5 to purchase unappropriated state land for a purpose set forth in subpar-

9 between the office of general services and such local government;

10 (v) the offer to purchase any such unappropriated state land made to  
11 any municipality in which such real property is situated shall not  
12 constitute a right to purchase and such offer may be withdrawn by the  
13 commissioner of general services at any time.

14 (b) If the unappropriated state land is located within an incorporated  
15 village, the commissioner of general services shall first offer such  
16 land to the incorporated village. The governing body of such village  
17 shall exercise its right to purchase such land for a purpose set forth  
18 in subparagraph (i) or (ii) of paragraph (a) of this subdivision within

28 village but the village does not exercise its right as set forth in  
29 paragraph (b) of this subdivision, the commissioner of general services  
30 shall offer such land to the town. The governing body of such town shall  
31 exercise its right to purchase such land for a purpose set forth in  
32 subparagraph (i) or (ii) of paragraph (a) of this subdivision within  
33 ninety days after receipt of such written offer from the office of  
34 general services or within any greater length of time that may be  
35 provided for in a written agreement between the office of general  
36 services and such town. If the town does not exercise its right to  
37 purchase such land within said time frame, then the commissioner of  
38 general services shall offer the unappropriated land for sale to the  
39 county in which such land is located.

40 (d) If the unappropriated state land is located within a city, the  
41 commissioner of general services shall first offer such land to the  
42 city. The governing body of such city shall exercise its right to  
43 purchase such land for a purpose set forth in subparagraph (i) or (ii)  
44 of paragraph (a) of this subdivision within ninety days after receipt of  
45 such written offer from the office of general services or within any  
46 greater length of time that may be provided for in a written agreement  
47 between the office of general services and such city. If the city does  
48 not exercise its right to purchase the unappropriated state land within  
49 said time frame, then such commissioner shall offer the unappropriated  
50 land for sale to the county in which such land is located.

51 (e) The governing body of such county shall exercise its right to  
52 purchase unappropriated state land for a purpose set forth in subpara-

54 days after receipt of such written offer from the office of general  
55 services or within any greater length of time that may be provided for  
56 in a written agreement between the office of general services and the

1 county. If the county does not exercise its right to purchase the unap-  
2 propriated state land within said time frame, then the commissioner of  
3 general services may dispose of said land in accordance with all appli-  
4 cable laws.

5 (f) The procedure set forth in this subdivision shall supplement any  
6 other procedures in effect with regard to the sale of unappropriated  
7 state land.

8 2. Subject to the provisions of subdivision one of this section, the  
9 commissioner of general services may, from time to time, sell unappro-  
10 priated state lands at public auction or by sealed bids in such parcels  
11 as he deems for the best interests of the state. Previous to every sale,  
12 he or she shall fix the lowest sum at which each lot may be sold, and  
13 shall designate at least one newspaper in the county where the lands to  
14 be sold are situated, in which the commissioner shall cause notice of  
15 the time, place and description of sale to be published, at least once a  
16 week for four weeks, successively, before the sale. Such notice need not  
17 be published in any other paper or papers, and any statute requiring  
18 additional publication of notices or advertisements by state officers or  
19 a department, board, bureau or commission of the state shall not apply  
20 to such notice. The commissioner may designate a representative of his  
21 or her office to conduct such sale. All such sales shall be held at the  
22 county seat of the county where the property is situated, unless other-  
23 wise directed by the commissioner.

24 Upon such sales of unappropriated state land to a purchaser procured  
25 by any licensed real estate broker and the payment of the purchase price  
26 in the amount offered by such broker in behalf of the purchaser, the  
27 commissioner of general services is authorized to pay, subject to such  
28 terms and conditions as the commissioner may prescribe, a commission to  
29 such broker out of monies available therefor. Uniform rates of commis-  
30 sion shall, from time to time, be fixed by the commissioner but shall  
31 not exceed six percentum of the purchase price. No commission shall be  
32 paid for the procuring of any sale unless (1) written authority of the  
33 broker to make such offer on a form acceptable to the commissioner,  
34 signed by the person for whom he or she is acting, shall be filed with  
35 the commissioner before the day of the sale and unless (2) the broker  
36 shall furnish to the commissioner evidence in such form and extent as he  
37 may require establishing that the purchaser was procured as the result  
38 of the broker's services. In no event shall a broker who is paid a  
39 commission by the commissioner as herein provided accept any other  
40 commission or fee from any person or source for brokerage services  
41 relating to the sale of such unappropriated state land.

42 ~~[2-]~~ 3. (a) Whenever a street or highway, including any adjacent land  
43 acquired or held by the state in connection with such street or highway,  
44 the title to the bed of which is in the state, shall have been legally  
45 abandoned or closed, in whole or in part, the commissioner of general  
46 services may sell and convey at public auction or by sealed bids at not  
47 less than the appraised value, in such parcels as he or she directs, all  
48 the right, title and interest of the state in such abandoned or closed  
49 street or highway, or the part so abandoned or closed, and in any adja-  
50 cent land acquired or held by the state in connection with such street  
51 or highway; and where, in the judgment of such commissioner, a public  
52 auction is not for the best interests of the state the commissioner, in  
53 his or her discretion, may sell and convey such parcels of said lands at  
54 private sale to the owners of adjacent lands for a price not less than  
55 the appraised value and on such terms and conditions as the commissioner  
56 may impose.

(b) The commissioner of general services may sell and convey parcels of unappropriated state land which (i) do not constitute legal building lots in the municipality in which they are located and (ii) have an appraised value of less than twenty thousand dollars each at private sale to any owner of adjacent lands. Consideration for such sales shall be for a price not less than the appraised value and such additional terms and conditions as the commissioner may deem necessary.

~~[3-]~~ 4. The commissioner of general services is authorized in his or her discretion to sell and convey at private sale upon such terms and conditions as he or she may deem proper, and to remise and quitclaim all the right, title and interest of the state in and to any unappropriated state lands acquired by or through tax sale where it shall appear that such lands are and have been privately occupied under color of title continuously for ten years or where the applicant has, in good faith, a continuous chain of title going back more than ten years from the date of application. Any such sale, if made, shall be to the person or persons claiming title because of such occupation or under such chain of title, and shall be for a consideration not less than the fair market value of the state's interest as determined by the commissioner.

~~[4-]~~ 5. Where a petition is presented to a surrogate's court of this state for an order directing the sale of a decedent's real property for any of the purposes provided for in section one thousand nine hundred two of the surrogate's court procedure act or otherwise, and there is reason to believe that such real property may have escheated to the people of the state of New York, and a final judgment in an action by reason of such escheat, as provided for in section two hundred ~~and~~ one of the abandoned property law, has not been entered, the commissioner of general services may, if it is deemed to be in the best interests of the state, authorize the attorney general to consent to such order for the sale of such real property, either at public auction or by sealed bids or private sale. A deed thereupon executed and delivered pursuant to the terms and provisions of such order, upon such consent of the attorney general, shall be deemed a bar to any claim of title of the people of the state of New York, by virtue of such escheat, in the property so sold, but shall not be deemed to affect any rights that the people of the state of New York may have in or to the proceeds of such sale. Consent, however, to such an order shall not be given in the event the price offered on a proposed private sale of such real property is less than the appraised value thereof as determined by the commissioner of general services.

~~[5-]~~ 6. (a) The commissioner of general services may sell and convey improved, unappropriated state lands by competitive solicitation of offers through a request for proposals or similar method where in his or her judgment, a public auction is not in the best interests of the state. Such solicitation shall document the minimum qualitative and quantitative factors in addition to sale price to be used as criteria in the evaluation of offers and the general manner in which the evaluation process and selection of the most responsive and responsible offeror is to be conducted. Clarifications may be sought from offerors for purposes of assuring a full understanding of responsiveness to the solicitation requirements. Where provided for in the solicitation, revisions may be permitted from all offerors determined to be eligible for award. Disclosure of the content of competing offers, other than statistical tabulations of offers received or of any clarifications or revisions thereto, shall be prohibited prior to award. All offers or separable parts thereof may be rejected.

1 (b) Establishment of the minimum sale price for the competitive solic-  
2 itation shall be based upon a certified appraisal or certified appraisal  
3 report as defined in article six-E of the executive law.

4 (c) The commissioner of general services shall designate at least one  
5 newspaper in the county where the lands to be offered are situate, in  
6 which he or she shall cause a notice of the solicitation to be published  
7 at least once a week for four weeks successively before the date set  
8 forth for receipt of offers.

9 § 2. This act shall take effect immediately.
