(f) "Electronic signature" shall have the same meaning as set forth in subdivision three of section three hundred two of the state technology law.

- 2. Identifying document signers. (a) The methods for identifying document signers for an electronic notarization shall be the same as the methods required for a paper-based notarization; provided, however, an electronic notarization conducted utilizing communication technology shall meet the standards which have been approved through regulation by the secretary of state as acceptable. Such regulations shall include, but not be limited to:
- 11 (i) that the signal transmission shall be secure from interception 12 through lawful means by anyone other than the persons communicating;
 - (ii) that the signal transmission shall be live, in real time; and
- (iii) that the technology shall permit the notary to communicate with and identify the remotely located individual at the time of the notarial act.
 - (b) If video and audio conference technology has been used to ascertain a document signer's identity, the electronic notary shall keep a copy of the recording of the video and audio conference and a notation of the type of any other identification used. The recording shall be maintained for a period of at least ten years from the date of transaction.
 - 3. Registration requirements. (a) Before performing any electronic notarial act or acts, a notary public shall register the capability to notarize electronically with the secretary of state in a form prescribed by the secretary of state.
 - (b) In registering the capability to perform electronic notarial acts, the notary public shall provide the following information to the secretary of state, notary processing unit:
- 30 <u>(i) the applicant's name as currently commissioned and complete mail-</u>
 31 <u>ing address;</u>
- 32 <u>(ii) the expiration date of the notary public's commission and signa-</u>
 33 <u>ture of the commissioned notary public;</u>
 - (iii) the applicant's e-mail address;
- 35 <u>(iv) the description of the electronic technology or technologies to</u>
 36 <u>be used in attaching the notary public's electronic signature to the</u>
 37 <u>electronic document; and</u>
- 38 (v) an exemplar of the notary public's electronic signature, which 39 shall contain the notary public's name and any necessary instructions or 40 techniques that allow the notary public's electronic signature to be 41 read.
 - 4. Types of electronic notarial acts. (a) Any notarial act authorized by section one hundred thirty-five of this article may be performed electronically as prescribed by this section if: (i) under applicable law that document may be signed with an electronic signature; and (ii) the electronic notary public is located within the state of New York at the time of the performance of an electronic notarial act using communication technology, regardless of the location of the document signer.
- (b) An electronic notarial act performed using communication technology pursuant to this section satisfies any requirement of law of this state that a document signer personally appear before, be in the presence of, or be in a single time and place with a notary public at the time of the performance of the notarial act.
- 5. Form and manner of performing the electronic notarial act. (a) When
 performing an electronic notarial act, a notary public shall apply an
 electronic signature, which shall be attached to the electronic document

- (ii) capable of independent verification;
 - (iii) retained under the notary public's sole control;
- (iv) attached to the electronic document; and
- (v) linked to the date in such a manner that any subsequent alter-13 ations to the underlying document are detectable and may invalidate the 14 electronic notarial act.
 - (c) The notary public's electronic signature shall be used only for the purpose of performing electronic notarial acts.
 - (d) The remote online notarial certificate for an electronic notarial act shall state that the person making the acknowledgement or making the oath appeared remotely online.
 - (e) The secretary shall adopt rules necessary to establish standards, procedures, practices, forms, and records relating to a notary public's electronic signature. The notary public's electronic signature shall conform to any standards adopted by the secretary.
 - Recording of an electronic record. (a) If otherwise required by law as a condition for recording that a document be an original document, printed on paper or another tangible medium, or be in writing, the requirement is satisfied by paper copy of an electronic record that complies with the requirements of this section.
 - (b) If otherwise required by law as a condition for recording, that a document be signed, the requirement may be satisfied by an electronic
 - (c) A requirement that a document or a signature associated with a document be notarized, acknowledged, verified, witnessed, or made under oath is satisfied if the electronic signature of the person authorized to perform that act, and all other information required to be included, is attached to or logically associated with the document or signature. A physical or electronic image of a stamp, impression, or seal need not accompany an electronic signature if the notary has attached an electronic notarial certificate that meets the requirements of this section.
 - 7. Change of e-mail address. Within five days after the change of an electronic notary public's e-mail address, the notary public shall electronically transmit to the secretary of state a notice of the change, signed with the notary public's official electronic signature.
- 44 8. No notary public or business employing the services of a notary 45 public operating in the state of New York shall exclusively require 46 notarial transactions to utilize electronic notarization.
 - § 2. Section 136 of the executive law is amended by adding a new subdivision 3 to read as follows:
- 3. For electronic notarial services, established in section one 49 hundred thirty-seven-a of this chapter, a fee set through regulation by 50 51 the secretary of state.
- § 3. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amend-54 ment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made on or before such effective date.
