- AN ACT to amend the public health law and the education law, in relation to directing the commissioners of education and health to establish rules and regulations for the treatment and monitoring of students of school districts, boards of cooperative educational services and nonpublic schools who exhibit signs or symptoms of sudden cardiac arrest

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Short title. This act shall be known and may be cited as
2	the "Dominic Murray sudden cardiac arrest prevention act".
3	§ 2. Section 206 of the public health law is amended by adding a new
4	subdivision 31 to read as follows:
5	31. The commissioner shall develop information that is reviewed by the
б	commissioner of education related to students who exhibit signs or symp-
7	toms of pending or increased risk of sudden cardiac arrest. Such infor-
8	mation shall include, but not be limited to, the definition of sudden
9	cardiac arrest, signs and symptoms of sudden cardiac arrest, and guide-
10	lines for a student's participation in interscholastic athletics after
11	exhibiting signs or symptoms of pending or increased risk of sudden
12	cardiac arrest. Such information shall be posted on the department's
13	website.
14	§ 3. The education law is amended by adding a new section 923 to read
15	as follows:
16	§ 923. Sudden cardiac arrest. a. The commissioner shall review the

17 information developed by the commissioner of health required by subdivi-

sion thirty-one of section two hundred six of the public health law to 1 assist in the education and awareness of the signs and symptoms of pend-2 3 ing or increased risk of sudden cardiac arrest. Such information shall 4 be posted on the department's website. In addition, each school shall be 5 required to include such information reviewed by the department and б developed by the department of health in any permission form or parent 7 or person in parental relation consent form or similar document that may 8 be required for a student's participation in interscholastic athletics 9 and shall also include such information, or reference how to obtain such 10 information from the department and the department of health's websites, 11 on the school's website, if one exists. b. The commissioner shall promulgate rules and regulations that 12 13 authorize school districts, in their discretion, to establish a sudden 14 cardiac arrest management team. Such management team shall be composed 15 of an athletic director, a school nurse, a school physician, a coach of the interscholastic team, an athletic trainer or other appropriate 16 personnel as designated by the school or school district. Provided 17 further, every sudden cardiac arrest management team may establish and 18 19 implement a program that annually provides information on sudden cardiac 20 arrest to parents or persons in parental relation. In developing such 21 rules and regulations, the commissioner shall consider input from stakeholders and other interested parties including, but not limited to, 22 parents, teachers, students, school administrators, school athletic 23 24 trainers, coaches, medical and health professionals, the public schools 25 athletic league (PSAL), the New York state public high school athletic 26 association (NYSPHSAA), and other athletic associations. 27 § 4. Subdivision 1 of section 3001-b of the education law, as added by 28 chapter 498 of the laws of 1991, is amended to read as follows: 29 1. On and after the effective date of this section, in addition to any 30 provision of law or rule or regulation of the department related to the 31 requirements necessary for teachers within the public school systems, 32 whether certified in physical education or not, to coach any extra-class 33 athletic activity, it shall be required of such teachers, except as provided in subdivision two of this section, to hold a valid certificate 34 35 of completion of a course of study in first aid knowledge and skills 36 offered by [the American National Red Cross] a nationally recognized 37 organization, as defined in paragraph (d) of subdivision one of section 38 three thousand-b of the public health law and approved by the commis-39 sioner, or to meet equivalent requirements as certified by the commissioner. Any such course of study or equivalent requirements must include 40 instruction in recognizing signs and symptoms of cardiac arrest and 41 42 sudden cardiac arrest and the administration of adult cardiopulmonary 43 resuscitation. Prior to the start of each sports season, coaches must 44 provide valid evidence to their chief school officer that their first 45 aid and adult cardiopulmonary resuscitation knowledge and skills are 46 current pursuant to the requirements established by [the American 47 National Red Cross] a nationally recognized organization, as defined in paragraph (d) of subdivision one of section three thousand-b of the 48 49 public health law or that they meet equivalent requirements as certified 50 by the commissioner. § 5. Subdivision 1 of section 3001-c of the education law, as added by 51 52 chapter 39 of the laws of 1994, is amended to read as follows: 53 1. On and after the effective date of this section, it shall be 54 required of coaches of high school extra-class athletic activities in a 55 nonpublic school system, except as provided in subdivision two of this

section, to hold a valid certificate of completion of a course of study
