§ 2. Subdivision 4 of section 400.00 of the penal law, as amended by chapter 242 of the laws of 2019, is amended to read as follows:

4. Investigation. Before a license is issued or renewed, there shall be an investigation of all statements required in the application by the duly constituted police authorities of the locality where such application is made, including but not limited to such records as may be accessible to the division of state police or division of criminal justice services pursuant to section 400.02 of this article. For that purpose, the records of the appropriate office of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police authority. Where the applicant is domiciled in a foreign state, the investigation shall include inquiry of the foreign state for records

1 concerning the previous or present mental illness of the applicant, and,
2 to the extent necessary for inspection by the investigating officer, the
3 applicant shall execute a waiver of confidentiality of such record in
4 such form as may be required by the foreign state. In order to ascertain
5 any previous criminal record, the investigating officer shall take the
6 fingerprints and physical descriptive data in quadruplicate of each
7 individual by whom the application is signed and verified. Two copies of
8 such fingerprints shall be taken on standard fingerprint cards eight
9 inches square, and one copy may be taken on a card supplied for that
10 purpose by the federal bureau of investigation; provided, however, that
11 in the case of a corporate applicant that has already been issued a
12 dealer in firearms license and seeks to operate a firearm dealership at
13 a second or subsequent location, the original fingerprints on file may
14 be used to ascertain any criminal record in the second or subsequent
15 application unless any of the corporate officers have changed since the
16 prior application, in which case the new corporate officer shall comply
17 with procedures governing an initial application for such license. When
18 completed, one standard card shall be forwarded to and retained by the
19 division of criminal justice services in the executive department, at
20 Albany. A search of the files of such division and written notification
21 of the results of the search to the investigating officer shall be made
22 without unnecessary delay. Thereafter, such division shall notify the
23 licensing officer and the executive department, division of state
24 police, Albany, of any criminal record of the applicant filed therein
25 subsequent to the search of its files. A second standard card, or the
26 one supplied by the federal bureau of investigation, as the case may be,
27 shall be forwarded to that bureau at Washington with a request that the
28 files of the bureau, including the No Fly List maintained by the Terror-
29 ist Screening Center, be searched and notification of the results of the
30 search be made to the investigating police authority. Of the remaining
31 two fingerprint cards, one shall be filed with the executive department,
32 division of state police, Albany, within ten days after issuance of the
33 license, and the other remain on file with the investigating police
34 authority. No such fingerprints may be inspected by any person other
35 than a peace officer, who is acting pursuant to his or her special
36 duties, or a police officer, except on order of a judge or justice of a
37 court of record either upon notice to the licensee or without notice, as
38 the judge or justice may deem appropriate. Upon completion of the inves-
39 tigation, the police authority shall report the results to the licensing
40 officer without unnecessary delay.

41 § 3. This act shall take effect immediately.
