STATE OF NEW YORK

3656

2021-2022 Regular Sessions

IN ASSEMBLY

January 28, 2021

Introduced by M. of A. GRIFFIN, SOLAGES, DARLING -- read once and referred to the Committee on Governmental Operations

AN ACT in relation to directing the New York state comptroller and the New York Public Service Commission to conduct a feasibility study on supplying public water to all of New York American Water customers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. a. The New York state comptroller, in conjunction with the New York Public Service Commission, shall conduct a feasibility study and prepare a report on supplying public water service to New York American Water customers. Such study shall explore the overall costs of such public water service, and establish a cost-effective and efficient method of providing such public water service. Such study shall also establish whether converting to public water service would result in decreased cost and increased quality of water service for current New York American Water customers.

b. Within one year of the effective date of this act, the New York state comptroller and the New York Public Service Commission shall issue a report of the findings of the feasibility study to the governor, the temporary president of the senate and the speaker of the assembly.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
