1 spread outbreak of the coronavirus commonly known as COVID-19. The
2 legislature further finds that the outbreak of COVID-19 has exacerbated
3 the health risks associated with being homeless and that there is a need
4 for increased funding to provide permanent housing for homeless individ-
5 uals and families as an essential part of the state's efforts to miti-
6 gate the threat of COVID-19 to public health. The legislature further
7 finds that providing funding for individuals, families and households to
8 pay rent that they would otherwise have difficulty paying will promote
9 the stability and proper maintenance of the housing stock and assist
10 communities in recovering from the adverse social and economic effects
11 of the COVID-19 outbreak.

(b) Notwithstanding any other provision of this section, the commissioner shall consider to be homeless any individual or family who is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions in the individual's or family's current housing situation, including where the health and safety of children are jeopardized, and who have no other residence and lack the resources or support networks to obtain other permanent housing.

The commissioner, as soon as practicable and subject to the appropriation of funds for this purpose, shall implement a program of rental assistance in the form of emergency vouchers for those eligible pursuant to section six hundred three of this article. The commissioner may delegate the administration of portions of this program to any state agency, public housing agency, city, county, town, or non-profit organization in accordance with the provisions of this article. The commissioner shall delegate the administration of this program for the city of New York to a public housing agency or agencies operating solely in the city of New York. Any state agency, public housing agency, city, county, town, or non-profit organization delegated to administer this program shall receive an administrative fee to cover the costs of administration. The commissioner may provide technical or administrative support to assist any state agency, public housing agency, city, county, town, or non-profit organization to provide emergency rental assistance related to the outbreak of COVID-19 with funding allocated by the federal government to such public housing agency, city, county, or town, or non-profit organization.

2. Pursuant to 8 U.S.C. 1621(d), any individual, family, or household who would be eligible but for 8 U.S.C. 1621(a) for state or local bene-

1 fits for emergency rental assistance shall be eligible for such benefits
2 during the covered period, and for a period of up to two years if such
3 individual, family, or household becomes eligible for such benefits due
4 to homelessness.

5 § 603. Eligibility. The commissioner shall promulgate standards for
6 determining eligibility for this program.

7 1. An individual, family or household shall be eligible for this
8 program if:

9 (a) the individual, family, or household is a tenant or occupant in
10 their primary residence in the state of New York, including both tenants
11 and occupants of dwelling units and manufactured home tenants and
12 proprietary leaseholders of co-operative dwelling units, their monthly
13 rent obligation is greater than thirty percent of their current monthly
14 adjusted income, their current monthly adjusted income is less than one
15 hundred twenty percent of the area median income as adjusted for family
16 size, and during the covered period:

17 (i) the individual, family, or household suffered a financial hardship
18 due to loss of income, as determined in a manner prescribed by the
19 commissioner in consultation with the department of taxation and
20 finance; or

21 (ii) an individual or member of the family or household became unem-
22 ployed, and qualified for unemployment;

23 (b) the individual, family, or household is at risk of homelessness
24 during the covered period or within ninety days after the covered peri-
25 od; or

26 (c) the individual, family, or household is homeless during the
27 covered period or within ninety days after the covered period.

28 2. In addition to the eligibility criteria in subdivision one of this
29 section, the commissioner may promulgate limits on assets as part of any
30 determination of eligibility for this program.

31 3. An individual or family in receipt of rental assistance under this
32 program shall no longer be financially eligible for assistance when:

33 (a) the individual's, family's or household's monthly income has been
34 restored to an amount equal to or greater than the individual's, fami-
35 ly's or household's income prior to the loss referenced in subparagraph

36 (i) of paragraph (a) of subdivision one of this section;

37 (b) the individual's, family's, or household's monthly rent obligation
38 is no longer greater than thirty percent of their monthly adjusted
39 income;

40 (c) the individual, family, or household has received rental assist-
41 ance for the greater of six months or the duration of the covered peri-
42 od. However, those individuals, families or households who receive
43 assistance pursuant to paragraph (c) of subdivision one of this section
44 shall be eligible until they have received two years of rental assist-
45 ance.

46 4. Any individual, family or household in receipt of rental assistance
47 under this program shall be obligated to report all changes of ten
48 percent or more of their monthly income while participating in the
49 program in order to maintain eligibility.

50 5. The commissioner shall establish preferences prioritizing individ-
51 uals, families or households with the greatest economic and social need
52 in processing applications for this program. Such preferences shall
53 account for at a minimum:

54 (a) the historical income level of the individual, family or household
55 as it relates to the area median income;

1 (b) the current adjusted income of the individual, family, or house-
2 hold as it relates to the area median income;

3 (c) the rent burden of the individual, family or household;

4 (d) the percentage of income lost by the individual, family or house-
5 hold;

6 (e) the individual or a member of the family or household's status as
7 a victim of domestic violence; and

8 (f) whether the individual, family or household was homeless or at
9 risk of homelessness during the covered period or within ninety days
10 after the covered period.

11 6. The commissioner shall promulgate standards by which any entity
12 designated to administer this program pursuant to subdivision one of
13 section six hundred two of this article shall issue a preliminary deter-
14 mination of eligibility upon initial receipt of the application, if it
15 is practicable to do so without unduly impeding implementation of the
16 program. Any such preliminary determination shall not be binding on the
17 commissioner or any entity designated to administer this program and
18 shall not excuse any existing statutory or contractual obligations of
19 the landlord or the applicant individual, family, or household.

20 7. Eviction proceedings for rental arrears that would be eligible for
21 coverage under this program cannot be commenced against an individual,
22 family or household who has applied for this program unless or until a
23 determination of ineligibility is made. If eviction proceedings are
24 commenced against an individual, family or household who subsequently
25 applies for benefits under this program, all proceedings for missed rent
26 payments during the covered period shall be stayed until a determination
27 of ineligibility has been made.

28 8. Any ambiguity in eligibility criteria promulgated by the commis-
29 sioner shall be resolved in favor of the applicant when determining
30 eligibility.

31 9. Any information collected about an individual, family or household
32 in the process of determining eligibility shall solely be used for the
33 purposes of determining eligibility and shall not be shared with any
34 other governmental agency.

35 10. An individual, family or household shall not be eligible for this
36 program if they live in housing owned or managed by a public housing
37 authority or receive rental assistance from a program in which their
38 rental obligation is adjusted to be no greater than thirty percent of
39 their income when their income decreases.

40 11. An individual full-time college student or family or household
41 consisting exclusively of full-time college students is ineligible for
42 this program unless each individual in the family or household satisfies
43 the following conditions:

44 (a) the individual shall have established a household separate from
45 his or her parents or legal guardians for at least one year prior to
46 application for admission or shall meet the United States department of
47 education's definition of independent student; and

48 (b) the individual shall not be claimed as a dependent by his or her
49 parents or legal guardians pursuant to internal revenue service (IRS)
50 regulations.

51 12. Applicants shall not be expected or required to repay any assist-
52 ance granted through this program unless otherwise required by law.
53 Assistance shall not be considered income for purposes of public bene-
54 fits or other public assistance. There shall be no requirement on appli-
55 cants to seek assistance from other sources, including charitable
56 contributions, for eligibility.

1 § 604. Payment of emergency vouchers. 1. The emergency voucher shall
2 be paid directly to the owner of the dwelling unit or manufactured home
3 park occupied by the voucher recipient for rent due from the voucher
4 recipient and any rental arrears owed that were not paid for which the
5 recipient would otherwise have been eligible pursuant to section six
6 hundred three of this article. Any arrears payment shall be equal to
7 the amount for which the recipient would have been eligible as deter-
8 mined by section six hundred six of this article.

9 2. Acceptance of vouchers as payment for rent due or rental arrears
10 shall constitute agreement by the recipient:

11 (a) to waive any late fees due on any rental arrears;

12 (b) to keep constant the monthly rent due for the dwelling unit such
13 that it shall remain the amount that was due at the time of application
14 to the program for any and all months for which the voucher is accepted
15 as payment; and

16 (c) at the option of the tenant, to extend any lease or rental agree-
17 ment for the use and occupancy of the applicable dwelling unit that
18 expired or is due to expire during the covered period or sixty days
19 following the expiration of the covered period to a date at least sixty
20 days from the expiration of the covered period under the terms of the
21 lease or rental agreement existing prior to the expiration of the lease
22 or rental agreement. Where the dwelling unit that is the subject of the
23 lease or rental agreement contains four or fewer units, the landlord may
24 decline to extend the lease or tenancy if the landlord intends to imme-
25 diately occupy the unit for the landlord's personal use or the use of an
26 immediate family member as a primary residence.

27 § 605. Rental obligation. 1. The monthly rental obligation of each
28 recipient shall be thirty percent of the monthly adjusted income of the
29 individual, family, or household.

30 2. If an individual, family or household shares a dwelling or manufac-
31 tured home with one or more individuals who are not part of their family
32 or household, the monthly rental obligation of the individual, family or
33 household shall be calculated using the portion of the individual, fami-
34 ly's or household's rent for which they are responsible rather than the
35 entire rent for the shared dwelling unit or manufactured home.

36 § 606. Assistance payment. 1. The amount of the monthly rental assist-
37 ance payment with respect to any dwelling unit or manufactured home
38 shall be the difference between the monthly contractual or statutory
39 rent for the unit or home and and thirty percent of the individual,
40 family or household's adjusted income.

41 2. Notwithstanding subdivision one of this section, the maximum
42 monthly assistance payment for the individual, family or household shall
43 be the difference between the rental obligation established in section
44 six hundred five of this article, up to two hundred fifty percent of the
45 fair market rent for the rental area or in accordance to any
46 restrictions that may apply to funding provided for this purpose.

47 3. In addition to any rental assistance payments, the commissioner
48 shall also authorize the full payment of utilities for any recipient
49 individual, family or household for the time period during which the
50 individual, family or household qualifies for rental assistance pursuant
51 to section six hundred three of this article. Any such payments shall be
52 paid directly to the utility provider. For the purposes of this
53 section, utility payments shall encompass all payments the individual,
54 family or household is obligated to pay for gas, electricity, heat,
55 water, sewer, and solid waste disposal services.

1 § 607. Verification of income and assets. The commissioner shall
2 establish procedures that are appropriate and necessary to assure that
3 information regarding income, and assets to the extent necessary to
4 determine eligibility, provided by individuals, families and households,
5 applying for or receiving assistance under this article is complete and
6 accurate. Verification may include without limitation: paycheck stubs,
7 earning statements, tax records, W-2 forms, written statements from a
8 former or current employer, telephone or in-person contact with a former
9 or current employer, statements or affidavits signed by the applicant,
10 or other methods approved by the commissioner.

11 § 608. Housing assistance payment contracts for units newly rented for
12 homeless individuals and families. 1. A housing assistance payment
13 contract shall be entered into between the relevant agency administering
14 this program and the owner of a dwelling unit when the voucher recipient
15 qualified for the program by being homeless. The housing assistance
16 payment contract entered into pursuant to this section shall establish
17 the maximum monthly rent (including utilities and all maintenance and
18 management charges) the owner is entitled to receive for each dwelling
19 unit with respect to which such assistance payments are to be made. Each
20 housing assistance payment contract entered into by the agency adminis-
21 tering this program and the owner of a dwelling unit shall provide:

22 (a) that the lease between the tenant and the owner shall be for a
23 term of not less than one year;

24 (b) that the dwelling unit owner shall offer leases to tenants
25 assisted under this article that:

26 (i) are in a standard form used in the locality by the dwelling unit
27 owner; and

28 (ii) contain terms and conditions that:

29 (A) are consistent with federal, state, and local law; and

30 (B) apply generally to tenants in the property who are not assisted
31 under this article;

32 (iii) shall provide that during the term of the lease, the owner shall
33 not terminate the tenancy except for serious or repeated violation of
34 the terms and conditions of the lease, for violation of applicable state
35 or local law, or for other good cause; and

36 (iv) shall provide that any termination of tenancy under this section
37 shall be preceded by the provision of written notice by the owner to the
38 tenant specifying the grounds for that action, and any relief shall be
39 consistent with applicable state and local law; and

40 (c) that any unit under an assistance contract originated under this
41 article shall only be occupied by the individual or family designated in
42 said contract and shall be the designated individual or family's primary
43 residence. Contracts shall not be transferable between units and shall
44 not be transferable between recipients. An individual or family may
45 transfer their voucher to a different unit under a new contract pursuant
46 to this article.

47 2. (a) For the homeless, the rent for dwelling units for which a hous-
48 ing assistance payment contract is established under this subdivision
49 shall be reasonable in comparison with rents charged for comparable
50 dwelling units in the private, unassisted local market.

51 (b) An agency administering this program shall, at the request of an
52 individual or family receiving tenant-based assistance under this subdivi-
53 sion, assist that individual or family in negotiating a reasonable
54 rent with a dwelling unit owner. "Reasonable rent" shall mean rent not
55 more than the rent charged on comparable units in the private unassisted
56 market and rent charged for comparable unassisted units in the premises.

1 Such agency shall review the rent for a unit under consideration by the
2 individual or family (and all rent increases for units under lease by
3 such individual or family) to determine whether the rent (or rent
4 increase) requested by the owner is reasonable. If an agency administer-
5 ing this program determines that the rent (or rent increase) for a
6 dwelling unit is not reasonable, the agency shall not make housing
7 assistance payments to the owner under this subdivision with respect to
8 that unit.

9 (c) Each agency administering this program shall make timely payment
10 of any amounts due to a dwelling unit owner under this subdivision. The
11 housing assistance payment contract between the owner and the agency
12 administering this program may provide for penalties for the late
13 payment of amounts due under the contract, which shall be imposed on the
14 agency in accordance with generally accepted practices in the local
15 housing market.

16 3. If an assisted individual or family vacates a dwelling unit for
17 which rental assistance is provided under a housing assistance payment
18 contract before the expiration of the term of the lease for the unit,
19 rental assistance pursuant to such contract may not be provided for the
20 unit after the month during which the unit was vacated.

21 4. Any voucher issued pursuant to this section for a homeless individ-
22 ual or family may be used for housing anywhere in the state. The rele-
23 vant agency administering this program shall inform voucher holders that
24 a voucher may be used anywhere in the state and, to the extent practica-
25 ble, shall assist voucher holders in finding housing in the area of
26 their choice.

27 § 609. Inspection of units newly rented for homeless individuals and
28 families. 1. Initial inspection. (a) In general. For each dwelling unit
29 for which a housing assistance payment contract is established, the
30 agency administering this program shall inspect the unit before any
31 assistance payment is made to determine whether the dwelling unit meets
32 the housing quality standards under subdivision two of this section,
33 except as provided in paragraphs (b) or (c) of this subdivision. Howev-
34 er, the commissioner may waive this inspection requirement to the extent
35 necessary to protect public health or expedite implementation of this
36 program.

37 (b) Correction of non-life-threatening conditions. In the case of any
38 dwelling unit that is determined, pursuant to an inspection under para-
39 graph (a) of this subdivision, not to meet the housing quality standards
40 under subdivision two of this section, assistance payments may be made
41 for the unit, notwithstanding subdivision three of this section, if
42 failure to meet such standards is a result only of non-life-threatening
43 conditions, as such conditions are established by the commissioner. An
44 agency making assistance payments pursuant to this paragraph for a
45 dwelling unit shall, thirty days after the beginning of the period for
46 which such payments are made, withhold any assistance payments for the
47 unit if any deficiency resulting in noncompliance with the housing qual-
48 ity standards has not been corrected by such time. The agency shall
49 recommence assistance payments when such deficiency has been corrected,
50 and may use any payments withheld to make assistance payments relating
51 to the period during which payments were withheld.

52 (c) Use of alternative inspection method for interim period. In the
53 case of any property that within the previous twenty-four months has met
54 the requirements of an inspection that qualifies as an alternative
55 inspection method pursuant to subdivision four of this section, an agen-
56 cy administering this program may authorize occupancy before the

1 inspection under paragraph (a) of this subdivision has been completed,
2 and may make assistance payments retroactive to the beginning of the
3 lease term after the unit has been determined pursuant to an inspection
4 under paragraph (a) of this subdivision to meet the housing quality
5 standards under subdivision two of this section. This paragraph may not
6 be construed to exempt any dwelling unit from compliance with the
7 requirements of subdivision four of this section.

8 2. Housing quality standards. The housing quality standards under this
9 subdivision are standards for safe and habitable housing established:

10 (a) by the commissioner for purposes of this subdivision; or

11 (b) by local housing codes or by codes adopted by public housing agen-
12 cies that:

13 (i) meet or exceed housing quality standards, except that the commis-
14 sioner may waive the requirement under this subparagraph to significant-
15 ly increase access to affordable housing and to expand housing opportu-
16 nities for individuals or families assisted under this subdivision,
17 except where such waiver could adversely affect the health or safety of
18 individuals or families assisted under this subdivision; and

19 (ii) do not severely restrict housing choice.

20 3. Inspection. The determination required under subdivision one of
21 this section shall be made by the agency administering this program
22 pursuant to an inspection of the dwelling unit conducted before any
23 assistance payment is made for the unit. Inspections of dwelling units
24 under this subdivision shall be made before the expiration of the
