(2) The commissioner shall promulgate regulations by December thirty-first, two thousand twenty-two to establish procedures for the allocation of tax credits as required. Such rules and regulations shall include provisions describing the application process, the due dates for such applications, the standards which shall be used to evaluate the applications, the documentation that will be provided to taxpayers to substantiate to the commissioner the amount of tax credits allocated to such taxpayers, and such other provisions as deemed necessary and appropriate. § 2. The tax law is amended by adding a new section 45 to read as follows:

§ 45. Upstate reinvestment zones tax credit. (a) A taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by articles nine-A and twenty-two of this chapter for the development to upstate reinvestment zones including, but not limited to, the qualified purchase of buildings and qualified rehabilitation expenditures of buildings in such zones where at least fifty percent of the square footage of such buildings, at the time of purchase or rehabilitation, is vacant or otherwise unused. The amount of the credit shall be twenty percent of the qualified purchase and qualified rehabilitation expenditures of buildings and rehabilitations in such zones with such credit subject to restrictions set forth in subdivision (d) of this section. This credit will not be allowed if the qualified purchase of buildings and qualified rehabilitation expenditures of buildings that are the basis for this credit are included in the calculation of another credit claimed by the taxpayer under this chapter.

(b) For the purpose of this section, the term "qualified purchase" shall mean the cost or other basis for federal income tax purposes of acquisition cost of building for which depreciation is allowed under section one hundred sixty-eight of the internal revenue code and which is (1) nonresidential property, (2) residential property, or (3) an addition or improvement to property described in paragraph (1) or (2) of this subdivision. The term "qualified rehabilitation expenditures" shall mean qualified expenditures as defined in paragraph (2) of subsection (c) of section forty-seven of the internal revenue code.

(c) For the purpose of this section, the term "upstate reinvestment zones" shall mean an area: (i) that, according to the most recent American community survey by the United States census bureau, lies within a census tract with a poverty rate equal to or greater than twenty percent or an unemployment rate that is equal to or greater than one and one-half percent times the national average unemployment rate and (ii) is within the incorporated boundaries of a village, town or city having a population of less than one million.

(d) The sum of all tax credits granted pursuant to the provisions of this section shall not exceed five hundred thousand dollars for any one taxpayer including such party's affiliates and related entities for a taxable year. If the taxpayer is a partner in a partnership, member of a limited liability company or shareholder of a New York S corporation, then the annual limit by the preceding sentence shall be applied at the entity level, so that the aggregate credit allowed to all the partners, members or shareholders of each such entity in the taxable year does not exceed the five hundred thousand dollar annual limit.

(e) (1) The aggregate amount of tax credits allowed under this section, in any taxable year shall be ten million dollars. Such aggregate amount of credits shall be allocated by the commissioner of economic development among taxpayers in the order in which applications are received. (f) The credit allowed under this section for any taxable year shall not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this chapter. Provided, however, that if the amount of the credit allowable under this section for any taxable year reduces the tax to such amount, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided further, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

(g) The taxpayer may be required to attach to its tax return its certificate of eligibility issued by the commissioner of economic devel-
