12 of schools shall make a written report to the board of education recom-
13 mending for permanent appointment those persons who have been found
14 satisfactory, and such board of education shall immediately thereafter
15 issue to such persons permanent certificates of appointment. Such
16 persons and all others employed in the teaching service of the schools
17 of such city, who have served the full probationary period shall receive
18 permanent certificates to teach issued to them by the certificating
19 authority, except as otherwise provided in subdivision ten-a of this
20 section, and shall hold their respective positions during good behavior
21 and satisfactory teaching service, and shall not be removable except for
22 cause after a hearing as provided by section three thousand twenty-a or
23 section three thousand twenty-b of this chapter.

24 (b) At the expiration of the probationary [~~term~~] period of any persons
25 appointed for such [~~term~~] period on or after July first, two thousand
26 fifteen, the superintendent of schools shall make a written report to
27 the board of education recommending for permanent appointment those
28 persons who have been found competent, efficient and satisfactory and,
29 in the case of a classroom teacher or building principal, who have
30 received [~~composite annual professional performance review ratings~~
31 ~~pursuant to section three thousand twelve c or section three thousand~~
32 ~~twelve d of this chapter, of either effective or highly effective~~]
33 satisfactory annual reviews in at least three of the four preceding
34 years, exclusive of any breaks in service[, ~~provided that, notwithstand-~~
35 ~~ing any other provision of this section to the contrary, when a teacher~~
36 ~~receives an effective and/or highly effective rating in each year of his~~
37 ~~or her probationary service except he or she receives an ineffective~~
38 ~~rating in the final year of his or her probationary period, such teacher~~
39 ~~or principal shall not be eligible for tenure but the board of education~~
40 ~~in its discretion, may extend the teacher's probationary period for an~~
41 ~~additional year; provided, however, that if such teacher or principal~~
42 ~~successfully appealed such ineffective rating, such teacher or principal~~
43 ~~shall immediately be eligible for tenure if the rating resulting from~~
44 ~~the appeal established that such individual has been effective or highly~~
45 ~~effective in at least three of the preceding four years and was not~~
46 ~~ineffective in the final year. At the expiration of the probationary~~
47 ~~period, the classroom teacher or building principal shall remain in~~
48 ~~probationary status until the end of the school year in which such~~
49 ~~teacher or principal has received such ratings of effective or highly~~
50 ~~effective for at least three of the four preceding school years, exclu-~~
51 ~~sive of any breaks in service and subject to the terms hereof, during~~
52 ~~which time a board of education shall consider whether to grant tenure~~
53 ~~for those classroom teachers or building principals who otherwise have~~
54 ~~been found competent, efficient and satisfactory. Provided, however,~~
55 ~~that the board of education may grant tenure contingent upon a classroom~~
56 ~~teacher's or building principal's receipt of a minimum rating in the~~

~~final year of the probationary period, pursuant to the requirements of this section, and if such contingency is not met after all appeals have been exhausted, the grant of tenure shall be void and unenforceable and the teacher's or principal's probationary period may be extended in accordance with this subdivision~~]. Such persons who have been recommended for tenure and all others employed in the teaching service of the schools of such school district who have served the full probationary period [~~as extended~~] pursuant to this subdivision shall hold their respective positions during good behavior and efficient and competent service, and shall not be removable except for cause after a hearing as provided by section three thousand twenty-a or section three thousand twenty-b of this chapter. Failure to maintain certification as required by this chapter and the regulations of the commissioner shall constitute cause for removal.

(a) In a city having a population of one million or more, recommendations for appointment to the teaching service shall be from the first three persons chosen by random selection from the qualifying eligible lists prepared by the chancellor. Competitive eligible lists in existence at the time of enactment of this subdivision shall not be merged and any such lists shall be exhausted or have expired before nominations are made from a qualifying list of a subsequent date promulgated hereunder. Qualifying eligible lists for supervisory positions shall be merged with any subsequently promulgated lists in the same license area so that there shall be one continuing non-expiring eligible list for each license area. No competitive eligible list shall remain in force for a longer period than four years, nor have a life of less than three years. No competitive eligible list now in force shall terminate any sooner than four years from the date on which it was promulgated. The board of education, on the recommendation of the chancellor shall designate, subject to the other provisions of this chapter, the kind and grades of licenses which shall be required for service as principal, branch principal, director, supervisor or teacher of a special branch, head of department, assistant, school psychiatrist, school psychologist, school medical inspector, school social worker, school social caseworker, school secretary, industrial or trade helper in vocational schools, school librarian, laboratory assistant, or any other position of the teaching staff together with the academic and professional qualifications required for each kind or grade of license. No person required to have a license under the provisions of this chapter in order to be employed in a position who does not have such license shall have any claim for salary, except that a person who has been assigned to teach in a subject or field not specifically covered in [~~his~~] their license but on the same rank or level of service shall be entitled to [~~his~~] their salary.

11. In a city [~~have~~] having a population of one million or more, the board of education, subject to the approval of the commissioner of education, shall have power to authorize the superintendent of schools to assign any teacher employed to teach any subject or subjects other than any specific subject for which such teacher is licensed. No such assignment shall be made unless the superintendent of schools shall have certified that such teacher is competent to teach the assigned subject or subjects. The superintendent of schools with the approval of the board of education, shall have power to make rules and regulations in relation to ascertainment of competency of teachers to teach such assigned subject or subjects. The assignment of a teacher to teach any such assigned subject shall not operate to change the rank or level of

1 such teacher from that which [~~he or she~~] **they** occupied prior to such
2 assignment.

3 16. In the city school district of the city of New York, the board of
4 education shall ascertain prior to August first, nineteen hundred sixty,
5 and annually thereafter the number of appointments which will be
6 required for the duration of not less than a term of the ensuing school
7 year by reason of leaves of absence granted to members of the teaching
8 staff serving on tenure. The board shall thereupon establish and make
9 appointments to positions of replacement teachers in a number which,
10 including any such teachers already serving as a result of earlier
11 appointment, shall be at least equal, if possible, and, if not, as near-
12 ly as possible, to two-thirds of the minimum number of such teachers
13 expected to be absent on leave at any one time. Such positions shall
14 constitute a pool from which the board shall assign teachers to replace
15 the teachers who are absent on leave. Appointments to such positions of
16 replacement teachers shall be made from the appropriate eligible lists
17 for the positions for which such replacement teachers will be required
18 as determined by the board. Such positions of replacement teachers shall
19 be in all respects permanent positions in the school system and persons
20 duly appointed by the board to such positions shall be entitled to the
21 rights of tenure and retirement accruing to persons serving in other
22 permanent teaching positions, except that no replacement teacher shall
23 be entitled to the special limitation of the probationary period to one
24 year provided for certain teachers by subdivision one of this section.
25 Upon acceptance of appointment as replacement teacher, the name of each
26 such appointee shall be placed on a preferred eligible list as a candi-
27 date for appointment to any permanent teaching position for which he
28 holds a valid license and such candidates shall be entitled to appoint-
29 ment from such preferred eligible list in order of their placement on
30 such list. At any time when the total number of positions of replacement
31 teacher in such pool exceeds the total number of teachers who will be
32 absent on leave for the ensuing term of school, the board may abolish
33 positions in such pool which are in excess of the number of teachers to
34 be absent on leave as aforesaid, or may use replacement teachers in such
35 pool instead of substitute teachers to replace teachers who are absent
36 for shorter periods than one term. Whenever a particular replacement
37 teacher cannot be used to replace any teacher who is absent on leave for
38 a full term, [~~he~~] **they** may similarly be used to replace teachers who are
39 absent for shorter periods. Nothing herein contained shall be construed
40 as preventing the appointment of regular substitute teachers to replace
41 teachers absent on leave when no persons holding positions created
42 pursuant to this subdivision are available for such replacement.

43 17. In the city school district of the city of Buffalo, the board of
44 education shall, within sixty days of the effective date of this subdivi-
45 sion and annually prior to August first of each year thereafter,
46 ascertain the number of appointments which will be required for the
47 duration of not less than a term of the ensuing school year by reason of
48 leaves of absence granted to members of the teaching staff serving on
49 tenure. The board shall thereupon establish and make appointments to
50 positions of replacement teachers in a number which, including any such
51 teachers already serving as a result of earlier appointment, shall be
52 equal, if possible, or as nearly as possible, to two-thirds of the mini-
53 mum number of such teachers expected to be absent on leave at any one
54 time. Such positions shall constitute a pool from which the board shall
55 assign teachers to replace the teachers who are absent on leave. Such
56 positions of replacement teachers shall be in all respects permanent

positions in the school system and persons duly appointed by the board to such positions shall be entitled to the rights of tenure and retirement accruing to persons serving in other permanent teaching positions, except that no replacement teacher shall be entitled to the special limitation of the probationary period to one year provided for certain teachers by subdivision one of this section. Upon acceptance of appointment as replacement teacher, the name of each such appointee shall be placed on a preferred eligible list as a candidate for appointment to any permanent teaching position for which ~~[he or she holds]~~ they hold a valid license and such candidates shall be entitled to appointment from such preferred eligible list in order of their placement on such list. At any time when the total number of positions of replacement teacher in such pool exceeds the total number of teachers who will be absent on leave for the ensuing term of school, the board may abolish positions in such pool which are in excess of the number of teachers to be absent on leave as aforesaid, or may use replacement teachers in such pool instead of substitute teachers to replace teachers who are absent for shorter periods than one term. Whenever a particular replacement teacher cannot be used to replace any teacher who is absent on leave for a full term, ~~[he or she]~~ they may similarly be used to replace teachers who are absent for shorter periods. Nothing herein contained shall be construed as preventing the appointment of regular substitute teachers to replace teachers absent on leave when no persons holding positions created pursuant to this subdivision are available for such replacement.

§ 3. Section 3012 of the education law, as amended by section 4 of subpart D of part EE of chapter 56 of the laws of 2015, subparagraph ii of paragraph (b) of subdivision 1 as amended by chapter 345 of the laws of 2019, is amended to read as follows:

§ 3012. Tenure: certain school districts. 1. (a) i. Teachers and all other members of the teaching staff of school districts, including common school districts and/or school districts employing fewer than eight teachers, other than city school districts, who are appointed prior to July first, two thousand fifteen, shall be appointed by the board of education, or the trustees of common school districts, upon the recommendation of the superintendent of schools, for a probationary period of three years, except that in the case of a teacher who has rendered satisfactory service as a regular substitute for a period of up to two years or as a seasonally licensed per session teacher of swimming in day schools who has served in that capacity for a period of up to two years and has been appointed to teach the same subject in day schools, on an annual salary, the probationary period shall be ~~[limited to one year]~~ reduced proportionately based upon the length of the satisfactory service; provided, however, that in the case of a teacher who has been appointed on tenure in another school district within the state, the school district where currently employed, or a board of cooperative educational services, and who was not dismissed from such district or board as a result of charges brought pursuant to subdivision one of section three thousand twenty-a or section three thousand twenty-b of this article, the probationary period shall not exceed two years. The service of a person appointed to any ~~[of]~~ such positions may be discontinued at any time during such probationary period, on the recommendation of the superintendent of schools, by a majority vote of the board of education or the trustees of a common school district.

ii. Teachers and all other members of the teaching staff of school districts, including common school districts and/or school districts employing fewer than eight teachers, other than city school districts,

1 who are appointed on or after July first, two thousand fifteen, shall be
2 appointed by the board of education, or the trustees of common school
3 districts, upon the recommendation of the superintendent of schools, for
4 a probationary period of four years, except that in the case of a teach-

6 period of two years and, if a classroom teacher, has received satisfac-

8 those years, or has rendered satisfactory service as a seasonally
9 licensed per session teacher of swimming in day schools who has served
10 in that capacity for a period of up to two years and has been appointed
11 to teach the same subject in day schools, on an annual salary, the
12 teacher shall be appointed [~~for~~] to a probationary period [~~of two years~~]
13 reduced proportionately based upon the length of the satisfactory
14 service; provided, however, that in the case of a teacher who has been
15 appointed on tenure in another school district within the state, the
16 school district where currently employed, or a board of cooperative
17 educational services, and who was not dismissed from such district or
18 board as a result of charges brought pursuant to subdivision one of
19 section three thousand twenty-a or section three thousand twenty-b of
20 this article, the teacher shall be appointed for a probationary period
21 of three years; provided that, in the case of a classroom teacher, the
22 teacher demonstrates that [~~he or she~~] they received [~~an annual profes-~~
23 ~~sional performance~~] a satisfactory review [~~rating pursuant to section~~
24 ~~three thousand twelve-c or section three thousand twelve-d of this chap-~~
25 ~~ter~~] in [~~his or her~~] their final year of service in such other school
26 district or board of cooperative educational services. The service of a
27 person appointed to any of such positions may be discontinued at any
28 time during such probationary period, on the recommendation of the
29 superintendent of schools, by a majority vote of the board of education
30 or the trustees of a common school district.

31 (b) i. Principals, administrators, supervisors and all other members
32 of the supervising staff of school districts, including common school
33 districts and/or school districts employing fewer than eight teachers,
34 other than city school districts, who are appointed prior to July first,
35 two thousand fifteen, shall be appointed by the board of education, or
36 the trustees of a common school district, upon the recommendation of the
37 superintendent of schools for a probationary period of three years. The
38 service of a person appointed to any of such positions may be discontin-
39 ued at any time during the probationary period on the recommendation of
40 the superintendent of schools, by a majority vote of the board of educa-
41 tion or the trustees of a common school district.

42 ii. Principals, administrators, supervisors and all other members of
43 the supervising staff of school districts, including common school
44 districts and/or school districts employing fewer than eight teachers,
45 other than city school districts, who are appointed on or after July
46 first, two thousand fifteen, shall be appointed by the board of educa-
47 tion, or the trustees of a common school district, upon the recommenda-
48 tion of the superintendent of schools for a probationary period of four
49 years; provided, however, that in the case of a principal, administra-
50 tor, supervisor, or other member of the supervising staff who has been

52 an authorized administrative tenure area in another school district
53 within the state, the school district where currently employed, or a
54 board of cooperative educational services, and who was not dismissed
55 from such district or board as a result of charges brought pursuant to
56 subdivision one of section three thousand twenty-a or section three

1 thousand twenty-b of this article, the principal, administrator, super-

3 probationary period of three years. The service of a person appointed to
4 any of such positions may be discontinued at any time during the proba-
5 tionary period on the recommendation of the superintendent of schools,
6 by a majority vote of the board of education or the trustees of a common
7 school district.

8 (c) Any person previously appointed to tenure or a probationary period
9 pursuant to the provisions of former section three thousand thirteen of
10 this article shall continue to hold such position and be governed by the
11 provisions of this section notwithstanding any contrary provision of
12 law.

13 2. (a) Teachers and all other members of the teaching staff of school
14 districts, including common school districts and/or school districts
15 employing fewer than eight teachers, other than city school districts,
16 who are appointed on or after July first, two thousand twenty-one, shall
17 be appointed by the board of education, or the trustees of common school
18 districts, upon the recommendation of the superintendent of schools, for
19 a probationary period of three years, except that in the case of a
20 teacher who has rendered satisfactory service as a regular substitute
21 for a period of up to two years and, if a classroom teacher, has
22 received satisfactory annual reviews in each of those years, or has
23 rendered satisfactory service as a seasonally licensed per session
24 teacher of swimming in day schools who has served in that capacity for a
25 period of up to two years and has been appointed to teach the same
26 subject in day schools, on an annual salary, such teacher shall be
27 appointed for a probationary period reduced proportionately based upon
28 the length of the satisfactory service; provided, however, that in the
29 case of a teacher who has been appointed on tenure in another school
30 district within the state, the school district where currently employed,
31 or a board of cooperative educational services, and who was not
32 dismissed from such district or board as a result of charges brought
33 pursuant to subdivision one of section three thousand twenty-a or
34 section three thousand twenty-b of this article, such teacher shall be
35 appointed for a probationary period of two years; provided that, in the
36 case of a classroom teacher, the teacher demonstrates that they received
37 a satisfactory review in their final year of service in such other
38 school district or board of cooperative educational services. The
39 service of a person appointed to any such positions may be discontinued
40 at any time during such probationary period, on the recommendation of
41 the superintendent of schools, by a majority vote of the board of educa-
42 tion or the trustees of a common school district.

43 (b) Principals, administrators, supervisors and all other members of
44 the supervising staff of school districts, including common school
45 districts and/or school districts employing fewer than eight teachers,
46 other than city school districts, who are appointed on or after July
47 first, two thousand twenty-one, shall be appointed by the board of
48 education, or the trustees of a common school district, upon the recom-
49 mendation of the superintendent of schools for a probationary period of
50 three years. The service of a person appointed to any such positions may
51 be discontinued at any time during the probationary period on the recom-
52 mendation of the superintendent of schools, by a majority vote of the
53 board of education or the trustees of a common school district.

54 3. (a) At the expiration of the probationary [~~term~~] period of a person
55 appointed for such [~~term~~] period prior to July first, two thousand
56 fifteen, subject to the conditions of this section, the superintendent

1 of schools shall make a written report to the board of education or the
2 trustees of a common school district recommending for appointment on
3 tenure those persons who have been found competent, efficient and satis-

5 of the schools of such union free school district, common school
6 district and/or school district employing fewer than eight teachers, who
7 have served the probationary period as provided in this section, shall
8 hold their respective positions during good behavior and efficient and
9 competent service, and shall not be removed except for any of the
10 following causes, after a hearing, as provided by section three thousand
11 twenty-a or section three thousand twenty-b of this article: (a) insub-
12 ordination, immoral character or conduct unbecoming a teacher; (b) inef-
13 ficiency, incompetency, physical or mental disability, or neglect of
14 duty; (c) failure to maintain certification as required by this chapter
15 and by the regulations of the commissioner. Each person who is not to be
16 recommended for appointment on tenure, shall be so notified by the
17 superintendent of schools in writing not later than sixty days imme-
18 diately preceding the expiration of [his] ~~the~~ probationary period.

19 (b) At the expiration of the probationary ~~[term]~~ ~~period~~ of a person
20 appointed for such ~~[term]~~ ~~period~~ on or after July first, two thousand
21 fifteen, subject to the conditions of this section, the superintendent
22 of schools shall make a written report to the board of education or the
23 trustees of a common school district recommending for appointment on
24 tenure those persons who have been found competent, efficient and satis-

26 who have received ~~[composite]~~ ~~satisfactory~~ annual ~~[professional perform-~~

28 ~~section three thousand twelve d of this article, of either effective or~~
29 ~~highly effective]~~ ~~reviews~~ in at least three of the four preceding years,
30 exclusive of any breaks in service~~;~~ ~~provided that, notwithstanding any~~
31 ~~other provision of this section to the contrary, when a teacher or prin-~~
32 ~~icipal receives an effective or highly effective rating in each year of~~
33 ~~his or her probationary service except he or she receives an ineffective~~
34 ~~rating in the final year of his or her probationary period, such teacher~~
35 ~~shall not be eligible for tenure but the board of education, in its~~
36 ~~discretion, may extend the teacher's probationary period for an addi-~~
37 ~~tional year; provided, however, that if such teacher or principal~~
38 ~~successfully appealed such ineffective rating, such teacher or principal~~
39 ~~shall immediately be eligible for tenure if the rating resulting from~~
40 ~~the appeal established that such individual has been effective or highly~~
41 ~~effective in at least three of the preceding four years and was not~~
42 ~~ineffective in the final year. At the expiration of the probationary~~
43 ~~period, the classroom teacher or building principal shall remain in~~
44 ~~probationary status until the end of the school year in which such~~
45 ~~teacher or principal has received such ratings of effective or highly~~
46 ~~effective for at least three of the four preceding school years, exclu-~~
47 ~~sive of any breaks in service, and subject to the terms hereof, during~~
48 ~~which time the trustees or board of education shall consider whether to~~
49 ~~grant tenure for those classroom teachers or building principals who~~
50 ~~otherwise have been found competent, efficient and satisfactory.~~
51 ~~Provided, however, that the trustees or board of education may grant~~
52 ~~tenure contingent upon a classroom teacher's or building principal's~~
53 ~~receipt of a minimum rating in the final year of the probationary peri-~~
54 ~~od, pursuant to the requirements of this section, and if such contingen-~~
55 ~~cy is not met after all appeals have been exhausted, the grant of tenure~~
56 ~~shall be void and unenforceable and the teacher's or principal's proba-~~

~~tionary period may be extended in accordance with this subdivision~~.
Such persons who have been recommended for tenure and all others employed in the teaching service of the schools of such school district who have served the full probationary period ~~[as extended]~~ pursuant to this subdivision shall hold their respective positions during good behavior and efficient and competent service, and shall not be removable except for cause after a hearing as provided by section three thousand twenty-a or section three thousand twenty-b of this article. Failure to maintain certification as required by this chapter and the regulations of the commissioner shall constitute cause for removal.

~~[3-]~~ 4. Notwithstanding any other provision of this section no period in any school year for which there is no required service and/or for which no compensation is provided shall in any event constitute a break or suspension of probationary period or continuity of tenure rights of any of the persons hereinabove described.

§ 4. Section 3014 of the education law, as amended by section 5 of subpart D of part EE of chapter 56 of the laws of 2015, paragraph (b) of subdivision 1 as amended by chapter 345 of the laws of 2019, is amended to read as follows:

§ 3014. Tenure: boards of cooperative educational services. 1. 26 from such district or board as a result of charges brought pursuant to
27 section three thousand twenty-a or section three thousand twenty-b of
28 this article, such teacher shall be appointed for a probationary period
29 of two years; provided that, in the case of a classroom teacher, such
