AN ACT to amend the vehicle and traffic law, in relation to the establishment in the city of New York of a bicycle lane safety program; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new
2 section 1111-g to read as follows:

4 cle lane restrictions. (a) 1. Notwithstanding any other provision of
5 law, the city of New York is hereby authorized and empowered to estab-
6 lish a bicycle lane safety program imposing monetary liability on the
7 owner of a motor vehicle for failure of an operator thereof to comply
8 with bicycle lane restrictions in such city in accordance with the
9 provisions of this section. The New York city department of transporta-
10 tion, for purposes of the implementation of such program, shall install
11 and operate bicycle lane photo devices on, within or in close proximity
12 to protected bicycle lanes. Bicycle lane photo devices may be activated
13 at locations as determined by such department of transportation;
14 provided, however, that there shall be no more than fifty bicycle lane
15 photo devices located within such city.

16 2. The city of New York shall adopt and enforce measures to protect
17 the privacy of drivers, passengers, pedestrians and cyclists whose iden-
18 tity and identifying information may be captured by a bicycle lane photo
19 device. Such measures shall include:

20 (i) utilization of necessary technologies to ensure, to the extent
21 practicable, that images produced by a bicycle lane photo device shall
22 not include images that identify the driver, the passengers, or the
23 contents of the motor vehicle, provided, however, that no notice of
24 liability issued pursuant to this section shall be dismissed solely
25 because an image allows for the identification of the driver, the

14 photo devices are operated on, within or in close proximity to each
15 protected bicycle lane in the bicycle lane safety program.

16 (b) If the city of New York has established a bicycle lane safety

19 section if such motor vehicle was used or operated with the permission
20 of the owner, express or implied, in violation of any bicycle lane
21 restrictions that apply to protected bicycle lanes within such program,
22 and such violation is evidenced by information obtained from a bicycle
23 lane photo device; provided, however, that no owner of a motor vehicle
24 shall be liable for a penalty imposed pursuant to this section where the
25 operator of such motor vehicle has been convicted of the underlying

6 imposed on any roadway within the bicycle lane safety program shall be
7 liable for monetary penalties in accordance with a schedule of fines and
8 penalties promulgated by the parking violations bureau of the city of
9 New York; provided, however, that the monetary penalty for violating a
10 bicycle lane restriction shall not exceed fifty dollars; provided,
11 further, that an owner shall be liable for an additional penalty not to
12 exceed twenty-five dollars for each violation for the failure to respond
13 to a notice of liability within the prescribed time period.

14 (f) An imposition of liability pursuant to this section shall not be
15 deemed a conviction of an operator and shall not be made part of the
16 operating record of the person upon whom such liability is imposed, nor
17 shall it be used for insurance purposes in the provision of motor vehi-
18 cle insurance coverage.

19 (g) 1. A notice of liability shall be sent by first class mail to each

40 or agencies designated by the city of New York, or any other entity
41 authorized by such city to prepare and mail such notification of
42 violation.

44 shall be by the New York city parking violations bureau.

45 (h) If an owner of a motor vehicle receives a notice of liability
46 pursuant to this section for any time period during which such motor
47 vehicle was reported to the police department as having been stolen, it
48 shall be a valid defense to an allegation of liability for a violation
49 of a bicycle lane restriction that the motor vehicle had been reported
50 to the police as stolen prior to the time the violation occurred and had
51 not been recovered by such time. For purposes of asserting the defense
52 provided by this subdivision it shall be sufficient that a certified
53 copy of the police report on the stolen motor vehicle be sent by first

15 2. Failure to comply with subparagraph (ii) of paragraph one of this
16 subdivision shall render the lessor liable for the penalty prescribed in
17 this section.

18 3. Where the lessor complies with the provisions of paragraph one of
19 this subdivision, the lessee of such motor vehicle on the date of such
20 violation shall be deemed to be the owner of such motor vehicle for
21 purposes of this section, shall be subject to liability for such
22 violation pursuant to this section and shall be sent a notice of liabil-
23 ity pursuant to subdivision (g) of this section.

24 (j) If the owner liable for a violation of a bicycle lane restriction
25 was not the operator of the motor vehicle at the time of the violation,
26 the owner may maintain an action for indemnification against the opera-
27 tor.

28 (k) Nothing in this section shall be construed to limit the liability
29 of an operator of a motor vehicle for any violation of bicycle lane
30 restrictions.

31 (l) If the city of New York adopts a bicycle lane safety program
32 pursuant to subdivision (a) of this section, it shall submit a report on

54 (m) Any revenue from fines and penalties collected pursuant to this
55 section from a bicycle lane photo device that was authorized to be
56 installed and used pursuant to this section shall be remitted by the

1 city of New York to the New York city department of transportation on a
2 quarterly basis to be deposited in the general transportation account of
