Introduced by M. of A. LUPARDO -- read once and referred to the Committee on Governmental Employees

AN ACT to authorize the village of Endicott to offer an optional twenty year retirement plan to a certain police officer employed by such village

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 Jennifer Quinn, a member of the New York state and local police and fire  
3 retirement system, who was first employed as a police officer for the  
4 village of Endicott on August 7, 2000, and who, through no fault of her  
5 own, failed to file a timely application to participate in the special  
6 twenty year retirement plan contained in section 384-d of the retirement  
7 and social security law resulting in the crediting of her service with  
8 the village of Endicott in the retirement plan contained in section  
9 375-i of such law, shall be given full credit in the section 384-d  
10 special twenty year retirement plan for such service upon the election  
11 of the village of Endicott to assume the additional cost of such service  
12 and her election to participate in such plan. The village of Endicott  
13 may so elect by, within one year of the effective date of this act,  
14 filing with the state comptroller a resolution of its local legislative  
15 body together with certification that such member did not bar herself  
16 from participation in such retirement plan as a result of her own negligence.  
17 Such police officer may elect to be covered by the provisions of  
18 section 384-d of the retirement and social security law, and shall be  
19 entitled to the full rights and benefits associated with coverage under  
20 such section by filing a request to that effect with the state comptroller  
21 within eighteen months of the effective date of this act.  
22 § 2. All past service costs associated with implementing the  
23 provisions of this act shall be borne by the village of Endicott and may  
24 be amortized over a period of five years.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow the Village of Endicott to elect to reopen the provisions of Section 384-d of the Retirement and Social Security Law for police officer Jennifer Quinn.

If this bill is enacted during the 2021 legislative session and Jennifer Quinn becomes covered under the provisions of Section 384-d, we anticipate that there will be an increase of approximately \$8,300 in the annual contributions of the Village of Endicott for the fiscal year ending March 31, 2022. In future years, this cost will vary as the billing rates and salary of Jennifer Quinn change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$151,000, which will be borne by the Village of Endicott as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2022. If the Village of Endicott elects to amortize this cost over a 5 year period, the cost for the first year would be \$34,400.
