AN ACT to amend the public health law, in relation to the closure of hospitals or emergency or maternity departments

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "local  
2 input in community healthcare act".

3 § 2. The public health law is amended by adding a new section 2801-h  
4 to read as follows:

5 § 2801-h. Closure of hospitals and certain hospital departments. 1.  
6 Notwithstanding any provision of law to the contrary, the closure of a  
7 general hospital or an emergency or maternity department, or surrender  
8 of an operating certificate pursuant to this article shall be subject to  
9 review and approval by the commissioner.

10 2. (a) When a facility applies to the commissioner for the closure of  
11 a general hospital or an emergency or maternity department, the facility  
12 must include a closure plan, including:

13 (1) the anticipated impact of the general hospital's or department's  
14 closure on access to health care services by members of the surrounding  
15 communities, including but not limited to recipients of medical assist-  
16 ance for needy persons, the uninsured, and underserved populations  
17 including people with disabilities;

18 (2) specific measures the facility and other parties have taken or  
19 would take to ameliorate such anticipated impact on the communities;

20 (3) any further recommendations regarding access to health care  
21 services in communities impacted by the closure; and

22 (4) efforts to identify an alternate operator or efforts to request  
23 that the state assess its ability to assume financial responsibility.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 (b) No later than thirty days after receipt of an application for  
2 closure of a general hospital the commissioner shall submit a written  
3 notification to the county executive or president of the borough within  
4 which the facility is located, the congressional representative for the  
5 district in which the facility is located, and the state senator and the  
6 assembly member representing the area within which the facility is  
7 located, the city or county department of health, and where applicable,  
8 the community board or the city council member representing the area  
9 within which the facility is located. Such written notification shall  
10 include:

11 (1) a complete copy of the hospital or department closure plan; and

12 (2) complete copies of the application or request for closure.

13 (c) The commissioner shall also make a full copy of such notification  
14 available to the public on the department's website.

15 (d) The commissioner shall also notify the public of such application  
16 for closure through a press release and the posting of a notice at the  
17 affected hospital.

18 3. Upon any decision by the commissioner to approve or reject an  
19 application for closure of a general hospital or an emergency or mater-  
20 nity department, the commissioner shall make available to the public on  
21 the department's website a written report including:

22 (a) a summary of the issues and proposals raised pursuant to subdivi-  
23 sion one of section twenty-eight hundred one-g of this article;

24 (b) a statement of the reasons why any significant alternative  
25 proposals made pursuant to subdivision one of section twenty-eight  
26 hundred one-g of this article were or were not incorporated into the  
27 final closure plan;

28 (c) a description of any changes made to the proposed closure plan as  
29 a result of the issues or proposals raised pursuant to subdivision one  
30 of section twenty-eight hundred one-g of this article;

31 (d) the anticipated impact of the general hospital's or department's  
32 closure on access to health care services by members of the surrounding  
33 community, including but not limited to, recipients of medical assist-  
34 ance for needy persons, the uninsured, and underserved populations  
35 including people with disabilities;

36 (e) the specific measures the facility, the department and other  
37 parties have taken or will take to ameliorate the anticipated impact;

38 (f) an assessment of the ability of the state to assume financial  
39 responsibility or identify an alternate operator;

40 (g) any further recommendations regarding access to health care  
41 services in communities impacted by the general hospital's or emergency  
42 or maternity department's closure;

43 (h) information about transitional medical services to the impacted  
44 communities, including but not limited to arrangements for continuity of  
45 care; and

46 (i) a complete copy of the proposed decision of the commissioner  
47 regarding the closure of the hospital or emergency or maternity depart-  
48 ment, including all proposed terms, conditions and plans for providing  
49 health services to the affected communities and populations.

50 4. The commissioner may only approve the application if he or she  
51 reasonably determines that the needs of the community and impacted  
52 stakeholders, including but not limited to access to emergency medical  
53 care, can be adequately met.

54 5. No closure shall be approved under this section unless the commis-  
55 sioner complies with the provisions of this section and the provisions  
56 of section twenty-eight hundred one-g of this article.

1 6. The commissioner shall promulgate any rules necessary to effectuate  
2 the provisions of this section.

3 § 3. Section 2801-g of the public health law, as added by chapter 541  
4 of the laws of 2010, is amended to read as follows:
