- AN ACT to direct the office of fire prevention and control to conduct a study which evaluates the minimum recommended qualifications to becoming a volunteer firefighter

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The office of fire prevention and control shall conduct a
study that examines and evaluates the recommended minimum qualifications
for volunteer firefighters.

4 (a) The type of settings included in the study shall be subject to 5 funds available but include, at minimum, the coursework required to test 6 for the Firefighter certification, or the Firefighter Recruit I and II 7 certifications, as defined in part 426 of title 19 of the New York 8 Codes, Rules and Regulations, the recommended number of hours of train-9 ing, availability of training courses and resources, availability of 10 trainers, and minimum qualifications for trainers.

(b) The study shall take into account factors including, but not limited to: geographical region, prominent industries in that region, demographics of populations and demand for volunteer firefighters.

14 § 2. Within twelve months of the effective date of this act, the 15 office of fire prevention and control shall submit a report detailing 16 the findings of the study to the governor, the temporary president of 17 the senate, and the speaker of the assembly.

18 § 3. This act shall take effect immediately.
