A. 2057--B 2

c. "Fiscal officer" shall mean the commissioner; except for covered excavation projects performed pursuant to a permit issued by a city with a population in excess of one million in which case the "fiscal officer" shall be the comptroller or other analogous officer of such city.

- d. "Utility company" shall have the same meaning as subdivision twenty-three of section two of the public service law.
- 2. Each utility company, or its contractors or subcontractors, shall be required to shall be required to pay not less than the prevailing rate of wage in the same trade or occupation in the locality within the state where such covered excavation project is situated to each laborer, worker, or mechanic in the employ of the utility company, or its contractors or subcontractors, performing work on the project in accordance with sections two hundred twenty and two hundred twenty-b of this article. No permit shall be issued for a covered excavation project until an agreement confirming the payment of wages as required by this section has been contractually mandated and filed with the department of jurisdiction, and all permits issued after the effective date of this section shall include therein a copy of this section.
- 3. The enforcement of any covered excavation project pursuant to this section shall be subject to the requirements of sections two hundred twenty, two hundred twenty-a, two hundred twenty-b, two hundred twenty-three and two hundred twenty-four-b of this article and section two hundred twenty-seven of this chapter and within the jurisdiction of the fiscal officer; provided, however, nothing contained in this section shall be deemed to construe any covered excavation project as otherwise being considered public work pursuant to this article.
- 4. Notwithstanding the provisions of any general, special or local law, or judicial decision to the contrary, a covered excavation project shall exclude any construction work performed under a pre-hire collec-tive bargaining agreement between the utility company or its contractors and subcontractors and a bona fide building and construction trade labor organization which has established itself as the collective bargaining representative for laborers, workers, or mechanics who will perform work on such a project, and which provides that only contractors and subcon-tractors who sign a pre-negotiated agreement with the labor organization can perform work on such a project, or construction work performed under a labor peace agreement, project labor agreement, or any other construction work performed under an enforceable agreement between a utility company or contractor and a bona fide building and construction trade labor organization.
- 5. The fiscal officer may issue rules and regulations governing the provisions of this section. Any violation of this section shall be grounds for determinations and orders pursuant to section two hundred twenty-b of this article.
- 45 § 3. This act shall take effect on the thirtieth day after it shall 46 have become a law and shall apply to all contracts for construction 47 executed and permits issued on or after such date.
