CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing an amendment to section 12 of article 3 of the constitution, in relation to conference committees

Section 1. Resolved (if the Senate concur), That section 12 of article 3 of the constitution be amended by adding a new undesignated paragraph 3 to read as follows:

4 Upon the engrossment of a bill in a different form by both houses, a 5 conference committee shall be formed by appointment of four members from each house by the presiding officers thereof to serve on a conference 7 committee. The committee shall endeavor to reach a compromise between the two draft bills, and may only deliberate on those issues that differ 9 in the drafts engrossed by the two houses. The committee's deliberations 10 shall take place in public forum, and it shall report the result of its deliberations in the form of a bill. A new draft bill resulting from the 11 12 committee's deliberations may receive a new bill number. Any items of appropriation in a new or amended bill may not exceed the higher of such 13 14 items from either of the separately engrossed bills. Reports of a 15 conference committee cannot be changed or amended by either house, but 16 must be accepted or rejected in whole, in the form in which made. Rejection of a conference committee report by both houses shall result 17 in the creation of a new conference committee composed in the manner set 18 19 forth above, which may make any alterations necessary to reach agreement between the two engrossed bills, and report its deliberations to both 20 21 houses for the question upon its final passage.

§ 2. Resolved (if the Senate concur), That the foregoing amendments be 23 referred to the first regular legislative session convening after the next succeeding general election of members of the assembly, and, in conformity with section 1 of article 19 of the constitution, be 26 published for 3 months previous to the time of such election.
