STATE OF NEW YORK

5236

2021-2022 Regular Sessions

IN ASSEMBLY

February 12, 2021

Introduced by M. of A. DiPIETRO -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to requiring health care providers and practitioners to provide patients with a list of ingredients contained in vaccines

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. Section 2166 of the public health law, as added by chapter 2 573 of the laws of 1999, is amended to read as follows:
- § 2166. Immunization; regulations; requirements. 1. The commissioner 4 may promulgate regulations with respect to immunization conducted by a 5 home care services agency licensed pursuant to section thirty-six 6 hundred five of this chapter or certified pursuant to section thirty-six 7 hundred eight of this chapter, facilities or institutions established 8 under article twenty-eight of this chapter, and other health care 9 providers and practitioners, including, but not limited to, standards 10 for the quality of care and services provided, consistent with the education law.
- 2. Every health care provider or practitioner who administers immunizations shall provide all the following information to the patient or a person in parental relation to the patient forty-eight hours prior to administering a vaccine:
- 16 <u>a. The safety, benefits, risks and potential side effects of each</u>
 17 <u>vaccine.</u>
- 18 <u>b. The list of ingredients contained in each vaccine as provided by</u>
 19 <u>the manufacturer and the manufacturer product insert for each vaccine.</u>
- 20 <u>c. The United States centers for disease control and prevention's</u> 21 <u>vaccine excipient and media summary.</u>
- 22 <u>d. How and where to report a vaccine-adverse event.</u>
- 23 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
