8 iv. The contractor's tax identification number, unemployment insurance

20 and payment of income taxes, payment of unemployment insurance contrib-  
21 utions or payment of prevailing wage.

31 b. At the time of registration, and upon request, the contractor shall  
32 submit to the commissioner documentation demonstrating that the contrac-  
33 tor has workers' compensation insurance coverage for all workers as  
34 required by law, including any and all declarations and information  
35 pages related to such policy which shall be electronically accessible  
36 and searchable to the public, provided however, that in no event shall a

41 3. The contractor shall pay a non-refundable registration fee of two

55 section. The notice to a contractor initially determined by the commis-  
56 sioner to be unfit based upon the registration application shall be in

1 writing, shall not be conclusory, and shall state the factual basis upon  
2 which the determination is based. Any documents, reports, or information

4 contractor no less than ten days before the hearing. For purposes of  
5 this subdivision, the term "unfit" shall mean a contractor who the  
6 commissioner determines to be unable to lawfully adhere to contractual  
7 obligations of this article and responsibilities including prevailing

10 or a present demonstrable inability to lawfully adhere to such obli-  
11 gations and responsibilities.

12 5. No contractor shall bid on a contract for public work unless they  
13 and all subcontractors listed in the bid, in addition to any subcontrac-  
14 tors associated with wage and/or fringe benefit payments to employees on  
15 the public work project, are registered pursuant to this section.  
16 Further, each contractor must submit their certificate of registration  
17 as well as all certificates of registration for any and all subcontrac-  
18 tors for such contract at the time the bid is made. Applications for  
19 registration shall not be accepted as a substitute for a certificate of  
20 registration for the purposes of this section. For covered projects  
21 performed under private contract, the owner or developer of such project  
22 must ensure that any contractor which it hires, or subcontractor that is  
23 hired, to perform work on such project is registered pursuant to this  
24 section.

25 6. a. A contractor who knowingly bids on a contract for public work  
26 without registering, or knowingly submits a bid with subcontractors that

28 after notice and a hearing, be subject to a civil penalty of up to one  
29 thousand dollars. For covered projects performed under private  
30 contract, an owner or developer who knowingly commences work with a  
31 contractor or subcontractor that is not registered pursuant to subdivi-  
32 sion five of this section shall, after notice and hearing, be subject to  
33 a civil penalty of up to one thousand dollars. A contractor who knowin-  
34 gly commences work on a covered project without registering or knowingly  
35 contracts with an unregistered subcontractor for work on a covered  
36 project shall, after notice and hearing be subject to a civil penalty of  
37 up to one thousand dollars. Any subcontractor who knowingly commences  
38 work on any covered project without registering shall, after notice and  
39 hearing, be subject to a civil penalty of up to one thousand dollars.

40 b. The commissioner may revoke or suspend a registration if a contrac-  
41 tor or subcontractor has been finally determined to be in violation of  
42 the prevailing wage requirements of this article.

43 c. Nothing in this section shall be construed to limit or supersede  
44 the authority of any state or municipal entity to enforce existing labor  
45 laws, safety standards, regulations, codes or any other existing laws  
46 relative to public work.

47 d. A registration pursuant to this section is not necessary for a bid  
48 or work on a contract for public work and penalties pursuant to this  
49 section shall not apply when a state of emergency is declared pursuant  
50 to section twenty-four of the executive law, when the governor declares  
51 a disaster emergency pursuant to section twenty-eight of the executive  
52 law, or when the President issues a major disaster or emergency declara-  
53 tion and such work arises from or is in connection with the actual or  
54 impending declared emergency or disaster or pursuant to an emergency  
55 construction contract, or other contract entered into due to an urgent  
56 and unexpected event where public safety or the conservation of public

1 resources is at risk, as authorized by law, including but not limited to  
2 the public buildings law, the state finance law, the general municipal  
3 law, or the public authorities law.

4 7. The department shall establish and maintain an online system to  
5 make available all registrations and disclosures required by this  
6 section.

7 8. The department shall prescribe regulations necessary to carry out  
8 the provisions of this section within one hundred eighty days after its  
9 effective date.

10 § 2. This act shall take effect immediately, provided however, subdi-  
11 visions one through six of section 220-i of the labor law as added by  
12 section one of this act shall take effect one year after such date.
