Introduced by M. of A. PAULIN -- read once and referred to the Committee on Transportation

AN ACT to amend the general business law, in relation to requiring helicopters be equipped with flight recorders, cockpit voice recorders and terrain awareness and warning systems

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 243 of the general business law, as amended by 2 chapter 843 of the laws of 1980, is amended to read as follows:

- 3 § 243. Aircraft; construction, design and airworthiness; federal 4 registration. 1. The public safety requiring, and the advantages of uniform regulation making it desirable, in the interest of aeronautical progress, that aircraft to be avigated within this state should conform, with respect to design, construction and airworthiness, to standards prescribed by the United States government with respect to avigation of aircraft subject to its jurisdiction, it shall be unlawful for any 10 person to avigate an aircraft within this state unless it is licensed 11 and registered by the department of transportation of the United States in the manner prescribed by the lawful rules and regulations of the 13 United States government then in force. The license for such aircraft 14 must be carried and conspicuously posted in the aircraft while in flight. Such license also shall be presented for inspection, on demand, to any peace officer, acting pursuant to his special duties, or police 16 officer, or to any official, manager or person in charge of an airport 17 or landing place where the aircraft may be. 18
- 2. It shall be unlawful for any person to avigate any helicopter within this state unless such helicopter is equipped with:
- 21 <u>a. a flight data recorder;</u>
- 22 b. a cockpit voice recorder; and
- 23 c. a terrain awareness and warning system.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
