AN ACT to amend the tax law, in relation to requiring vendors to establish mandatory escrow accounts for sales taxes collected, establish the mechanism for those accounts and provide the state with the authority to have immediate access to their collected taxes; and to repeal certain provisions of such law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph 1 of subdivision (a) of section 1132 of the tax
2 law, as amended by section 1 of part DDD of chapter 59 of the laws of
3 2019, is amended to read as follows:

4 (1) (i) Except as otherwise permitted in subdivision (d) of section
5 eleven hundred thirty-three of this part, every person required to
6 collect the tax shall collect the tax from the customer when collecting
7 the price, amusement charge or rent to which it applies. If the customer
8 is given any sales slip, invoice, receipt or other statement or memoran-
9 dum of the price, amusement charge or rent paid or payable, the tax
10 shall be stated, charged and shown separately on the first of such docu-
11 ments given to him. The tax shall be paid to the person required to
12 collect it as trustee for and on account of the state.

13 (ii) Every person required to collect the tax shall deposit such tax
14 upon collection into a separate account, in trust for and payable to the
15 commissioner, as provided by subparagraphs (iii) and (iv) of this para-
16 graph at a time and in a manner as determined by the commissioner. All
17 amounts deposited in such account shall be kept in such account until
18 paid over to the commissioner.

19 (iii) If the person required to collect the tax does not accept
20 payments from customers through credit or debit card banking trans-
21 actions, the person required to collect the tax shall establish an
22 account in any banking institution approved by the commissioner and

1 located in this state the deposits in which are insured by an agency of
2 the federal government. The account shall be held in trust for and paya-
3 ble to the commissioner and the amount of such tax collected shall be
4 kept in such account until payment over to the commissioner. The person
5 required to collect the tax shall authorize the commissioner to debit
6 such account in a manner determined by the commissioner.

7 (iv) If the person required to collect the tax accepts payments from
8 customers using credit or debit cards, the person required to collect
9 the tax shall establish a separate escrow account through an approved
10 credit card processing company (ACCPC) and not through an escrow account
11 of the type described in subparagraph (iii) of this paragraph. The
12 commissioner shall by regulation establish standards for approving cred-
13 it card processing companies for opening and establishing ACCPC escrow
14 accounts for persons required to pay the tax. Persons collecting the tax
15 and required to use ACCPC escrow accounts under this subparagraph shall
16 make daily deposits into their ACCPC escrow account that are an estimate
17 of the amount of taxes they collected that day for all of their taxable
18 sales, both those paid in cash and those paid by credit or debit card.
19 To effectuate the deposit, the ACCPC shall deduct the estimated sales
20 taxes owed from the day's credit and debit card transactions before
21 paying over the receipts from such transactions to the person required
22 to collect the tax. The amount deducted shall be determined by multiply-
23 ing the day's credit and debit card sales by an algorithmic rate which
24 shall be determined when the ACCPC escrow account is established and at
25 least once a year thereafter. The algorithmic rate shall represent an
26 estimated calculation of the amount of taxes collected and owed each day
27 for both cash and credit and debit card sales. The calculation of the
28 person's algorithmic rate shall be certified by a certified public
29 accountant licensed in this state, an attorney licensed in this state or
30 an enrolled agent or registered tax return preparer who has been author-
31 ized by the department to certify the algorithmic rate, as an accurate
32 estimate of the ratio of the person's cash to credit transactions and
33 taxable to non-taxable sales. The commissioner shall promulgate regu-
34 lations defining how the algorithmic rate shall be calculated, setting
35 standards for that calculation, and identifying the process by which
36 licensed or registered professionals may be approved or disapproved by
37 the department to certify the accuracy of the algorithmic rate. Amounts
38 deposited in an ACCPC escrow account shall be held in trust for and
39 payable to the commissioner and shall be kept in such accounts until
40 payment over to the commissioner. Persons collecting the tax and
41 required to use an ACCPC escrow account under this subparagraph shall,
42 upon establishing the account, authorize the commissioner to debit such
43 account in a manner and frequency to be determined by the commissioner.

44 § 2. Paragraph 1 of subdivision (a) of section 1134 of the tax law, as
45 amended by section 160 of part A of chapter 389 of the laws of 1997,
46 subparagraph (iii) as amended by section 44 of part K of chapter 61 of
