AN ACT to amend the public health law, in relation to establishing a special needs assisted living program to serve persons with neurodegenerative diseases

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 4655 of the public health law, as added by chapter 2 of the laws of 2004, is amended by adding a new subdivisions 7 to read as follows:

7. (a) The department shall establish a special needs assisted living program to serve persons with neurodegenerative diseases (such as dementia or Parkinson's disease) with behavior disturbances, as defined by the diagnostic and statistical manual of mental disorders or the international classifications of diseases.

(i) Such program will be limited to no more than ten sites, each limited to no more than ten residential beds and in addition may include two respite beds.

(ii) There shall be no more than five residents per site upon admission, who are in need of twenty-four-hour skilled nursing care or medical care which would otherwise require placement in a hospital or nursing home.

(iii) All residents must have been declined admission or readmission by a nursing home or be an admission requested by a lawful representative of the resident. In addition, a physician or nurse practitioner
