STATE OF NEW YORK

5071

2021-2022 Regular Sessions

IN ASSEMBLY

February 10, 2021

Introduced by M. of A. PAULIN, WALKER -- read once and referred to the Committee on Energy

AN ACT to amend the public service law, in relation to establishing the renewable energy tariff

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public service law is amended by adding a new section 66-q to read as follows:

§ 66-q. Renewable energy tariff. 1. On or before September first, two thousand twenty-one, each combination gas and electric corporation shall file an application with the commission to establish a tariff for the purpose of purchasing electricity that is one hundred percent generated from renewable sources, as defined by the commission and consistent with the most recent state energy plan pursuant to article six of the energy law.

2. On or before January first, two thousand twenty-two, the commission shall, after notice and opportunity for public comment, approve, modify, or reject the tariff.

3. Within sixty days of the commission's approval of a combination gas and electric corporation's tariff filed pursuant to this section, such combination gas and electric corporation shall make the tariff available to customers.

4. The combination gas and electric corporation may at any time propose revisions to a tariff under this section based on changing costs and conditions.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
