AN ACT to amend the public lands law, in relation to certain state-leased or state-owned lands

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 19-a of the public lands law is amended by adding a new subdivision 2-b to read as follows:

2-b. (1) Notwithstanding any provision of this section to the contrary, in addition to state aid otherwise payable pursuant to this section, there shall be payable to any city located in a county in which there has been constructed a state office building project known as the W. Averell Harriman State Office Building Campus (more specifically identified on the assessment roll of such city as section, lot and block numbers 53.00-1-2 and 53.00-1-9, respectively), state aid payable annually, in an amount equal to 1.75 percent of such aggregate assessed values of such state office building project as it appeared on the two thousand nine final assessment roll of such city.

(2) Such payments shall be for city purposes only, and shall begin on June first, two thousand twenty-one and shall be payable for a period of ten years. For greater certainty, such city's assessments for the properties described in paragraph one of this subdivision are to remain at such two thousand nine total assessed values, i.e. six hundred sixty-three million nine hundred fifty thousand nine hundred dollars and ten million four hundred nineteen thousand six hundred dollars, respectively, throughout such ten year period, provided, however, if any portion of the property is sold by the state of New York during this period, then the sale price of such sale shall be deducted from its appropriate above referenced total assessed value on the next succeeding assessment roll, and such reduced total assessed value shall become the new basis for determining the annual payment for that and each succeeding year thereafter.

§ 2. This act shall take effect immediately.
