AN ACT to amend the canal law, in relation to maintaining bridges in a manner to not impede commercial motor vehicles

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 62 of the canal law, as amended by chapter 335 of the laws of 2001, is amended to read as follows:

2 3 § 62. Maintenance by state of certain bridges over the canal system. All highway or pedestrian, lift or movable bridges over the canal system other than highway bridges connecting parts of a state highway heretofore constructed as a part of the barge canal improvement shall be reconstructed, improved, maintained and repaired at the expense of the 8 state, [if in the opinion of the commissioner of transportation, the public convenience requires such bridges to be maintained where no 9 10 alternate crossing has been provided in a manner so as not to impede 11 commercial motor vehicles as defined in subdivision four-a of section two of the transportation law. In the event the commissioner of trans-13 portation determines that any such bridge is no longer required for the 14 convenience of the public, he shall have power to close, remove or relocate such bridge, provided at least one public hearing shall be 16 conducted in the community or communities where the bridge to be closed or removed is located. The commissioner of transportation shall have 17 the supervision and direction of such reconstruction, improvement, main-18 19 tenance, repair, closing, removing or relocation. All bridges over the 20 canal system other than lift, movable, pedestrian or state highway 21 bridges heretofore constructed as part of the barge canal improvement 22 shall be reconstructed, improved, maintained and repaired at the expense 23 of the state under the supervision and direction of the commissioner of 24 transportation, if, in his opinion, the public convenience requires that
