1 (e)(1) If an application for a renewal license shall have been filed
2 with the superintendent before November first of the year of expiration,
3 then the license sought to be renewed shall continue in full force and

18 suspension of such license, or has failed to comply with any prerequi-
19 site for the issuance of such license.

20 (g) Licensees and applicants for a license under this section shall be
21 subject to examination by the superintendent as often as the superinten-

33 that a health plan or provider is prohibited from engaging in pursuant
34 to this chapter.

35 § 2907. Revocation or suspension of a registration or license of a
36 pharmacy benefit manager. (a) The superintendent may refuse to renew,
37 may revoke, or may suspend for a period the superintendent determines
38 the registration or license of any pharmacy benefit manager if, after

41 person of the registrant or licensee, has:

42 (1) violated any insurance laws, section two hundred eighty-a of the
43 public health law or violated any regulation, subpoena or order of the
44 superintendent or of another state's insurance commissioner, or has
45 violated any law in the course of his or her dealings in such capacity
46 after such license has been issued or renewed pursuant to section two
47 thousand nine hundred six of this article;

48 (2) provided materially incorrect, materially misleading, materially
49 incomplete or materially untrue information in the registration or
50 license application;

51 (3) obtained or attempted to obtain a registration or license through
52 misrepresentation or fraud;

53 (4)(A) used fraudulent, coercive or dishonest practices;

55 (C) demonstrated untrustworthiness; or

1 (D) demonstrated financial irresponsibility in the conduct of business
2 in this state or elsewhere;

11 equivalent, denied, suspended or revoked in any other state, province,
12 district or territory;

13 (9) failed to pay state income tax or comply with any administrative
14 or court order directing payment of state income tax; or

15 (10) ceased to meet the requirements for registration or licensure
16 under this article.

17 (b) Before revoking or suspending the registration or license of any
18 pharmacy benefit manager pursuant to the provisions of this article, the
19 superintendent shall give notice to the registrant or licensee and to
20 every sub-licensee and shall hold, or cause to be held, a hearing not
21 less than ten days after the giving of such notice.

22 (c) If a registration or license pursuant to the provisions of this
23 article is revoked or suspended by the superintendent, then the super-
24 intendent shall forthwith give notice to the registrant or licensee.

25 (d) The revocation or suspension of any registration or license pursu-
26 ant to the provisions of this article shall terminate forthwith such
27 registration or license and the authority conferred thereby upon all
28 sub-licensees. For good cause shown, the superintendent may delay the
29 effective date of a revocation or suspension to permit the registrant or
30 licensee to satisfy some or all of its contractual obligations to
31 perform pharmacy benefit management services in the state.

32 (e)(1) No individual, corporation, firm or association whose registra-
33 tion or license as a pharmacy benefit manager has been revoked pursuant
34 to subsection (a) of this section, and no firm or association of which
35 such individual is a member, and no corporation of which such individual
36 is an officer or director, and no controlling person of the registrant
37 or licensee shall be entitled to obtain any registration or license
38 under the provisions of this article for a minimum period of one year
39 after such revocation, or, if such revocation be judicially reviewed,
40 for a minimum period of one year after the final determination thereof
41 affirming the action of the superintendent in revoking such license.

42 (2) If any such registration or license held by a firm, association or
43 corporation be revoked, no member of such firm or association and no
44 officer or director of such corporation or any controlling person of the
45 registrant or licensee shall be entitled to obtain any registration or
46 license, or to be named as a sub-licensee in any such license, under
47 this article for the same period of time, unless the superintendent
48 determines, after notice and hearing, that such member, officer or
49 director was not personally at fault in the matter on account of which
50 such registration or license was revoked.

51 (f) If any corporation, firm, association or person aggrieved shall
52 file with the superintendent a verified complaint setting forth facts
53 tending to show sufficient ground for the revocation or suspension of
54 any pharmacy benefit manager's registration or license, and the super-
55 intendent finds the complaint credible, then the superintendent shall,

1 after notice and a hearing, determine whether such registration or
2 license shall be suspended or revoked.

3 (g) The superintendent shall retain the authority to enforce the
4 provisions of and impose any penalty or remedy authorized by this chap-
5 ter against any person or entity who is under investigation for or
6 charged with a violation of this chapter, even if the person's or enti-
7 ty's registration or license has been surrendered, or has expired or has
8 lapsed by operation of law.

9 (h) A registrant or licensee subject to this article shall report to
10 the superintendent any administrative action taken against the regis-
11 trant or licensee in another jurisdiction or by another governmental
12 agency in this state within thirty days of the final disposition of the
13 matter. This report shall include a copy of the order, consent to order
14 or other relevant legal documents.

15 (i) Within thirty days of the initial pretrial hearing date, a regis-
16 trant or licensee subject to this article shall report to the super-
17 intendent any criminal prosecution of the registrant or licensee taken
18 in any jurisdiction. The report shall include a copy of the initial
19 complaint filed, the order resulting from the hearing and any other
20 relevant legal documents.

21 § 2908. Penalties for violations. (a) The superintendent, in lieu of
22 revoking or suspending the registration or license of a registrant or
23 licensee in accordance with the provisions of this article, may in any
24 one proceeding by order, require the registrant or licensee to pay to
25 the people of this state a penalty in a sum not exceeding the greater of
26 (1) one thousand dollars for each offense and two thousand five hundred
27 dollars for each subsequent violation or (2) the aggregate gross
28 receipts attributable to all offenses.

29 (b) Upon the failure of such a registrant or licensee to pay the
30 penalty ordered pursuant to subsection (a) of this section within twenty
31 days after the mailing of the order, postage prepaid, registered, and
32 addressed to the last known place of business of the licensee, unless
33 the order is stayed by an order of a court of competent jurisdiction,
34 the superintendent may revoke the registration or license of the regis-
35 trant or licensee or may suspend the same for such period as the super-
36 intendent determines.

37 § 2909. Stay or suspension of superintendent's determination. The
38 commencement of a proceeding under article seventy-eight of the civil
39 practice law and rules, to review the action of the superintendent in
40 suspending or revoking or refusing to renew any certificate under this
41 article, shall stay such action of the superintendent for a period of
42 thirty days. Such stay shall not be extended for a longer period unless
43 the court shall determine, after a preliminary hearing of which the
44 superintendent is notified forty-eight hours in advance, that a stay of
45 the superintendent's action pending the final determination or further
46 order of the court will not unduly injure the interests of the people of
