8 3. All public elementary and secondary schools shall begin teaching  
9 the model environmental curriculum established pursuant to this section  
10 in the first school year following certification by the commissioner  
11 that such curriculum has been established.

12 4. a. The commissioner shall develop age-appropriate curriculum  
13 resources and technical assistance for schools to provide to students in  
14 all elementary and secondary schools to carryout the provisions of this  
15 section.

16 b. The department shall make the model curriculum and model curriculum  
17 resources publicly available electronically on the department's internet  
18 website.

19 5. School authorities shall provide the needed facilities, time and  
20 place for the instruction set forth in this section and shall provide  
21 learning aids and curriculum resource materials which contribute to  
22 effective teaching methods and learning in education in regards to the  
23 model environmental curriculum.

24 6. a. The commissioner shall update the model environmental curriculum  
25 every four years following the establishment of such curriculum.

26 b. Such update shall be based on current scientific, technical and  
27 social knowledge.

28 § 2. This act shall take effect on the first of July next succeeding  
29 the date on which it shall have become a law.
