36 submitted to the voters. If no argument is deemed appropriate for
37 selection, the committee may reserve the responsibility for composition
38 of either or both. In making its selections, the committee shall give
39 priority to arguments advanced by organizations over consideration of
40 arguments advanced by individuals. The state board shall include in the
41 ballot pamphlet on the same page as the printed argument relating to the
42 measure, the name of the organization, if any, advancing the argument
43 and whether the argument supports or opposes the measure. If the commit-

45 same form shall be printed immediately below the argument:

46 The printing of this argument does not constitute an endorsement by
47 the state of New York, nor does the state warrant the accuracy or truth
48 of any statement made in the argument.

2 the provisions of section 7-302 of this title.

3 8. The preliminary materials and the final set of materials shall be
4 concurred on and certified by the committee or at least by four of its
5 members. If a member does not concur, a statement shall show only that
6 he dissents and where applicable, that he was appointed as a proponent
7 or opponent of the measure.

8 9. The state board shall certify and make public the final contents of
9 the ballot pamphlet no later than sixty days before the election at
10 which the measure is to appear on the ballot.

12 state of New York or any agency or employee thereof with respect to such
13 ballot pamphlet except as caused by the negligence or willful acts of

19 to be printed in as legible a manner as possible consistent with the
20 purpose of this title. In the event that the state board determines that
21 the printing of the ballot pamphlet would be more efficient and econom-
22 ical if done by the local boards of elections, the state board is hereby
23 authorized to instruct all boards of elections to print the ballot
24 pamphlet. Should the state board so instruct the boards of elections, it

32 § 7-312. Distribution. 1. There shall be no charge for single copies
33 of the ballot pamphlet.

34 2. In every general election in which a ballot proposal is on the
35 statewide ballot, the state board shall cause a copy of the ballot
36 pamphlet to be distributed to at least one registered voter in each
37 household. In the event the state board determines that distribution of
38 the ballot pamphlet would be more efficient and economical if done by
39 the local boards of elections, the state board is hereby authorized to
40 instruct all boards of elections to distribute the ballot pamphlet to at
41 least one registered voter in each household. Should the state board so
42 instruct the boards of elections, it shall provide a sufficient number
43 of ballot pamphlets to each board of elections and shall promptly reim-

1 impose a charge for bulk orders of greater than five copies and may set
2 limits on the total number of copies that any single individual, organ-

4 § 7-314. Authorization to local communities. The legislative bodies of

7 questions, propositions, and issues on the ballot in such cities, towns
8 and counties to be presented to voters by means of a ballot pamphlet.
9 Any such pamphlet may, with the approval of the state board, be mailed
10 together with the statewide ballot pamphlet. The additional expense of
11 preparing, printing and distributing such a pamphlet shall be paid by
12 such city, town or county.

36 and contents do not comply with the requirements of article seven of
37 this chapter, or finds by clear and convincing evidence that the
38 language of the pamphlet is false or misleading, it shall order such
39 changes as it deems necessary, provided that any changes so ordered will
40 not substantially interfere with the printing and distribution of the
41 pamphlet as required by law.

42 3. A final order in any proceeding under this section shall be made,
43 if possible, at least fifty days before the general election for which
44 the pamphlet was prepared.
