eligible heads of the household residing in
40 dwelling units in such real property.

41 8. Any such local law or ordinance may provide that in the event that
42 the real property of a housing company or landlord who is subject to a
43 sublease with the battery park city authority containing one or more
44 dwelling units shall be totally exempt from local and municipal real
45 property taxes or PILOT for any fiscal year as a result of the
46 exemptions from maximum rent credited pursuant to this section, or
47 otherwise, such municipality may make or contract to make payments to a
48 housing company or landlord in an amount not exceeding the amount neces-
49 sary to reimburse the housing company or landlord for the total dollar
50 amount of all exemptions from the payment of the maximum rent accorded
51 pursuant to this section to eligible heads of the household residing in
52 dwelling units in such real property.

53 A municipality may create and establish a fund in order to provide for
54 the payments made in accordance with contracts entered into pursuant to
55 this subdivision. There may be paid into such fund (1) all of the rental
56 surcharges collected by the municipality from housing companies organ-

1 ized and existing pursuant to Articles II, IV, V and XI of the private
2 housing finance law and (2) any moneys appropriated or otherwise made
3 available by the municipality for the purpose of such fund.

4 13. In a city with a population of one million or more, any such local
5 law, ordinance or resolution may provide for the abatement of PILOT
6 imposed on real property subject to the provisions of a sublease with
7 the battery park city authority where such landlord is subject to a
8 regulatory agreement to limit increases in maximum rent.

9 § 2. This act shall take effect immediately.

11 (d) The real property tax or PILOT exemption on real property owned by
 12 husband and wife, one of whom is sixty-five years of age or over, once
 13 granted, shall not be rescinded by any municipal corporation solely
 14 because of the death of the older spouse so long as the surviving spouse
 15 is at least sixty-two years of age.

16 2. Exemption from taxation for school purposes shall not be granted in
 17 the case of real property where a child resides if such child attends a
 18 public school of elementary or secondary education, unless the governing
 19 board of the school district in which the property is located, after
 20 public hearing, adopts a resolution providing for such exemption;
 21 provided that any such resolution shall condition such exemption upon
 22 satisfactory proof that the child was not brought into the residence in
 23 whole or in substantial part for the purpose of attending a particular
 24 school within the district. The procedure for such hearing and resolu-
 25 tion must be conducted separately from the procedure for any hearing
 26 and local law, ordinance or resolution conducted pursuant to paragraph
 27 (a) of subdivision one of this section.

28 3. No exemption shall be granted:

29 (a) if the income of the owner or the combined income of the owners of
 30 the property for the income tax year immediately preceding the date of
 31 making application for exemption exceeds the sum of three thousand
 32 dollars, or such other sum not less than three thousand dollars nor more
 33 than twenty-six thousand dollars beginning July first, two thousand six,
 34 twenty-seven thousand dollars beginning July first, two thousand seven,
 35 twenty-eight thousand dollars beginning July first, two thousand eight,
 36 twenty-nine thousand dollars beginning July first, two thousand nine,
 37 and in a city with a population of one million or more fifty thousand
 38 dollars beginning July first, two thousand seventeen, as may be provided
 39 by the local law, ordinance or resolution adopted pursuant to this
 40 section. Where the taxable status date is on or before April fourteenth,
 41 income tax year shall mean the twelve-month period for which the owner
 42 or owners filed a federal personal income tax return for the year before
 43 the income tax year immediately preceding the date of application and
 44 where the taxable status date is on or after April fifteenth, income tax
 45 year shall mean the twelve-month period for which the owner or owners
 46 filed a federal personal income tax return for the income tax year imme-
 47 diately preceding the date of application. Where title is vested in
 48 either the husband or the wife, their combined income may not exceed
 49 such sum, except where the husband or wife, or ex-husband or ex-wife is
 50 absent from the property as provided in subparagraph (ii) of paragraph
 51 (d) of this subdivision, then only the income of the spouse or ex-spouse
 52 residing on the property shall be considered and may not exceed such
 53 sum. Such income shall include social security and retirement benefits,

1 interest, dividends, total gain from the sale or exchange of a capital
2 asset which may be offset by a loss from the sale or exchange of a capi-
3 tal asset in the same income tax year, net rental income, salary or
4 earnings, and net income from self-employment, but shall not include a
5 return of capital, gifts, inheritances, payments made to individuals
6 because of their status as victims of Nazi persecution, as defined in
7 P.L. 103-286 or monies earned through employment in the federal foster
8 grandparent program and any such income shall be offset by all medical
9 and prescription drug expenses actually paid which were not reimbursed
10 or paid for by insurance, if the governing board of a municipality,
11 after a public hearing, adopts a local law, ordinance or resolution
12 providing therefor. In addition, an exchange of an annuity for an annui-
13 ty contract, which resulted in non-taxable gain, as determined in
14 section one thousand thirty-five of the internal revenue code, shall be
15 excluded from such income. Provided that such exclusion shall be based
16 on satisfactory proof that such an exchange was solely an exchange of an
17 annuity for an annuity contract that resulted in a non-taxable transfer
18 determined by such section of the internal revenue code. Furthermore,
19 such income shall not include the proceeds of a reverse mortgage, as
20 authorized by section six-h of the banking law, and sections two hundred
21 eighty and two hundred eighty-a of the real property law; provided,
22 however, that monies used to repay a reverse mortgage may not be
23 deducted from income, and provided additionally that any interest or
24 dividends realized from the investment of reverse mortgage proceeds
25 shall be considered income. The provisions of this paragraph notwith-
26 standing, such income shall not include veterans disability compen-
27 sation, as defined in Title 38 of the United States Code provided the
28 governing board of such municipality, after public hearing, adopts a
29 local law, ordinance or resolution providing therefor. In computing net
30 rental income and net income from self-employment no depreciation
31 deduction shall be allowed for the exhaustion, wear and tear of real or
32 personal property held for the production of income;

33 (b) unless the owner shall have held an exemption under this section
34 for his previous residence or unless the title of the property shall
35 have been vested in the owner or one of the owners of the property for
36 at least twelve consecutive months prior to the date of making applica-
37 tion for exemption, provided, however, that in the event of the death of
38 either a husband or wife in whose name title of the property shall have
39 been vested at the time of death and then becomes vested solely in the
40 survivor by virtue of devise by or descent from the deceased husband or
41 wife, the time of ownership of the property by the deceased husband or
42 wife shall be deemed also a time of ownership by the survivor and such
43 ownership shall be deemed continuous for the purposes of computing such
44 period of twelve consecutive months. In the event of a transfer by
45 either a husband or wife to the other spouse of all or part of the title
46 to the property, the time of ownership of the property by the transferor
47 spouse shall be deemed also a time of ownership by the transferee spouse
48 and such ownership shall be deemed continuous for the purposes of
49 computing such period of twelve consecutive months. Where property of
50 the owner or owners has been acquired to replace property formerly owned
51 by such owner or owners and taken by eminent domain or other involuntary
52 proceeding, except a tax sale, the period of ownership of the former
53 property shall be combined with the period of ownership of the property
54 for which application is made for exemption and such periods of owner-
55 ship shall be deemed to be consecutive for purposes of this section.
56 Where a residence is sold and replaced with another within one year and

1 both residences are within the state, the period of ownership of both
2 properties shall be deemed consecutive for purposes of the exemption
3 from taxation by a municipality within the state granting such
4 exemption. Where the owner or owners transfer title to property which as
5 of the date of transfer was exempt from taxation or PILOT under the
6 provisions of this section, the reacquisition of title by such owner or
7 owners within nine months of the date of transfer shall be deemed to
8 satisfy the requirement of this paragraph that the title of the property
9 shall have been vested in the owner or one of the owners for such period
10 of twelve consecutive months. Where, upon or subsequent to the death of
11 an owner or owners, title to property which as of the date of such death
12 was exempt from taxation or PILOT under such provisions, becomes vested,
13 by virtue of devise or descent from the deceased owner or owners, or by
14 transfer by any other means within nine months after such death, solely
15 in a person or persons who, at the time of such death, maintained such
16 property as a primary residence, the requirement of this paragraph that
17 the title of the property shall have been vested in the owner or one of
18 the owners for such period of twelve consecutive months shall be deemed
19 satisfied;

20 (c) unless the property is used exclusively for residential purposes,
21 provided, however, that in the event any portion of such property is not
22 so used exclusively for residential purposes but is used for other
23 purposes, such portion shall be subject to taxation or PILOT and the
24 remaining portion only shall be entitled to the exemption provided by
25 this section;

26 (d) unless the real property is the legal residence of and is occupied
27 in whole or in part by the owner or by all of the owners of the proper-
28 ty: except where, (i) an owner is absent from the residence while
29 receiving health-related care as an inpatient of a residential health
30 care facility, as defined in section twenty-eight hundred one of the
31 public health law, provided that any income accruing to that person
32 shall only be income only to the extent that it exceeds the amount paid
33 by such owner, spouse, or co-owner for care in the facility, and
34 provided further, that during such confinement such property is not
35 occupied by other than the spouse or co-owner of such owner; or, (ii)
36 the real property is owned by a husband and/or wife, or an ex-husband
37 and/or an ex-wife, and either is absent from the residence due to
38 divorce, legal separation or abandonment and all other provisions of
39 this section are met provided that where an exemption was previously
40 granted when both resided on the property, then the person remaining on
41 the real property shall be sixty-two years of age or over.

42 3-a. (a) For the purposes of this section, title to that portion of
43 real property owned by a cooperative apartment corporation in which a
44 tenant-stockholder of such corporation resides and which is represented
45 by his share or shares of stock in such corporation as determined by its
46 or their proportional relationship to the total outstanding stock of the
47 corporation, including that owned by the corporation, shall be deemed to
48 be vested in such tenant-stockholder.

49 (b) That proportion of the assessment of such real property owned by a
50 cooperative apartment corporation determined by the relationship of such
51 real property vested in such tenant-stockholder to such entire parcel
52 and the buildings thereon owned by such cooperative apartment corpo-
53 ration in which such tenant-stockholder resides shall be subject to
54 exemption from taxation or PILOT pursuant to this section and any
55 exemption so granted shall be credited by the appropriate taxing author-
56 ity against the assessed valuation of such real property; the reduction

1 in real property taxes or PILOT realized thereby shall be credited by
2 the cooperative apartment corporation against the amount of such taxes
3 or PILOT otherwise payable by or chargeable to such tenant-stockholder.

4 (c) Real property may be exempt from taxation or PILOT pursuant to
5 this subdivision by a municipality in which such property is located
6 only if the governing board of such municipality, after public hearing,
7 adopts a local law, ordinance or resolution providing therefor.
8 Notwithstanding any provision of law to the contrary, any local law,
9 ordinance or resolution adopted pursuant to this paragraph may provide,
10 or be amended to provide, that a tenant-stockholder who resides in a
11 dwelling which is subject to the provisions of either article two, four,
12 five or eleven of the private housing finance law and who is eligible
13 for a rent increase exemption pursuant to section four hundred sixty-
14 seven-c of this title shall not be eligible for an exemption pursuant to
15 this subdivision and that a tenant-stockholder who resides in a dwelling
16 which is subject to the provisions of either article two, four, five or
17 eleven of the private housing finance law and who is not eligible for a
18 rent increase exemption pursuant to section four hundred sixty-seven-c
19 of this title but who meets the requirements for eligibility for an
20 exemption pursuant to this section shall be eligible for such exemption
21 provided that such exemption shall be in an amount determined by multi-
22 plying the exemption otherwise allowable pursuant to this section by a
23 fraction having a numerator equal to the amount of real property taxes
24 or payments in lieu of taxes that were paid with respect to such dwell-
25 ing and a denominator equal to the full amount of real property taxes
26 that would have been owed with respect to such dwelling had it not been
27 granted an exemption or abatement of real property taxes pursuant to any
28 provision of law, provided, however, that any reduction in real property
29 taxes received with respect to such dwelling pursuant to this section or
30 section four hundred sixty-seven-c of this title shall not be considered
31 in calculating such numerator. Any such local law, ordinance or resol-
32 ution that so provides, or is amended to so provide, shall also provide
33 that a tenant-stockholder who resides in a dwelling which was or contin-
34 ues to be subject to a mortgage insured or initially insured by the
35 federal government pursuant to section two hundred thirteen of the
36 National Housing Act, as amended, and who is eligible for both a rent

38 this title and an exemption pursuant to this subdivision, may apply for
39 and receive either a rent increase exemption pursuant to section four
40 hundred sixty-seven-c of this title or an exemption pursuant to this
41 subdivision, but not both.

42 3-b. The commissioner shall develop, make available and distribute to
43 any municipal corporation which requests it, a form for the purpose of

45 this section.

46 4. Every municipal corporation in which such real property is located
47 shall notify, or cause to be notified, each person owning residential
48 real property in such municipal corporation of the provisions of this
49 section. The provisions of this subdivision may be met by a notice or
50 legend sent on or with each tax or PILOT bill to such persons reading
51 "You may be eligible for senior citizen tax exemptions. Senior citizens
52 have until month....., day....., year....., to apply for such
53 exemptions. For information please call or write....," followed by the
54 name, telephone number and/or address of a person or department selected
55 by the municipal corporation to explain the provisions of this section.
56 Each cooperative apartment corporation shall notify each tenant-stock-

holder thereof in residence of such provisions as set forth herein. Failure to notify, or cause to be notified any person who is in fact, eligible to receive the exemption provided by this section or the failure of such person to receive the same shall not prevent the levy, collection and enforcement of the payment of the taxes or PILOT on property owned by such person.

4-a. (a) A senior citizen eligible for the exemption provided for in subdivision one of this section may request that a notice be sent to an adult third party. Such request shall be made on a form prescribed by the commissioner and shall be submitted to the assessor of the assessing unit in which the eligible taxpayer resides no later than sixty days before the last application date for the first taxable status date to which it is to apply. Such form shall provide a section whereby the designated third party shall consent to such designation. Such request shall be effective upon receipt by the assessor. The assessor shall maintain a list of all eligible property owners who have requested notices pursuant to this paragraph.

(b) A notice shall be sent to the designated third party at least thirty days prior to the last application date for each ensuing taxable status date; provided that no such notice need be sent in the first year if the request was not received by the assessor at least sixty days before the last application date for the applicable taxable status date. Such notice shall read substantially as follows: "On behalf of (identify senior citizen or citizens), you are advised that his, her, or their renewal application for the senior exemption must be filed with the assessor no later than (enter date). You are encouraged to remind him, her, or them of that fact, and to offer assistance if needed, although you are under no legal obligation to do so. Your cooperation and assistance are greatly appreciated."

(c) A notice shall be sent to the designated third party whenever the assessor sends a notice to the senior citizen regarding the possible removal of the senior exemption. Such notice shall read substantially as follows: "On behalf of (identify senior citizen or citizens), you are advised that his, her, or their senior exemption is at risk of being removed. You are encouraged to make sure that he, she or they are aware of that fact, and to offer assistance if needed, although you are under no legal obligation to do so. Your cooperation and assistance are greatly appreciated."

(d) The obligation to mail such notices shall cease if the eligible taxpayer cancels the request or ceases to qualify for the senior exemption.

(e) Failure to mail any notice required by this subdivision, or the failure of a party to receive same, shall not affect the validity of the levy, collection, or enforcement of taxes or PILOT on property owned by such person, or in the case of a third party notice, on property owned by the senior citizen.

5. Application for such exemption must be made by the owner, or all of the owners of the property, on forms prescribed by the commissioner to be furnished by the appropriate assessing authority and shall furnish the information and be executed in the manner required or prescribed in such forms, and shall be filed in such assessor's office on or before the appropriate taxable status date. Notwithstanding any other provision of law, at the option of the municipal corporation, any person otherwise qualifying under this section shall not be denied the exemption under this section if he becomes sixty-five years of age after the appropriate

1 taxable status date and on or before December thirty-first of the same
2 year.

3 5-a. Any local law or ordinance adopted pursuant to paragraph (a) of
4 subdivision one of this section may be amended, or a local law or ordi-
5 nance may be adopted to provide, notwithstanding subdivision five of
6 this section, that an application for such exemption may be filed with
7 the assessor after the appropriate taxable status date but not later
8 than the last date on which a petition with respect to complaints of
9 assessment may be filed, where failure to file a timely application
10 resulted from: (a) a death of the applicant's spouse, child, parent,
11 brother or sister; or (b) an illness of the applicant or of the appli-
12 cant's spouse, child, parent, brother or sister, which actually prevents
13 the applicant from filing on a timely basis, as certified by a licensed
14 physician. The assessor shall approve or deny such application as if it
15 had been filed on or before the taxable status date.

16 5-b. Notwithstanding the provisions of this section or any other
17 provision of law, a county with an annual taxable status date of January
18 first or January second and with a population of one million or more,
19 may, at its option and by amendment or adoption of a local law or ordi-
20 nance, authorize its assessor to accept applications for the exemption
21 from real property taxes or PILOT authorized pursuant to this section on
22 a date later than such county's statutory deadline date for receiving
23 applications for such exemption. Any application filed later than such
24 statutory deadline date which is in compliance with such local law or
25 ordinance amended or adopted pursuant to this subdivision and which
26 meets all other necessary requirements for granting the exemption
27 authorized by this section shall be deemed to have been timely filed
28 prior to such statutory deadline date, and any individual or individuals
29 for whom such an application has been filed shall be granted such
30 exemption and shall receive such exemption on the assessment [~~roles~~]
31 rolls prepared for such county on the basis of the taxable status date
32 immediately preceding the date such application was filed.

33 5-c. Notwithstanding the provisions of this section or any other
34 provision of law, in a city having a population of one million or more,
35 applications for the exemption authorized pursuant to this section shall
36 be considered timely filed if they are filed on or before the fifteenth
37 day of March of the appropriate year.

38 6. (a) At least sixty days prior to the appropriate taxable status
39 date, the assessing authority shall mail to each person who was granted
40 exemption pursuant to this section on the latest completed assessment
41 roll an application form and a notice that such application must be
42 filed on or before the taxable status date and be approved in order for
43 the exemption to be granted. The assessing authority shall, within three
44 days of the completion and filing of the tentative assessment roll,
45 notify by mail any applicant who has included with his application at
46 least one self-addressed, pre-paid envelope, of the approval or denial
47 of the application; provided, however, that the assessing authority
48 shall, upon the receipt and filing of the application, send by mail
49 notification of receipt to any applicant who has included two of such
50 envelopes with the application. Where an applicant is entitled to a
51 notice of denial pursuant to this subdivision, such notice shall be on a
52 form prescribed by the commissioner and shall state the reasons for such
53 denial and shall further state that the applicant may have such determi-
54 nation reviewed in the manner provided by law. Failure to mail any such
55 application form or notices or the failure of such person to receive any

1 of the same shall not prevent the levy, collection and enforcement of
2 the payment of the taxes **or PILOT** on property owned by such person.

3 (b) Except in cities of one million or more, any person who has been
4 granted exemption pursuant to this section on five (5) consecutive
5 completed assessment rolls, including any years when the exemption was
6 granted to a property owned by a husband and/or wife while both resided
7 in such property, shall not be subject to the requirements set forth in
8 paragraph (a) of this subdivision provided the governing board of the
9 municipality in which said property is situated after public hearing
10 adopts a local law, ordinance or resolution providing therefor however
11 said person shall be mailed an application form and a notice informing
12 him of his rights. Such exemption shall be automatically granted on each
13 subsequent assessment roll. Provided, however, that when tax payment is
14 made by such person a sworn affidavit must be included with such payment
15 which shall state that such person continues to be eligible for such
16 exemption. Such affidavit shall be on a form prescribed by the commis-
17 sioner. If such affidavit is not included with the tax payment, the
18 collecting officer shall proceed pursuant to section five hundred
19 fifty-one-a of this chapter.

20 (c) In cities of one million or more, any person who has been granted
21 exemption pursuant to this section shall file the completed application
22 with the appropriate assessing authority every twenty-four months from
23 the date such exemption was granted without the necessity of having been
24 granted exemption pursuant to this section on five (5) consecutive
25 completed assessment rolls including any years when the exemption was
26 granted to a property owned by a husband and/or wife while both resided
27 in such property.

28 7. Any conviction of having made any wilful false statement in the
29 application for such exemption, shall be punishable by a fine of not
30 more than one hundred dollars and shall disqualify the applicant or
31 applicants from further exemption for a period of five years.

32 8. Notwithstanding the provisions of subdivisions five and six of this
33 section, the local governing body of a city, town, village or county
34 having the power to assess may adopt a local law authorizing the asses-
35 sor or assessors of such city, town, village or county to accept appli-
36 cations for renewal of exemptions pursuant to this section after taxable
37 status date. Such local law shall provide that in the event the owner,
38 or all of the owners, of property which has received an exemption pursu-
39 ant to this section on the preceding assessment roll fail to file the
40 application required pursuant to this section on or before taxable
41 status date such owner or owners may file the application, executed as
42 if such application had been filed on or before the taxable status date,
43 with the assessor on or before the date for the hearing of complaints.

44 8-a. Notwithstanding any provision of law to the contrary, the local
45 governing body of a municipal corporation that is authorized to adopt a
46 local law pursuant to subdivision eight of this section is further
47 authorized to adopt a local law providing that where a renewal applica-
48 tion for the exemption authorized by this section has not been filed on
49 or before the taxable status date, and the owner believes that good
50 cause existed for the failure to file the renewal application by that
51 date, the owner may, no later than the last day for paying taxes **or**
52 **PILOT** without incurring interest or penalty, submit a written request to
53 the assessor asking him or her to extend the filing deadline and grant
54 the exemption. Such request shall contain an explanation of why the
55 deadline was missed, and shall be accompanied by a renewal application,
56 reflecting the facts and circumstances as they existed on the taxable

1 status date. The assessor may extend the filing deadline and grant the
2 exemption if he or she is satisfied that (i) good cause existed for the
3 failure to file the renewal application by the taxable status date, and
4 that (ii) the applicant is otherwise entitled to the exemption. The
5 assessor shall mail notice of his or her determination to the owner. If
6 the determination states that the assessor has granted the exemption, he
7 or she shall thereupon be authorized and directed to correct the assess-
8 ment roll accordingly, or, if another person has custody or control of
9 the assessment roll, to direct that person to make the appropriate
10 corrections. If the correction is not made before taxes are levied, the
11 failure to take the exemption into account in the computation of the tax
12 shall be deemed a "clerical error" for purposes of title three of arti-
13 cle five of this chapter, and shall be corrected accordingly.

14 9. (a) (i) Notwithstanding the provisions of subdivision five of this
15 section, where a person who meets the requirements for an exemption
16 pursuant to this section, purchases property after the levy of taxes or
17 PILOT, such person may file an application for exemption to the assessor
18 within thirty days of the transfer of title to such person. The assessor
19 shall make a determination of whether the parcel would have qualified
20 for exempt status for PILOT or on the tax roll on which the taxes were
21 levied, had title to the parcel been in the name of the applicant on the
22 taxable status date applicable to the tax roll. The application shall be
23 on a form prescribed by the commissioner. The assessor, no later than
24 thirty days after receipt of such application, shall notify both the
25 applicant and the board of assessment review, by first class mail, of
26 the exempt amount, if any, and the right of the owner to a review of the
27 exempt amount upon the filing of a written complaint. Such complaint
28 shall be on a form prescribed by the commissioner and shall be filed
29 with the board of assessment review within twenty days of the mailing of
30 this notice. If no complaint is received, the board of assessment review
31 shall so notify the assessor and the exempt amount determined by the
32 assessor shall be final. If the applicant files a complaint, the board
33 of assessment review shall schedule a time and place for a hearing with
34 respect thereto no later than thirty days after the mailing of the
35 notice by the assessor. The board of assessment review shall meet and
36 determine the exempt amount, and shall immediately notify the assessor
37 and the applicant, by first class mail, of its determination. The amount
38 of exemption determined pursuant to this paragraph shall be subject to
39 review as provided in article seven of this chapter. Such a proceeding
40 shall be commenced within thirty days of the mailing of the notice of
41 the board of assessment review to the new owner as provided in this
42 paragraph.

43 (ii) Upon receipt of a determination of exempt amount as provided in
44 subparagraph (i) of this paragraph, the assessor shall determine the pro
45 rata exemption to be credited toward such property by multiplying the
46 tax rate or tax rates for each municipal corporation which levied taxes,
47 or for which taxes were levied, on the appropriate tax roll used for the
48 fiscal year or years during which the transfer occurred times the exempt
49 amount, as determined in subparagraph (i) of this paragraph, times the
50 fraction of each fiscal year or years remaining subsequent to the trans-
51 fer of title. The assessor shall immediately transmit a statement of the
52 pro rata exemption credit due to each municipal corporation which levied
53 taxes or for which taxes were levied on the tax roll used for the fiscal
54 year or years during which the transfer occurred and to the applicant.

55 (iii) Each municipal corporation which receives notice of pro rata
56 exemption credits pursuant to this subdivision shall include an appro-

priation in its budget for the next fiscal year equal to the aggregate amount of such credits to be applied in that fiscal year. Where a parcel, the owner of which is entitled to a pro rata exemption credit, is subject to taxation or PILOT in said next fiscal year, the receiver or collector shall apply the credit to reduce the amount of taxes or PILOT owed for the parcel in such fiscal year. Pro rata exemption credits in excess of the amount of taxes or PILOT, if any, owed for the parcel shall be paid by the treasurer of a municipal corporation which levies such taxes or PILOT for or on behalf of the municipal corporation to all owners of property entitled to such credits within thirty days of the expiration of the warrant to collect taxes or the deadline to pay PILOT in said next fiscal year.

(b) (i) Notwithstanding the provisions of subdivision five of this section, where a person who meets the requirements for an exemption pursuant to this section, purchases property after the taxable status date but prior to the levy of taxes or PILOT, such person may file an application for an exemption to the assessor within thirty days of the transfer of title to such person. The assessor shall make a determination within thirty days after receipt of such application of whether the applicant would qualify for an exemption pursuant to this section on the assessment roll if title had been in the name of the applicant on the taxable status date applicable to such assessment roll. The application shall be made on a form prescribed by the commissioner.

(ii) If the assessor's determination is made prior to the filing of the tentative assessment roll, the assessor shall enter the exempt amount, if any, on the tentative assessment roll and, within ten days after filing such roll, notify the applicant of the approval or denial of such exemption, the exempt amount, if any, and the applicant's right to review by the board of assessment review.

(iii) If the assessor's determination is made after the filing of the tentative assessment roll, the assessor shall petition the board of assessment review to correct the tentative or final assessment roll in the manner provided in title three of article five of this chapter, with respect to unlawful entries, in the case of wholly exempt parcels, and with respect of clerical errors, in the case of partially exempt parcels, if the assessor determines that an exemption should be granted and, within ten days of petitioning the board of assessment review, notify the applicant of the approval or denial of such exemption, the amount of such exemption, if any, and the applicant's right to administrative or judicial review of such determination pursuant to article five or seven of this chapter, respectively.

(c) If, for any reason, a determination to exempt property from taxation as provided in paragraph (b) of this subdivision is not entered on the final assessment roll, the assessor shall petition the board of assessment review to correct the final assessment roll.

(d) If, for any reason, the pro rata tax or PILOT credit as provided in paragraph (a) of this subdivision is not extended against the tax roll immediately succeeding the fiscal year during which the transfer occurred, the assessor shall immediately notify the municipal corporation which levied the tax or PILOT amount or for which the taxes or PILOT were levied of the amount of pro rata exemption credits for the year in which such transfer occurred. Such municipal corporation shall proceed as provided in subparagraph (iii) of paragraph (a) of this subdivision.

(e) If, for any reason, a determination to exempt property from taxation or PILOT as provided in paragraph (b) of this subdivision is not

1 entered on the tax roll for the year immediately succeeding the fiscal
2 year during which the transfer occurred, the assessor shall determine
3 the pro rata tax exemption credit for such tax roll by multiplying the
4 tax rate or tax rates for each municipal corporation which levied taxes
5 or for which taxes were levied times the exempt amount and shall imme-
6 diately notify such municipal corporation or corporations of the pro
7 rata exemption credits for such tax roll. Such municipal corporation
8 shall add such pro rata exemption credits for such property to any
9 outstanding pro rata exemption amounts and proceed as provided in
10 subparagraph (iii) of paragraph (a) of this subdivision.

11 10. Notwithstanding any other provision of law to the contrary, the
12 provisions of this section shall apply to real property in which a
13 person or persons hold a legal life estate or which is held in trust
14 solely for the benefit of a person or persons if such person or persons
15 would otherwise be eligible for a real property tax or PILOT exemption,
16 pursuant to subdivision one of this section, were such person or persons
17 the owner or owners of such real property.

18 11. (a) Notwithstanding any provision of law to the contrary, upon the
19 request of an assessor, the commissioner may disclose to the assessor
20 the names and addresses of the owners of property in that assessor's
21 assessing unit who are receiving the enhanced STAR exemption or enhanced
22 STAR credit and whose federal adjusted gross income is less than the
23 uppermost amount specified by subparagraph three of paragraph (b) of
24 subdivision one of this section (represented therein as $M + \$8,400$).
25 Such amount shall be determined without regard to any local options that
26 the municipal corporation may or may not have exercised in relation to
27 increasing or decreasing the maximum income eligibility level authorized
28 by this section, provided that the amount so determined for a city with
29 a population of one million or more shall take into account the distinct
30 maximum income eligibility level established for such city by paragraph
31 (a) of subdivision three of this section. In no case shall the commis-
32 sioner disclose to an assessor the amount of an owner's federal adjusted
33 gross income.

34 (b) The assessor may use the information contained in such a report to
35 contact those owners who are not already receiving the exemption author-
36 ized by this section and to suggest that they consider applying for it.
37 Provided, however, that nothing contained herein shall be construed as
38 enabling any person or persons to qualify for the exemption authorized
39 by this section on the basis of their federal adjusted gross income,
40 rather than on the basis of their income as determined pursuant to the
41 provisions of paragraph (a) of subdivision three of this section.

42 (c) Information disclosed to an assessor pursuant to this subdivision
43 shall be used only for purposes of real property tax administration. It
44 shall be deemed confidential otherwise, and shall not be subject to the
45 provisions of article six of the public officers law.

46 § 2. Section 459-c of the real property tax law, as added by chapter
47 315 of the laws of 1997, paragraph (a) of subdivision 1 as amended by

50 sion 3 as amended by section 10 of part E of chapter 83 of the laws of

52 graph (a) of subdivision 5 as amended by chapter 131 of the laws of

(b) Any local law or resolution adopted pursuant to paragraph (a) of this subdivision may be amended, or a local law or resolution may be adopted, to provide an exemption so as to increase the maximum income eligibility level of such municipal corporation as provided in subdivision five of this section (represented in the hereinbelow schedule as M), to the extent provided in the following schedule:

(b) a person with a disability is one who has a physical or mental impairment, not due to current use of alcohol or illegal drug use, which substantially limits such person's ability to engage in one or more major life activities, such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working, and who (i) is certified to receive social security disability insurance (SSDI) or supplemental security income (SSI) benefits under the federal Social Security Act, or (ii) is certified to receive Railroad Retirement Disability benefits under the federal railroad Retirement Act, or (iii) has received a certificate from the state commission for the blind stating that such person is legally blind, or (iv) is certified to receive a United States Postal Service disability pension,

5 the blind, or an award letter from the United States Postal Service, or
6 an award letter from the United States department of veterans affairs
7 shall be submitted as proof of disability.

9 other partial exemptions allowed by law, excluding the school tax relief
10 (STAR) exemption authorized by section four hundred twenty-five of this
11 title, have been subtracted from the total amount assessed; provided,
12 however, that no parcel may receive an exemption for the same PILOT or
13 municipal tax purpose pursuant to both this section and section four
14 hundred sixty-seven of this title.

15 4. Exemption from taxation for school purposes shall not be granted in
16 the case of real property where a child resides if such child attends a
17 public school of elementary or secondary education; unless the governing
18 board of the school district in which the property is located, after
19 public hearing, adopts a resolution providing for such exemption;
20 provided that any such resolution shall condition such exemption upon
21 satisfactory proof that the child was not brought into the residence in
22 whole or in substantial part for the purpose of attending a particular
23 school within the district. The procedure for such hearing and resol-
24 ution must be conducted separately from the procedure for any hearing
25 and local law, ordinance or resolution conducted pursuant to paragraph
26 (a) of subdivision one of this section.

27 5. No exemption shall be granted:

28 (a) if the income of the owner or the combined income of the owners of
29 the property for the income tax year immediately preceding the date of
30 making application for exemption exceeds the sum of three thousand
31 dollars, or such other sum not less than three thousand dollars nor more
32 than twenty-six thousand dollars beginning July first, two thousand six,

40 owners filed a federal personal income tax return, or if no such return

43 the husband or wife, or ex-husband or ex-wife is absent from the proper-
44 ty due to divorce, legal separation or abandonment, then only the income
45 of the spouse or ex-spouse residing on the property shall be considered
46 and may not exceed such sum. Such income shall include social security
47 and retirement benefits, interest, dividends, total gain from the sale
48 or exchange of a capital asset which may be offset by a loss from the
49 sale or exchange of a capital asset in the same income tax year, net
50 rental income, salary or earnings, and net income from self-employment,
51 but shall not include a return of capital, gifts, inheritances or monies
52 earned through employment in the federal foster grandparent program and
53 any such income shall be offset by all medical and prescription drug
54 expenses actually paid which were not reimbursed or paid for by insur-
55 ance, if the governing board of a municipality, after a public hearing,
56 adopts a local law or resolution providing therefor. In computing net

1 rental income and net income from self-employment no depreciation
2 deduction shall be allowed for the exhaustion, wear and tear of real or
3 personal property held for the production of income;

4 (b) unless the property is used exclusively for residential purposes,
5 provided, however, that in the event any portion of such property is not
6 so used exclusively for residential purposes but is used for other
7 purposes, such portion shall be subject to taxation or PILOT and the
8 remaining portion only shall be entitled to the exemption provided by
9 this section;

10 (c) unless the real property is the legal residence of and is occupied
11 in whole or in part by the disabled person; except where the disabled
12 person is absent from the residence while receiving health-related care
13 as an inpatient of a residential health care facility, as defined in
14 section twenty-eight hundred one of the public health law, provided that
15 any income accruing to that person shall be considered income for
16 purposes of this section only to the extent that it exceeds the amount
17 paid by such person or spouse or sibling of such person for care in the
18 facility.

19 6. (a) If so provided in the local law or resolution adopted pursuant
20 to this section, title to that portion of real property owned by a coop-
21 erative apartment corporation in which a tenant-stockholder of such
22 corporation resides, and which is represented by his share or shares of
23 stock in such corporation as determined by its or their proportional
24 relationship to the total outstanding stock of the corporation, includ-
25 ing that owned by the corporation, shall be deemed to be vested in such
26 tenant-stockholder.

27 (b) That proportion of the assessment of such real property owned by a
28 cooperative apartment corporation determined by the relationship of such
29 real property vested in such tenant-stockholder to such entire parcel
30 and the buildings thereon owned by such cooperative apartment corpo-
31 ration in which such tenant-stockholder resides shall be subject to
32 exemption from taxation or PILOT pursuant to this section and any
33 exemption so granted shall be credited by the appropriate taxing author-
34 ity against the assessed valuation of such real property; the reduction
35 in real property taxes or PILOT realized thereby shall be credited by
36 the cooperative apartment corporation against the amount of such taxes
37 or PILOT otherwise payable by or chargeable to such tenant-stockholder.

38 7. Application for such exemption must be made annually by the owner,
39 or all of the owners of the property, on forms prescribed by the commis-
