- 3. The mandatory surcharge provided for in subdivision one of this section shall be paid to the clerk of the court that rendered the conviction. Within the first ten days of the month following collection of the mandatory surcharge the collecting authority shall determine the amount of mandatory surcharge collected and, if it is a town or village justice court, it shall pay such money to the state comptroller who shall deposit such money in the state treasury pursuant to section one hundred twenty-one of the state finance law to the credit of the criminal justice improvement account established by section ninety-seven-bb of the state finance law. Any person who has paid a mandatory surcharge under the authority of this section which is ultimately determined not to be required by this section shall be entitled to a refund of such mandatory surcharge upon application to the state comptroller. The state comptroller shall require such proof as it is necessary in order to determine whether a refund is required by law.
