AN ACT to amend the education law, in relation to aid for coordinated collection development grants for public and non-profit independent colleges and universities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The formula directing state aid to  
2 public and private academic and research libraries has not been adjusted  
3 since 1984. During that time prices of published academic materials have  
4 outpaced inflation, often rising at a rate of more than three times that  
5 of inflation. The state provides aid to these libraries for the purpose  
6 of improving access and resources in a coordinated manner. This program  
7 needs an adjustment in its formula if the goals of quality and accessi-  
8 ble scholarship are to be maintained. Therefore, it is in the best  
9 interests of the state, its citizens and long-term academic and economic  
10 prospects to support modernization of the coordinated collection devel-  
11 opment aid (CCDA) formula.

12 § 2. Subdivision 5 of section 273 of the education law, as amended by  
13 section 3 of part 0 of chapter 57 of the laws of 2005, is amended to  
14 read as follows:

15 5. Coordinated collection development program for public and nonprofit  
16 independent colleges and universities.

17 a. Libraries of public and nonprofit independent colleges and univer-  
18 sities are entitled to receive annual funding for a coordinated

21 (2) Their resources are made available to the public, through full  
22 participation in the interlibrary loan and other resource sharing
