2021-2022 Regular Sessions

IN ASSEMBLY

January 11, 2021

Introduced by M. of A. DINOWITZ, GOTTFRIED, REYES -- read once and referred to the Committee on Economic Development

AN ACT to amend the general business law, in relation to actions or practices that establish or maintain a monopoly or restraint of trade, and in relation to authorizing a class action lawsuit in the state anti-trust law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Twenty-2 First Century Anti-Trust Act".

3 § 2. Legislative findings. The legislature hereby finds and declares that there is great concern for the growing accumulation of power in the 4 5 hands of large corporations. While technological advances have improved society, these companies possess great and increasing power over all б 7 aspects of our lives. Over one hundred years ago, the state and federal 8 governments identified these same problems as big businesses blossomed after decades of industrialization. Seeing those problems, the state 9 10 and federal governments enacted transformative legislation to combat cartels, monopolies, and other anti-competitive business practices. It 11 is time to update, expand and clarify our laws to ensure that these 12 13 large corporations are subject to strict and appropriate oversight by 14 the state. The legislature further finds and declares that unilateral 15 actions which seek to create a monopoly are as harmful as contracts or agreements of multiple parties to do the same and should be treated 16 similarly under the law. After monopolies have been established, it is 17 18 typically too late to repair or mitigate the damage which has been done. 19 Accordingly, mere attempts to create monopolies should also be treated 20 as actions contrary to the interests of the people of the state of New 21 York and should be penalized accordingly. The legislature further finds 22 and declares that anti-competitive practices harm great numbers of citi-
