AN ACT to amend the public health law and the insurance law, in relation to prohibiting health insurers from requiring prior authorization for pre-exposure prophylaxis used to prevent HIV infection

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 4406-c of the public health law is amended by adding a new subdivision 11 to read as follows:

11. A health care plan which provides prescription drug coverage shall not require a prior authorization determination for pre-exposure prophylaxis used to prevent HIV infection. Nothing in this subdivision shall prohibit a health care plan from denying a claim for such services if the services are subsequently determined not medically necessary.

§ 2. Section 3217-b of the insurance law is amended by adding a new subsection (m) to read as follows:

(m) An insurer which provides prescription drug coverage shall not require a prior authorization determination for pre-exposure prophylaxis used to prevent HIV infection. Nothing in this subsection shall prohibit an insurer from denying a claim for such services if the services are subsequently determined not medically necessary.

§ 3. Section 4325 of the insurance law is amended by adding a new subsection (n) to read as follows:

(n) A corporation organized under this article which provides prescription drug coverage shall not require a prior authorization determination for pre-exposure prophylaxis used to prevent HIV infection. Nothing in this subsection shall prohibit a corporation
