Introduced by M. of A. SILLITTI -- read once and referred to the Committee on Energy

AN ACT to amend the public authorities law, in relation to enacting the "Long Island public school solar and geothermal act"; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

## 1 Section 1. This act shall be known and may be cited as the "Long 2 Island public school solar and geothermal act".

3 § 2. Section 1854 of the public authorities law is amended by adding a 4 new subdivision 22 to read as follows:

22. a. To make grants from amounts appropriated therefor, in amounts 5 of two hundred thousand dollars, to fifty public school districts б 7 located within the county of Nassau or the county of Suffolk, to provide 8 such school districts with funding for the purchase and installation of 9 photovoltaic solar panels or ground source heat pump systems within such 10 district. Grants shall be made upon application by such school districts to the authority in a manner and form to be determined by the authority. 11 12 In order to be eligible for a grant for the installation of photovoltaic 13 solar panels pursuant to this subdivision, such application shall 14 include a plan proposed by the school district providing for the installation of photovoltaic solar panels on a minimum of fifty percent of 15 such school district's suitable roof space on buildings that are eligi-16 ble for state building aid. Grants shall be made available for a period 17 18 of thirty months from the successful application of a school district. 19 b. No school district that receives a grant pursuant to paragraph a of

20 this subdivision shall be subject to a reduction in state education aid 21 due to moneys saved by the school district as a result of lower utility 22 costs resulting from the purchase and installation of photovoltaic solar 23 panels or ground source heat pump systems pursuant to paragraph a of
