29 applicable provisions of subdivision d of section six hundred thirteen
30 of this article) from the compensation of such participant on each and
31 every payroll of such participant for each and every payroll period.

32 3. (i) Subject to the provisions of subparagraph (ii) of this para-
33 graph, where any additional member contributions required by paragraph
34 one of this subdivision are not paid by deductions from a participant's
35 compensation pursuant to paragraph two of this subdivision:

36 (A) that participant shall be charged with a contribution deficiency
37 consisting of such unpaid amounts, together with interest thereon at the
38 rate of five percent per annum, compounded annually; and

39 (B) such interest on each amount of undeducted contributions shall
40 accrue from the end of the payroll period for which such amount would
41 have been deducted from compensation if he or she had been a participant
42 at the beginning of that payroll period, until such amount is paid to
43 the retirement system.

44 (ii) Except as provided in subparagraph (iii) of this paragraph, no
45 interest shall be due on any such unpaid additional contributions which
46 are not attributable to the period prior to the first full payroll peri-
47 od referred to in paragraph two of this subdivision.

48 (iii) Should any person who, pursuant to paragraph eight of this
49 subdivision, has withdrawn any additional member contributions (and any
50 interest paid thereon) again become a participant in the [~~twenty-~~
51 ~~year/age-fifty~~] twenty-year retirement program pursuant to paragraph six
52 of subdivision b of this section, an appropriate amount shall be

1 (iv) Notwithstanding any other provisions of this paragraph, no

3 twenty-fifth, nineteen hundred ninety-eight with respect to any contrib-
4 utions owed with respect to any payroll period beginning prior to such
5 date.

6 4. The head of a retirement system which includes participants in the
7 [~~twenty-year/age-fifty~~] twenty-year retirement program in its membership

9 regulations for the payment of such additional member contributions, and
10 any interest thereon, by such participants (including the deduction of
11 such contributions, and any interest thereon, from the participant's
12 compensation).

13 5. Where a contribution deficiency chargeable to a participant pursu-
14 ant to paragraph three of this subdivision has not been paid in full
15 before the effective date of retirement, that participant shall not be
16 eligible to retire pursuant to subdivision c of this section.

17 6. Where a contribution deficiency chargeable to a participant pursu-
18 ant to paragraph three of this subdivision has not been paid in full
19 before the date of discontinuance of service, that participant shall not
20 be entitled to a deferred vested benefit pursuant to subdivision d of
21 this section.

22 7. Where a participant has not paid in full any contribution deficien-
23 cy chargeable to him or her pursuant to paragraph three of this subdivi-
24 sion, and a benefit, other than a refund of member contributions pursu-
25 ant to section six hundred thirteen of this article or a refund of
26 additional member contributions pursuant to paragraph eight of this
27 subdivision, becomes payable under this article to the participant or to
28 his or her designated beneficiary or estate, the actuarial equivalent of
29 any such unpaid amount shall be deducted from the benefit otherwise
30 payable.

31 7-a. Notwithstanding paragraph six or seven of this subdivision, where
32 a deficiency chargeable to a participant pursuant to paragraph three of
33 this subdivision has not been paid in full while the participant is a
34 Triborough bridge and tunnel member and such participant retires prior
35 to July first, two thousand eleven, such participant may elect to be
36 covered by this paragraph. Such participant shall be entitled to the
37 benefits provided in subdivision c of this section provided that partic-
38 ipant authorizes the retirement system to deduct from such benefits an
39 amount which will result in the deficiency, plus associated interest to
40 date of final payment, being paid in full no later than July first, two
41 thousand eleven or such earlier date as agreed to by the participant.
42 Such amount will be deducted in equal installments on a monthly basis.
43 Nothing in this paragraph shall prevent the participant from making a
44 partial payment of the amount of the deficiency at the time of retire-
45 ment so as to reduce the monthly payment nor to make a lump sum payment
46 equal to the amount of the total unpaid balance at any time during the
47 period of repayment.

48 8. (i) Such additional member contributions (and any interest thereon)
49 shall be paid into the contingent reserve fund of the retirement system
50 of which the participant is a member and shall not for any purpose be
51 deemed to be member contributions or accumulated contributions of a
52 member under section six hundred thirteen of this article or otherwise
53 while he or she is a participant in the [~~twenty-year/age-fifty~~] twenty-
54 year retirement program or otherwise, except that, a surplus of such
55 additional member contributions that are paid into the retirement

1 system's contingent reserve fund may be used for the sole purpose of
2 offsetting a deficit of basic member contributions.

3 (ii) Should a participant in the [~~twenty-year/age-fifty~~] twenty-year
4 retirement program who has rendered less than fifteen years of allowable
5 service as a Triborough bridge and tunnel member cease to hold a posi-
6 tion as a Triborough bridge and tunnel member for any reason whatsoever,
7 his or her accumulated additional member contributions made pursuant to
8 this subdivision (together with any interest thereon paid to the retire-
9 ment system) may be withdrawn by him or her pursuant to procedures
10 promulgated in regulations of the board of trustees of the retirement
11 system, together with interest thereon at the rate of five percent per
12 annum, compounded annually.

13 (iii) Except as provided in subparagraph (ii) of this paragraph, no
14 member, while he or she is a participant or otherwise, shall have a
15 right to withdraw such additional member contributions or any interest
16 thereon from the retirement system.

17 9. A member who has made the additional contributions specified by
18 this subdivision may borrow a portion of such contributions, pursuant to
19 the provisions of section six hundred thirteen-b of this article.

20 § 2. Subdivision 20 of section 2.10 of the criminal procedure law, as
21 added by chapter 843 of the laws of 1980, is amended to read as follows:

22 20. Bridge and tunnel officers, sergeants [~~and~~], lieutenants,
23 captains, inspectors, deputy chiefs, assistant chiefs, and chiefs of the
24 Triborough bridge and tunnel authority.

25 § 3. This act shall take effect immediately; provided, however, that:

26 (a) section one of this act shall take effect on the one hundred twen-
27 tieth day after it shall have become a law, provided that the Triborough
28 bridge and tunnel authority has elected prior to such effective date to
29 provide its employees the retirement incentive authorized by this act by
30 resolution of its governing body specifying which titles and/or ranks
31 are covered by such election as amongst those titles and/or ranks
32 already covered by section 604-c of the retirement and social security
33 law; provided, however, if the Triborough bridge and tunnel authority
34 shall not elect by resolution to provide its employees the retirement
35 incentive authorized by this act during the time period required by this
36 subdivision, section one of this act shall be deemed repealed; and

37 (b) the Triborough bridge and tunnel authority shall notify the legis-
38 lative bill drafting commission on whether it has elected by resolution
39 to provide its employees the retirement incentive authorized by this act
40 within the time period required by subdivision (a) of this section in
41 order that the commission may maintain an accurate and timely effective
42 data base of the official text of the laws of the state of New York in
43 furtherance of effectuating the provisions of section 44 of the legisla-
44 tive law and section 70-b of the public officers law.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation, as it relates to Tier 4
and Tier 6 members of the New York City Employees' Retirement System
(NYCERS) who are members of the respective TBTA 20/50 Plans, would amend
Section 604-c of the Retirement and Social Security Law (RSSL) to remove
age 50 as an eligibility requirement for service retirement.

Effective Date: Upon enactment, provided, however, that it shall
become effective on the 120th day after enactment in the event the TBTA
elects by resolution to provide to its employees the retirement incen-
tive authorized by the bill within such 120-day period.

IMPACT ON BENEFITS: Currently, members of the Tier 4 and Tier 6 TBTA
20/50 Plans are eligible to receive a service retirement benefit upon

attaining 20 or more years of credited service and age 50. Tier 4 members who leave employment with at least five, but less than 20 years of service, are eligible to receive a vested retirement benefit payable on the date they would have attained 20 years of credited service and age 50. Tier 6 members who leave employment with at least five, but less than 20 years of credited service are eligible to receive a vested retirement benefit payable at age 63.

Under the proposed legislation, if enacted, affected members of the TBTA 20/50 Plans would be eligible to receive a service retirement benefit upon attaining 20 years of credited service, without regard to age. Tier 4 members who leave employment with at least five, but less than 20 years of credited service, would be eligible to receive a vested retirement benefit payable on the date the member would have completed 20 years of credited service, without regard to age. Tier 6 members who leave employment with at least five, but less than 20 years of credited service would continue to be eligible to receive a vested retirement benefit payable at age 63.

FINANCIAL IMPACT - PRESENT VALUES: Based on the anticipated group of members benefiting from the change in the eligibility requirement and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would increase the Present Value of Future Benefits (PVFB) by approximately \$6.2 million for TBTA.

Under the Entry Age Normal cost method used to determine the employer contributions to NYCERS, there would be an increase in the Unfunded Accrued Liability (UAL) of approximately \$7.3 million offset by a decrease in the Present Value of future employer Normal Cost of \$1.1 million.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: In accordance with Section 13-638.2(k-2) of the Administrative Code of the City of New York (ACCNYS), new UAL attributable to benefit changes are to be amortized as determined by the Actuary but are generally amortized over the remaining working lifetime of those impacted by the benefit changes. As of June 30, 2021, the remaining working lifetime of the members who could potentially benefit from the change in the eligibility requirement for retirement is approximately seven years.

For the purposes of this Fiscal Note, the increase in UAL was amortized over a seven-year period (six payments under the One-Year Lag Methodology (OYLM)) using level dollar payments. This payment plus the increase in the Normal Cost results in an increase in annual employer contributions of approximately \$1.8 million each year for TBTA.

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the PVFB and annual employer contributions would be reflected for the first time in the Final June 30, 2021 actuarial valuation of NYCERS. In accordance with the OYLM used to determine employer contributions, the increase in employer contributions would first be reflected in Fiscal Year 2023.

CENSUS DATA: The estimates presented herein are based on the census data used in the Preliminary June 30, 2021 (Lag) actuarial valuation of NYCERS to determine the Preliminary Fiscal Year 2023 employer contributions.

The 112 NYCERS Tier 4 members as of June 30, 2021 who could potentially benefit from the change in the eligibility requirement for retirement had an average age of approximately 42.7 years, average service of approximately 16.8 years, and an average salary of approximately \$112,700. As of June 30, 2021, there are no members in the Tier 6 TBTA 20/50 Plan.

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the PVFB and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the Preliminary June 30, 2021 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2023 employer contributions of NYCERS.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

- * The initial, additional administrative costs of NYCERS and other New York City agencies to implement the proposed legislation.

- * The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

- * The amendment to include enumerated titles in the Criminal Procedural law.

STATEMENT OF ACTUARIAL OPINION: I, Michael J. Samet, am the Interim Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of my knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2022-67 dated May 31, 2022 was prepared by the Interim Chief Actuary for the New York City Employees' Retirement System. This estimate is intended for use only during the 2022 Legislative Session.
