6 has been determined to have brought a weapon or firearm to school in  
7 violation of this subdivision to the appropriate law enforcement offi-  
8 cials.

9 (2) Nothing in this paragraph shall be deemed to mandate such action  
10 by a school district pursuant to subdivision one of this section where  
11 such weapon or firearm is possessed or brought to school with the writ-  
12 ten authorization of such educational institution in a manner authorized  
13 by article two hundred sixty-five of the penal law for activities  
14 approved and authorized by the trustees or board of education or other

22 section nine hundred thirty of title eighteen of the United States Code.

23 ~~[e-]~~ f. Procedure after suspension. Where a ~~[pupil]~~ student has been  
24 suspended pursuant to this subdivision and said ~~[pupil is of compulsory~~  
25 ~~attendance age]~~ student has the legal right to attend school, immediate  
26 steps shall be taken for his or her attendance upon instruction else-  
27 where ~~[or for supervision or detention of said pupil pursuant to the~~  
28 ~~provisions of article seven of the family court act]~~. Where a ~~[pupil]~~  
29 student has been suspended for cause, the suspension may be revoked by  
30 the board of education or trustees, other governing body, or the chan-  
31 cancellor of the city school district in the case of the city school  
32 district of the city of New York, whenever it appears to be for the best  
33 interest of the school and the ~~[pupil]~~ student to do so. The board of  
34 education may or trustees, the chancellor of the city school district in  
35 the case of the city school district for the city of New York, or other  
36 governing body, also condition a student's early return to school and  
37 suspension revocation on the ~~[pupil's]~~ student's voluntary participation  
38 in counseling or specialized classes, including anger management or  
39 dispute resolution, where applicable.

40 ~~[f-]~~ g. Whenever the term "board of education or superintendent of  
41 schools" is used in this subdivision, it shall be deemed to include  
42 board of trustees, other governing body, the chancellor of the city  
43 school district in the case of the city school district for the city of  
44 New York, community boards of education and community superintendents  
45 governing community districts in accordance with the provisions of arti-  
46 cle fifty-two-A of this chapter.

47 ~~[g-]~~ h. Discipline of students with disabilities and students presumed  
48 to have a disability for discipline purposes. (1) Notwithstanding any  
49 other provision of this subdivision to the contrary, a student with a  
50 disability as such term is defined in section forty-four hundred one of  
51 this chapter and a student presumed to have a disability for discipline  
52 purposes, may be suspended or removed from his or her current educa-  
53 tional placement, provided that the suspension of such student is not  
54 prohibited by section twenty-eight hundred one of this chapter, for  
55 violation of ~~[school rules]~~ the code of conduct only in accordance with  
56 the procedures established in this section, the regulations of the

1 commissioner implementing this paragraph, and subsection (k) of section  
2 fourteen hundred fifteen of title twenty of the United States code and  
3 the federal regulations implementing such statute, as such federal law  
4 and regulations are from time to time amended. Nothing in this paragraph  
5 shall be construed to confer greater rights on such students than are  
6 conferred under applicable federal law and regulations, or to limit the  
7 ability of a school district to change the educational placement of a  
8 student with a disability in accordance with the procedures in article  
9 eighty-nine of this chapter.

10 (2) As used in this paragraph:

11 ~~[(1)]~~ (i) a "student presumed to have a disability for discipline  
12 purposes" shall mean a student who the school district is deemed to have  
13 knowledge was a student with a disability before the behavior that  
14 precipitated disciplinary action under the criteria in subsection (k)  
15 (5) of section fourteen hundred fifteen of title twenty of the United  
16 States code and the federal regulations implementing such statute; and

17 (ii) a "manifestation team" means a representative of the school  
18 district, the parent or person in parental relation, and relevant  
19 members of the committee on special education, as determined by the  
20 parent or person in parental relation and the district.

21 (3) In applying the federal law consistent with this section:

22 (i) in the event of a conflict between the procedures established in  
23 this section and those established in subsection (k) of section fourteen  
24 hundred fifteen of title twenty of the United States code and the feder-  
25 al regulations implementing such statute, such federal statute and regu-  
26 lations shall govern.

27 (ii) the board of trustees or board of education of any school  
28 district, other governing body, the chancellor of the city school  
29 district of the city of New York, a district superintendent of schools  
30 or a building principal shall have authority, provided that suspension  
31 of such student is not prohibited by paragraph c of subdivision two of  
32 section twenty-eight hundred one of this chapter, to order the placement  
33 of a student with a disability into an appropriate interim alternative  
34 educational setting, another setting or suspension, provided that the  
35 suspension of such student is not prohibited by section twenty-eight  
36 hundred one of this chapter, for a period not to exceed five consecutive  
37 school days where such student is suspended pursuant to this subdivision  
38 and, except as otherwise provided in clause (vi) of this subparagraph,  
39 the suspension does not result in a change in placement under federal  
40 law.

41 (iii) the superintendent of schools of a school district, either  
42 directly or upon recommendation of a hearing officer designated pursuant  
43 to paragraph c of this subdivision, may order the placement of a student  
44 with a disability into an interim alternative educational setting,  
45 another setting or suspension, provided that the suspension of such  
46 student is not prohibited by section twenty-eight hundred one of this  
47 chapter, for up to ten consecutive school days, inclusive of any period  
48 in which the student is placed in an appropriate interim alternative  
49 educational setting, another setting or suspension pursuant to clause  
50 (ii) of this subparagraph for the behavior, where the superintendent  
51 determines in accordance with the procedures set forth in this subdivi-  
52 sion that the student has engaged in behavior that warrants a suspen-  
53 sion, and, except as otherwise provided in clause (vi) of this subpara-  
54 graph, the suspension does not result in a change in placement under  
55 federal law.

(iv) the superintendent of schools of a school district, either directly or upon recommendation of a hearing officer designated pursuant to paragraph c of this subdivision, may order the change in placement of a student with a disability to an interim alternative educational setting for up to forty-five school days under the circumstances specified in subsection (k)(1)(G) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute or a longer period where authorized by federal law under the circumstances specified in subsection (k)(1)(C) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, but in neither case shall such period exceed the period of suspension ordered by a superintendent in accordance with this subdivision, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(v) the terms "day," "business day," and "school day" shall be as defined in section 300.11 of title thirty-four of the code of federal regulations.

(vi) notwithstanding any other provision of this subdivision to the contrary, upon a determination by a manifestation team that the behavior of a student with a disability was not a manifestation of the student's disability, such student may be disciplined pursuant to this section in the same manner and for the same duration as a nondisabled student, except that such student shall continue to receive services to the extent required under federal law and regulations, and such services may be provided in an interim alternative educational setting, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(vii) an impartial hearing officer appointed pursuant to subdivision one of section forty-four hundred four of this chapter may order a change in placement of a student with a disability to an appropriate interim alternative educational setting for not more than forty-five school days under the circumstances specified in subsections (k)(3) and (k)(4) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statutes, provided that such procedure may be repeated, as necessary, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(viii) nothing in this section shall be construed to authorize the suspension or removal of a student with a disability from his or her current educational placement for violation of school rules following a determination by a manifestation team that the behavior is a manifestation of the student's disability, except as authorized under federal law and regulations.

(ix) the commissioner shall implement this paragraph by adopting regulations which coordinate the procedures required for discipline of students with disabilities, and students presumed to have a disability for discipline purposes, pursuant to subsection (k) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, with the general procedures for student discipline under this section.

~~[3-a.]~~ i. When a student is suspended from school consistent with this section and section twenty-eight hundred one of this chapter, the principal, or the principal's designee, in consultation with the student's teachers, shall within twenty-four hours create an education plan for the student for each class in which the student is enrolled,

provided that if such twenty-four hour period does not end on a school day, it shall be extended to the corresponding time on the next school day. The education plan shall make provisions for a student's on-going academic instruction during the suspension and shall include the steps the school will take to provide the student with a successful re-entry to school. The student shall have the opportunity to earn all academic credit he or she would have been eligible to earn had he or she been in class, including the opportunity to complete any missed assignments or take any missed examination or assessments during the student's suspension. If an examination or assessment cannot be rescheduled, the student shall be allowed on school property to take such assessment or examination on the day and time that the assessment or examination is given.

3. Teacher removal of a ~~[disruptive pupil]~~ student. In addition, any teacher shall have the power and authority to remove a ~~[disruptive pupil as defined in subdivision two-a of this section]~~ student from such teacher's classroom consistent with discipline measures contained in the code of conduct adopted by the board pursuant to section twenty-eight hundred one of this chapter. Such classroom removal shall not exceed one-half school day on the same school day. The school authorities of any school district, board of cooperative educational services, or charter school shall establish policies and procedures to ensure the provision of continued educational programming and activities for students removed from the classroom pursuant to this subdivision ~~[and provided further that nothing]~~. When a student is removed from the classroom, the student shall have the opportunity to earn all academic credit including the opportunity to complete any missed assignments or take any missed examinations or assessments during the student's removal. If an examination or assessment cannot be rescheduled, the student shall be allowed on school property to take such assessment or examination on the day and time that the assessment or examination is given. Nothing in this subdivision shall authorize the removal of a ~~[pupil]~~ student in violation of any state or federal law or regulation. No ~~[pupil]~~ student shall return to the classroom until the principal makes a final determination pursuant to paragraph c of this subdivision, or the period of removal expires, whichever is less.

a. Such teacher shall inform the ~~[pupil]~~ student and the school principal of the reasons for the removal. If the teacher finds that the ~~[pupil's]~~ student's continued presence in the classroom does not pose a continuing danger to persons or property and does not present an ongoing threat of disruption to the academic process, the teacher shall, prior to removing the student from the classroom, provide the student with an explanation of the basis for the removal and allow the ~~[pupil]~~ student to informally present the ~~[pupil's]~~ student's version of relevant events. In all other cases, the teacher shall provide the ~~[pupil]~~ student with an explanation of the basis for the removal and an informal opportunity to be heard within twenty-four hours of the ~~[pupil's]~~ student's removal, provided that if such twenty-four hour period does not end on a school day, it shall be extended to the corresponding time on the next school day.

b. The principal shall inform the parent or person in parental relation to such ~~[pupil]~~ student of the removal and the reasons therefor within twenty-four hours of the ~~[pupil's]~~ student's removal, provided that if such twenty-four hour period does not end on a school day, it shall be extended to the corresponding time on the next school day. The ~~[pupil]~~ student and the parent or person in parental relation shall, upon request, be given an opportunity for an informal conference with

1 the principal to discuss the reasons for the removal. If the [pupil]  
2 student denies the charges, the principal shall provide an explanation  
3 of the basis for the removal and allow the [pupil] student and/or person  
4 in parental relation to the [pupil] student an opportunity to present  
5 the [pupil's] student's version of relevant events. Such informal [hear-  
6 ing] conference shall be held within forty-eight hours of the [pupil's]  
7 student's removal, provided that if such forty-eight hour period does  
8 not end on a school day, it shall be extended to the corresponding time  
9 on the second school day next following the [pupil's] student's removal.  
10 For purposes of this subdivision, "school day" shall mean a school day  
11 as defined pursuant to clause (v) of subparagraph three of paragraph g  
12 of subdivision three of this section.

13 c. The principal shall not set aside the discipline imposed by the  
14 teacher unless the principal finds that the charges against the [pupil]  
15 student are not supported by substantial evidence or that the [pupil's]  
16 student's removal is otherwise in violation of law or that the conduct  
17 warrants suspension from school pursuant to this section and a suspen-  
18 sion will be imposed. The principal's determination made pursuant to  
19 this paragraph shall be made by the close of business on the day  
20 succeeding the forty-eight hour period for an informal hearing contained  
21 in paragraph b of this subdivision.

22 d. The principal may, in his or her discretion, designate a school  
23 district administrator, to carry out the functions required of the prin-  
24 cipal under this subdivision.

25 4. Expense. [a.] The expense attending the commitment and costs of  
26 maintenance of any [school delinquent] student placed as a result of a  
27 finding related to school or educational issues shall be a charge  
28 against the city or district where he or she resides, if such city or  
29 district employs a superintendent of schools; otherwise it shall be a  
30 county charge.

31 ~~[b. The school authorities may institute proceedings before a court~~  
32 ~~having jurisdiction to determine the liability of a person in parental~~  
33 ~~relation to contribute towards the maintenance of a school delinquent~~  
34 ~~under sixteen years of age ordered to attend upon instruction under~~  
35 ~~confinement. If the court shall find the person in parental relation~~  
36 ~~able to contribute towards the maintenance of such a minor, it may issue~~  
37 ~~an order fixing the amount to be paid weekly.]~~

38 5. Involuntary transfers of [pupils] students who have not been deter-  
39 mined to be a student with a disability or a student presumed to have a  
40 disability for discipline purposes.

41 a. The board of education[, board of] or trustees [or sole trustee],  
42 the chancellor of the city school district in the case of the city  
43 school district of New York, other governing body, the superintendent of  
44 schools, or district superintendent of schools may transfer a [pupil]  
45 student who has not been determined to be a student with a disability as  
46 defined in section forty-four hundred one of this chapter, or a student  
47 presumed to have a disability for discipline purposes as defined in  
48 paragraph [g] h of subdivision [three] two of this section from regular  
49 classroom instruction to an appropriate educational setting in another  
50 school upon the written recommendation of the school principal and  
51 following independent review thereof. For purposes of this section of  
52 the law, "involuntary transfer" does not include a transfer made by a  
53 school district as part of a plan to reduce racial imbalance within the  
54 schools or as a change in school attendance zones or geographical bound-  
55 aries.

b. A school principal may initiate a non-requested transfer where it is believed that such a ~~[pupil]~~ student would benefit from the transfer, or when the ~~[pupil]~~ student would receive an adequate and appropriate education in another school program or facility.

No recommendation for ~~[pupil]~~ student transfer shall be initiated by the principal until such ~~[pupil]~~ student and a parent or person in parental relation has been sent written notification of the consideration of transfer recommendation. Such notice shall set a time and place of an informal conference with the principal and shall inform such parent or person in parental relation and such ~~[pupil]~~ student of their right to be accompanied by counsel or an individual of their choice.

c. After the conference and if the principal concludes that the ~~[pupil]~~ student would benefit from a transfer or that the ~~[pupil]~~ student would receive an adequate and appropriate education in another school program or facility, the principal may issue a recommendation of transfer to the superintendent. Such recommendation shall include a description of behavior and/or academic problems indicative of the need for transfer; a description of alternatives explored and prior action taken to resolve the problem. A copy of that letter shall be sent to the parent or person in parental relation and to the ~~[pupil]~~ student.

d. Upon receipt of the principal's recommendation for transfer and a determination to consider that recommendation, the superintendent shall notify the parent or person in parental relation and the ~~[pupil]~~ student of the proposed transfer and of their right to a fair hearing as provided in paragraph c of subdivision three of this section and shall list community agencies and free legal assistance which may be of assistance. The written notice shall include a statement that the ~~[pupil]~~ student or parent or person in parental relation has ten days to request a hearing and that the proposed transfer shall not take effect, except upon written parental consent, until the ten day period has elapsed, or, if a fair hearing is requested, until after a formal decision following the hearing is rendered, whichever is later.

Parental consent to a transfer shall not constitute a waiver of the right to a fair hearing.

6. Transfer of a ~~[pupil]~~ student. Where a suspended ~~[pupil]~~ student is to be transferred pursuant to subdivision five of this section, he or she shall remain on the register of the original school for two school days following transmittal of his or her records to the school to which he or she is to be transferred. The receiving school shall immediately upon receiving those records transmitted by the original school, review them to insure proper placement of the ~~[pupil]~~ student. Staff members who are involved in the ~~[pupil's]~~ student's education must be provided with pertinent records and information relating to the background and problems of the ~~[pupil]~~ student before the ~~[pupil]~~ student is placed in a classroom.

7. Transfer of disciplinary records. Notwithstanding any other provision of law to the contrary, each local educational agency, as such term is defined in subsection thirty of section eighty-one hundred one of the Elementary and Secondary Education Act of 1965, as amended, shall establish procedures in accordance with section eighty-five hundred thirty-seven of the Elementary and Secondary Education Act of 1965, as amended, and the Family Educational Rights and Privacy Act of 1974, to facilitate the transfer of disciplinary records relating to the suspension or expulsion of a student to any public or nonpublic elementary or secondary school in which such student enrolls or seeks, intends or is instructed to enroll, on a full-time or part-time basis.

§ 5. Subparagraph 1 of paragraph c of subdivision 3 of section 3214 of the education law, as amended by chapter 380 of the laws of 2001, is amended to read as follows:

~~[(1)]~~ d. The board of education or trustees, the chancellor of the city school district in the case of the city school district of the city of New York, other governing body, superintendent of schools, or district superintendent of schools, shall have the power to suspend a student for a period not to exceed twenty school days, provided that the suspension of such student is not prohibited by paragraph c of subdivision two of section twenty-eight hundred one of this chapter. No ~~[pupil]~~ student may be suspended for a period in excess of five school days unless such ~~[pupil]~~ student and the parent or person in parental relation to such ~~[pupil]~~ student shall have had an opportunity for a fair hearing, upon reasonable written notice~~[-at which]~~ shall include a brief description of the facts upon which the alleged violations of the code of conduct are based, the section of the code of conduct that the student is alleged to have violated, and the date, time and place of the hearing. Prior to the hearing, copies of all evidence regarding the alleged incident shall be provided to the student and parent or person in parental relation to the student. The hearing shall be convened within five days of the written notice, unless the parent or person in parental relation to the student or student requests a later date. At the hearing, such ~~[pupil]~~ student shall have the right of representation by ~~[counsel]~~ an attorney or advocate, with the right to request the presence of and to question witnesses against such ~~[pupil]~~ student and to request the presence of and present witnesses and other evidence on his or her behalf. Where a ~~[pupil]~~ student has been suspended in accordance with this subdivision ~~[by a]~~, the board of education or trustees, the chancellor of the city school district in the case of the city school district of the city of New York, other governing body, superintendent of schools, district superintendent of schools, or community superintendent~~[-the superintendent]~~ shall personally hear and determine the proceeding or may, in his or her discretion, designate a hearing officer to conduct the hearing. The entity or individual that conducts the hearing ~~[officer]~~ shall be authorized to administer oaths and to issue subpoenas in conjunction with the proceeding ~~[before him]~~. A record of the hearing shall be maintained, but no stenographic transcript shall be required and ~~[a tape]~~ an audio recording shall be deemed a satisfactory record. The entity or individual that conducts the hearing ~~[officer]~~ shall make written findings of fact based on a preponderance of the evidence and shall make recommendations as to the appropriate measure of discipline ~~[to the superintendent]~~ if any. The report of the hearing officer shall be advisory only, and the board of education or trustees, the chancellor of the city school district in the case of the city school district of the city of New York, other governing body, superintendent of schools or district superintendent of schools may accept all or any part thereof. ~~[An appeal will lie from the decision of the superintendent to the board of education who shall make its decision solely upon the record before it. The board may adopt in whole or in part the decision of the superintendent of schools]~~ The board of education or trustees, the chancellor of the city school district in the case of the city school district of the city of New York, other governing body, superintendent of schools, or district superintendent of schools shall issue a written decision to the school and parent or person in parental relation to the student within three days of the hearing. The written decision shall state the length of suspension, if any, findings

of fact, reasons for determination, length of suspension, if any, procedures for appeal, and the date by which the appeal shall be filed.

Where the basis for the suspension is, in whole or in part, the possession on school grounds or school property by the student of any firearm, rifle, shotgun, dagger, dangerous knife, dirk, razor, stiletto or any of the weapons, instruments or appliances specified in subdivision one of section 265.01 of the penal law, the hearing officer or superintendent shall not be barred from considering the admissibility of such weapon, instrument or appliance as evidence, notwithstanding a determination by a court in a criminal or juvenile delinquency proceeding that the recovery of such weapon, instrument or appliance was the result of an unlawful search or seizure.

§ 6. Paragraphs d and f of subdivision 3 of section 3214 of the education law, as amended by chapter 181 of the laws of 2000, are amended to read as follows:

~~[d-]~~ e. Consistent with the federal gun-free schools act of nineteen hundred ninety-four, any public school ~~[pupil]~~ student who is determined under this subdivision to have brought a weapon to school shall be suspended for a period of not less than one calendar year and any nonpublic school ~~[pupil]~~ student participating in a program operated by a public school district using funds from the elementary and secondary education act of nineteen hundred sixty-five who is determined under this subdivision to have brought a weapon to a public school or other premises used by the school district to provide such programs shall be suspended for a period of not less than one calendar year from participation in such program. The procedures of this subdivision shall apply to such a suspension of a nonpublic school ~~[pupil]~~ student. A superintendent of schools, district superintendent of schools or community superintendent shall have the authority to modify this suspension requirement for each student on a case-by-case basis. The determination of a superintendent shall be subject to review by the board of education or trustees, other governing body, or the chancellor of the city school district in the case of the city school district of the city of New York, pursuant to paragraph c of this subdivision and the commissioner pursuant to section three hundred ten of this chapter. Nothing in this subdivision shall be deemed to authorize the suspension of a student with a disability in violation of the individuals with disabilities education act or article eighty-nine of this chapter. A superintendent shall refer the ~~[pupil]~~ student under the age of sixteen who has been determined to have brought a weapon to school in violation of this subdivision to a presentment agency for a juvenile delinquency proceeding consistent with article three of the family court act except a student fourteen or fifteen years of age who qualifies for juvenile offender status under subdivision forty-two of section 1.20 of the criminal procedure law. A superintendent shall refer any ~~[pupil]~~ student sixteen years of age or older or a student fourteen or fifteen years of age who qualifies for juvenile offender status under subdivision forty-two of section 1.20 of the criminal procedure law, who has been determined to have brought a weapon to school in violation of this subdivision to the appropriate law enforcement officials.

§ 7. Paragraph g of subdivision 3 of section 3214 of the education law, as amended by chapter 181 of the laws of 2000, clause (ii) of subparagraph 3 as amended by chapter 380 of the laws of 2001, is amended to read as follows:

~~g~~ h. Discipline of students with disabilities and students presumed to have a disability for discipline purposes. (1) Notwithstanding any other provision of this subdivision to the contrary, a student with a disability as such term is defined in section forty-four hundred one of this chapter and a student presumed to have a disability for discipline purposes, may be suspended or removed from his or her current educational placement, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter, for violation of school rules only in accordance with the procedures established in this section, the regulations of the commissioner implementing this paragraph, and subsection (k) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, as such federal law and regulations are from time to time amended. Nothing in this paragraph shall be construed to confer greater rights on such students than are conferred under applicable federal law and regulations, or to limit the ability of a school district to change the educational placement of a student with a disability in accordance with the procedures in article eighty-nine of this chapter.

(2) As used in this paragraph, a "student presumed to have a disability for discipline purposes" shall mean a student who the school district is deemed to have knowledge was a student with a disability before the behavior that precipitated disciplinary action under the criteria in subsection (k)(8) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute.

(3) In applying the federal law consistent with this section:

(i) in the event of a conflict between the procedures established in this section and those established in subsection (k) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, such federal statute and regulations shall govern.

(ii) the board of trustees or board of education of any school district, other governing body, the chancellor of the city school district in the case of the city school district of the city of New York, a district superintendent of schools or a building principal shall have authority, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter, to order the placement of a student with a disability into an appropriate interim alternative educational setting, another setting or suspension for a period not to exceed five consecutive school days where such student is suspended pursuant to this subdivision and, except as otherwise provided in clause (vi) of this subparagraph, the suspension does not result in a change in placement under federal law.

(iii) the superintendent of schools of a school district, either directly or upon recommendation of a hearing officer designated pursuant to paragraph c of this subdivision, may order the placement of a student with a disability into an interim alternative educational setting, another setting or suspension for up to ten consecutive school days,

1 inclusive of any period in which the student is placed in an appropriate

10 (iv) the superintendent of schools of a school district, either  
11 directly or upon recommendation of a hearing officer designated pursuant
