## IN ASSEMBLY

July 6, 2022

---

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Jean-Pierre, Cunningham) -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to establishing a Black Leadership Institute within the State University of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The State University of New York  
2 ("SUNY") has committed to becoming the most inclusive university system  
3 in the country, where all students, faculty, and staff feel welcome and  
4 supported. To meet this goal, SUNY must employ, in addition to faculty  
5 and staff, leaders at the highest levels who share common experiences  
6 and culture with those who comprise the fastest-growing segment of its  
7 student population: diverse students who will become the nation's next  
8 generation of leaders.

9 SUNY has seen a steady increase of Black students in recent years,  
10 reaching nearly 11 percent, or over 42,000 students, in the 2019-2020  
11 academic year. While SUNY continues its efforts to ensure that campus  
12 leadership and faculty reflect the students they serve by hiring faculty  
13 who are more representative of the diverse student population at SUNY  
14 campuses, the diversity within executive leadership teams on many  
15 campuses can be expanded further with support from the legislature.

16 It is, therefore, the intention of the legislature to create a Black  
17 Leadership Institute ("the Institute") as an initiative for Black lead-  
18 ers in higher education with a mission to retain and grow from within  
19 SUNY a greater proportion of Black professionals at SUNY campuses. The  
20 Institute shall offer support and foster professional development for  
21 candidates for senior leadership roles on SUNY campuses, which will, in  
22 turn, create a more diverse SUNY culture that represents New York state  
23 and the SUNY student population.

24 The legislature further intends that the Institute would be designed  
25 to open doors to executive-level positions and strengthen the Universi-  
26 ty's pool of Black leaders. The Institute will identify, develop, and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD15663-02-2

1 recruit, and ultimately support, retain, and foster the success of Black  
2 leaders across the SUNY system.

3 § 2. The education law is amended by adding a new section 362 to read  
4 as follows:

5 § 362. Black leadership institute. 1. Subject to an appropriation for  
6 this purpose, the chancellor of the state university of New York, in  
7 consultation with the board of trustees of the state university of New  
8 York, shall create a Black Leadership Institute within the state univer-  
9 sity of New York to foster the success of Black leaders at the universi-  
10 ty president and president's cabinet level. Such institute shall develop  
11 candidate identification and recruitment efforts, search committee  
12 training, professional development and individualized support measures  
13 for institute participants, professional assistance programming,  
14 services, research and resource identification activities, and any other  
15 programs deemed necessary to effectuate the intent of this institute.

16 2. The chancellor shall appoint an executive director and an eight  
17 member advisory council, to provide guidance and advice to further the  
18 development and growth of the institute. The director and the members of  
19 the advisory council shall serve for three-year terms, with the director  
20 and three advisory council members appointed in the first year of the  
21 institute's existence, three other members appointed in the second year,  
22 and two members appointed in the third year. The director and advisory  
23 council members may be reappointed at the end of each term in the manner  
24 of the original appointment. The director and advisory council shall  
25 receive no compensation for their work in conjunction with the insti-  
26 tute.

27 3. In considering measures and programming for effectuating the  
28 purpose of the institute, the institute shall consider such factors as  
29 program cost-effectiveness; the ability of such programs to offer  
30 programmatically appropriate, long-term, training, and support services;  
31 the ability of such programs to enable individuals to participate in the  
32 institute to receive rewarding training, services, and supports; and  
33 current and projected employment data at campuses within the state  
34 university system.

35 4. The executive director shall prepare and present to the governor,  
36 the speaker of the assembly, and the majority leader of the senate at  
37 the beginning of each regular session of the legislature a separate  
38 report covering, in summary, and in detail, all phases of activity of  
39 the institute for the immediately preceding fiscal year.

40 § 3. This act shall take effect on the first of April next succeeding  
41 the date on which it shall have become a law.
