1 b. (i) Annually on or before July first, each for-profit institution
2 of higher education shall report to the department all information
3 regarding subparagraphs (i) through (vi) of paragraph a of this subdivi-
4 sion necessary for the commissioner to establish and maintain the data-
5 base pursuant to paragraph a of this subdivision. The commissioner shall
6 promulgate rules and regulations regarding the form and content of such
7 report.

8 (ii) The commissioner shall utilize all information reported by a
9 for-profit institution of higher education and information publicly
10 available from the federal government and any other source as deemed
11 necessary by such commissioner to carry out the provisions of this
12 subdivision.

13 c. (i) The commissioner shall devise a method for assigning and
14 publishing a letter grade to every for-profit institution of higher
15 education based upon the information contained in the database estab-
16 lished pursuant to this subdivision. Such grade shall be updated annu-
17 ally.

18 (ii) Each for-profit institution of higher education shall prominently
19 display on its website the letter grade most recently assigned to such
20 institution pursuant to subparagraph (i) of this paragraph.

21 d. The commissioner shall transmit all the information developed
22 pursuant to this subdivision to the state director of the division of
23 veterans' services.

24 e. As used in this subdivision, the following terms shall have the
25 following meanings:

26 (i) "For-profit institution of higher education" means a school that:

27 (1) provides a program leading to an associates or baccalaureate
28 degree;

29 (2) is legally authorized in New York state to provide a program of
30 education beyond secondary education; and

31 (3) is neither a public or non-profit institution.

32 (ii) "Graduation rate of veterans" means the number of veteran
33 students at a for-profit institution of higher education who received
34 certificates, diplomas, or degrees in the program during the latest two
35 calendar years, divided by the number of veteran students who enrolled
36 in the program during the latest two calendar years. The graduation rate
37 of veterans shall be determined within one hundred eighty days from the
38 end of each calendar year and shall be calculated separately for
39 students admitted as freshmen and students who transfer in.

40 (iii) "Graduate placement rate of veterans" means the number of veter-
41 an students obtaining full-time (at least thirty-two hours per week),
42 non-temporary employment in the field of study during the latest two
43 calendar years for which the for-profit institution of higher education
44 has obtained verification, divided by the number of all veteran students
45 graduating from the program during the latest two calendar years. The
46 graduate placement rate shall be determined within one hundred eighty
47 days from the end of each calendar year and shall be calculated sepa-
48 ately for veteran students admitted as freshmen and students who trans-
49 fer in.

50 (iv) "Total placement rate of veterans" means the product of the grad-
51 uate placement rate of veterans and the graduation rate of veterans.
52 The total placement rate shall be determined within one hundred eighty
53 days from the end of each calendar year.

54 (v) "Median cumulative debt amount" means the median amount of cumula-
55 tive debt, including private, institutional, and federal, incurred by a

1 veteran student who attended a for-profit institution of higher educa-
2 tion whether or not they completed a program at such institution.

3 (vi) "Average amount borrowed" means the average amount of private,
4 institutional, and federal, loans a veteran student who attended a for-
5 profit institution of higher education borrows to enroll in a program at
6 such institution.

7 (vii) "Post school earnings" means the sum of any wages, deferred
8 compensation and self-employment earnings.

9 (viii) "Cohort default rate" means the percentage of a for-profit
10 institution of higher education's veteran borrowers who enter repayment
11 on any private, institutional and federal loans during the fiscal year
12 and default within the cohort default period. Cohort default rate shall
13 be calculated for the periods of three years, five years and ten years.

14 (ix) "Veteran" shall mean a person who served in and who has received
15 an honorable or general discharge from, the United States army, navy,
16 air force, marines, coast guard, and/or reserves thereof, and/or the
17 army national guard, air national guard, New York guard and/or New York
18 naval militia.

19 § 2. Section 353 of the executive law is amended by adding a new
20 subdivision 14-b to read as follows:

21 14-b. To make available to veterans seeking post secondary education,
22 the information developed by the commissioner of education pursuant to
23 subdivision fifty-nine of section three hundred five of the education
24 law. The division shall post such information on its website and shall
25 provide assistance to veterans in evaluating educational opportunities
26 at for-profit institutions of higher education based upon the informa-
27 tion and grading system developed by the commissioner of education.

28 § 3. This act shall take effect on the first of January next succeed-
29 ing the date on which it shall have become a law. Effective immediately,
30 the addition, amendment and/or repeal of any rule or regulation neces-
31 sary for the implementation of this act on its effective date are
32 authorized to be made and completed on or before such effective date.
