thirteen. Any increase in assessed value from the preceding year in excess of the physical increase reflected in the current assessed value, such physical increase limited as provided in the preceding sentence, shall be subject to the limitations on increases provided in subdivisions one, two and three of section eighteen hundred five of this article. In no event shall the assessed value of the affected real property appearing on an assessment roll completed for any given year from two thousand fifteen to two thousand ~~twenty~~ twenty-three exceed what the assessed value would have been that year but for any physical decreases or physical increases reflected in the assessed values on the assessment rolls completed from two thousand thirteen to two thousand ~~twenty~~ twenty-three.
