§ 3. Subdivisions 2 and 3 of section 421-f of the real property tax law, as amended by chapter 590 of the laws of 1994, subparagraph (ii) of paragraph (a) of subdivision 2 and subdivision 3 as further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, are amended to read as follows:

- 2. (a) Such buildings shall be exempt for a period of one year to the extent of one hundred per centum of the increase in assessed value thereof attributable to such reconstruction, alteration or improvement, and new construction pursuant to subdivision one-a of this section, and for an additional period of seven years subject to the following:
- (i) The extent of such exemption shall be decreased by twelve and one-half per centum of the "exemption base" each year during such additional period. The "exemption base" shall be the increase in assessed value as determined in the initial year of the term of the exemption, except as provided in subparagraph (ii) of this paragraph.
- (ii) In any year in which a change in level of assessment of fifteen percent or more is certified for a final assessment roll pursuant to the rules of the commissioner, the exemption base shall be multiplied by a 19 fraction, the numerator of which shall be the total assessed value of 20 the parcel on such final assessment roll (after accounting for any phys-21 ical or quantity changes to the parcel since the immediately preceding assessment roll), and the denominator of which shall be the total 22 assessed value of the parcel on the immediately preceding final assess-23 ment roll. The result shall be the new exemption base. The exemption 24 shall thereupon be recomputed to take into account the new exemption base, notwithstanding the fact that the assessor receives certification 27 of the change in level of assessment after the completion, verification and filing of the final assessment roll. In the event the assessor does 28 not have custody of the roll when such certification is received, the assessor shall certify the recomputed exemption to the local officers 30 31 having custody and control of the roll, and such local officers are 32 hereby directed and authorized to enter the recomputed exemption certi-33 fied by the assessor on the roll. The assessor shall give written notice 34 such recomputed exemption to the property owner, who may, if he or 35 she believes that the exemption was recomputed incorrectly, apply for a correction in the manner provided by title three of article five of this 37 chapter for the correction of clerical errors.
 - [Such] Except in a special assessing unit that is not a city, such exemption shall be limited to eighty thousand dollars in increased market value, or such other sum less than eighty thousand dollars, but not less than five thousand dollars as may be provided by the local law or resolution, of the property attributable to such reconstruction, alteration or improvement and any increase in market value greater than such amount shall not be eligible for the exemption pursuant to this section. In a special assessing unit that is not a city, the exemption shall be limited to seven hundred fifty thousand dollars in increased market value. For the purposes of this section, the market value of the reconstruction, alteration or improvement, or new construction as authorized by subdivision one-a of this section, shall be equal to the increased assessed value attributable to such reconstruction, alteration [ex], improvement or new construction divided by the class [1] one ratio in a special assessing unit or the most recently established state equalization rate or special equalization rate in the remainder of state, except where the state equalization rate or special equalization rate equals or exceeds ninety-five percent, in which case the increase in assessed value attributable to such reconstruction, alteration [ex],

- (b) [No] Except in a special assessing unit that is not a city, no such exemption shall be granted for reconstruction, alterations or improvements unless:

 - 7. (a) [A] Except for a special assessing unit that is not a city, a county, city, town or village may, by its local law, or school district, by its resolution:
