## IN ASSEMBLY

July 6, 2022

- Introduced by COMMITTEE ON RULES -- (at request of M. of A. Joyner) -- read once and referred to the Committee on Health
- AN ACT to amend the public health law, in relation to directing the department of health to create an informational pamphlet regarding the laparoscopic power morcellation surgery technique

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

| 1  | Section 1. The public health law is amended by adding a new section      |
|----|--|
| 2  | 2504-c to read as follows:   |
| 3  | <u>§ 2504-c. Information concerning laparoscopic power morcellation</u>  |
| 4  | surgery technique. 1. On or before July first, two thousand twenty-      |
| 5  | three, the department shall develop an informative pamphlet for patients |
| 6  | considering going through the laparoscopic power morcellation surgery    |
| 7  | technique. In developing the pamphlet, the department shall consult with |
| 8  | state professional societies representing physicians in general, obstet- |
| 9  | ricians and gynecologists, family practice physicians, nurse practition- |
| 10 | ers, physician assistants and midwives. The pamphlet shall include, but  |
| 11 | not be limited to, information concerning:                               |
| 12 | (a) What the laparoscopic power morcellation surgery is defined as,      |
| 13 | what the risks and benefits are, and how it is performed;                |
| 14 | (b) If applicable, a description of other relevant procedures and        |
| 15 | techniques that may be applicable to the patient such as the hystero-    |
| 16 | scopic morcellation technique;   |
| 17 | (c) The requirement of screening the patient for cancers including,      |
| 18 | but not limited to: uterine myoma, endometrial stromal sarcoma (ESS) and |
| 19 | leiomyosarcoma, prior to undergoing laparoscopic surgery;                |
| 20 | (d) Privacy expectations, including that privacy should be provided      |
| 21 | for the patient both when undressing and dressing and that a gown or a   |
| 22 | <u>drape should be provided;</u>   |
| 23 | (e) If laparoscopic hysterectomy, which is a surgical procedure used     |
| 24 | to remove the uterus, or myomectomy hysterectomy, which is a surgical    |
| 25 | procedure used to remove the fibroids, is recommended, then the provider |
| 26 | shall inform the patient if power morcellation will be used and why it   |
| 27 | is the best option for this exact case.                                  |

27 is the best option for this exact case;

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD15250-01-2

| 1  | (f) An explanation of what the laparoscopic power morcellation is and    |
|----|--|
| 2  | what it is used for;   |
| 3  | (g) Explicitly mentioning and explaining the possibility that this       |
| 4  | procedure may spread cancer cells that have not been detected, include   |
| 5  | all the options to treat the condition, including the risks and benefits |
| б  | of each option;  |
| 7  | (h) That gloves should be worn by the practitioner during the proce-     |
| 8  | dure; and  |
| 9  | (i) A telephone number for the office of professional medical conduct    |
| 10 | in the department and the office of the professions in the state educa-  |
| 11 | tion department, at which a patient may report any misconduct that the   |
| 12 | <u>patient feels may have occurred.</u>                                  |
| 13 | 2. The informational pamphlet shall be made available for use by prac-   |
| 14 | titioners. The informational pamphlet shall be posted as a printable     |
| 15 | file on the department's internet website and may also be made available |
| 16 | for order as a printed deliverable on the department's internet website. |
| 17 | 3. The informational pamphlet shall be written in layperson's language   |
| 18 | and shall be made available in English and the six most common non-Engl- |
| 19 | ish languages spoken by individuals with limited English proficiency in  |
| 20 | New York state as based on the most recent census.                       |
| 21 | 4. A practitioner shall provide the patient the informational pamphlet   |
| 22 | developed pursuant to this section prior to performing laparoscopic      |
| 23 | power morcellation surgery.  |
| 24 | 5. For purposes of this section, "practitioner" means a health care      |
| 25 | professional licensed, certified, or otherwise authorized to practice    |
| 26 | under the education law, acting within the scope of practice.            |

27 § 2. This act shall take effect immediately.
