January 22, 2021

Introduced by M. of A. PRETLOW -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public service law and the state finance law, in relation to enacting the accessible electronic information act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "accessible electronic information act".

3 § 2. Legislative finding. The National Federation of the Blind estab-
4 lished the NFB-NEWSLINE to increase the ability of visually impaired
5 individuals to receive information provided by newspapers, magazines,
6 journals and other print media which are traditionally unavailable in a
7 limited electronic broadcast. Since 2002, this vital service has
8 provided visually impaired New Yorkers with information on job listings,
9 self-help magazines, do-it-yourself guides, political magazines, several
10 newspapers, TV guide listings, and other literary necessities that all
11 sighted New Yorkers have enjoyed. This legislation provides a stable
12 means to bring NEWSLINE to New York.

13 § 3. The public service law is amended by adding a new section 92-j to
14 read as follows:

15 § 92-j. Accessible electronic information; blind and disabled persons.
16 1. A qualified not-for-profit entity capable of providing such service
17 shall provide an accessible electronic information service for eligible
18 blind and disabled persons. This service shall be planned for continua-
19 tion from year to year and make maximum use of federal, state, private
20 and other funds available, including obtaining grant or in-kind support
21 from appropriate programs and securing access to low-cost interstate
22 rates for telecommunications by reimbursement or otherwise.

23 2. As used in this section, the following terms shall have the follow-
24 ing meanings, unless otherwise indicated:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
