ARTICLE 6-A

CHANGE OF SEX DESIGNATION

Section 67. Petition to change of sex designation.

67-a. Order.

67-b. Sealing change of sex designation papers.

§ 67. Petition to change of sex designation. 1. A petition for leave to change sex designation may be made by a resident of the state to the county court of the county or the supreme court in the county in which such resident resides, or, if such resident resides in the city of New York, either to the supreme court or to any branch of the civil court of the city of New York, in any county of the city of New York. The petition to change the sex designation of an infant may be made by the infant through either of such infant's parents, or by such infant's general guardian or by the guardian of such infant's person.

2. When an individual petitions the court to recognize their gender identity or to amend the sex designation on an identity document, the court shall issue such an order upon receipt of an affidavit from such individual attesting to their gender identity or reason for the change. No additional medical evidence shall be required to grant such request. No such order shall be required to amend an identity document issued within New York state. No such order shall be required to otherwise recognize the gender of an individual and treat them consistent with their gender identity within New York state or under New York state law. No fee shall be charged for a request for judicial intervention associated with a petition to change sex designation.

3. Such request may be made simultaneously with a petition for change of name pursuant to section sixty or sixty-five of this chapter or on its own.

§ 67-a. Order. If the court to which the petition is presented is satisfied thereby, or by the affidavit and certificate presented therewith, that the petition is true, and that there is no reasonable objection to the change of sex designation proposed, and if the petition be to change the sex designation of an infant, that the interests of the infant will be substantially promoted by the change, the court shall make an order authorizing the petitioner to assume the sex designation proposed.

§ 67-b. Sealing change of sex designation papers. 1. Upon request of the applicant or sua sponte, the court shall order the records of such change of sex designation proceeding to be sealed, to be opened only by order of the court for good cause shown or at the request of the applicant.

2. Notwithstanding any other provision of law, pending such a finding in subdivision one of this section where an applicant seeks relief under this section, the court shall immediately order the applicant's current name, sex designation, proposed new sex designation, residential and business addresses, telephone numbers, and any other information

contained in any pleadings or papers submitted to the court to be safeguarded and sealed in order to prevent their inadvertent or unauthorized use or disclosure while the matter is pending.

§ 7. Subdivision 2 of section 490 of the vehicle and traffic law, as amended by chapter 465 of the laws of 2012, the third undesignated paragraph as amended by chapter 248 of the laws of 2016, is amended to read as follows:

2. Application. (a) Any person to whom a driver's license or learner's permit has not been issued by the commissioner, or whose driver's license or learner's permit is expired, suspended, revoked or surrendered, may make application to the commissioner for the issuance of an identification card. The commissioner shall ensure that space is provided on the application so that the applicant shall register or decline registration in the donate life registry for organ and tissue donations pursuant to section forty-three hundred ten of the public health law and that the following is stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

The commissioner of health shall not maintain records of any person who checks "skip this question". Except where the application is made in person or electronically, failure to check a box shall not impair the validity of an application, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under eighteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry, except as otherwise provided pursuant to the provisions of paragraph (b) of subdivision one of section forty-three hundred one of the public health law. Where an applicant has previously consented to make an anatomical gift or registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration.

(b) The identification card shall display the sex designation of M, F, or X as certified by the applicant, with no additional documentation required. The applicant may amend the sex designation of their identification card upon request.

§ 8. Subdivision 1 of section 502 of the vehicle and traffic law, as amended by chapter 487 of the laws of 2012, is REPEALED.

§ 9. Subdivision 1 of section 502 of the vehicle and traffic law, as amended by chapter 37 of the laws of 2019, is amended to read as follows:

1. Application for license. Application for a driver's license shall be made to the commissioner. The fee prescribed by law may be submitted with such application. The applicant shall furnish such proof of identity, age, and fitness as may be required by the commissioner. With respect to a non-commercial driver's license or learner's permit which does not meet federal standards for identification, in addition to the acceptable proofs of age and identity approved by the commissioner as of January first, two thousand nineteen, acceptable proof of identity shall also include, but not be limited to, a valid, unexpired foreign passport issued by the applicant's country of citizenship (which shall also be eligible as proof of age), a valid, unexpired consular identification document issued by a consulate from the applicant's country of citizenship, or a valid foreign driver's license that includes a photo image of the applicant and which is unexpired or expired for less than twenty-

four months of its date of expiration, as primary forms of such proof. Nothing contained in this subdivision shall be deemed to preclude the commissioner from approving additional proofs of identity and age. The license shall display the sex designation of M, F, or X as certified by the applicant, with no additional documentation required. The applicant may amend the sex designation of their driver's license upon request. Upon amendment of the sex designation, the change shall be made consistent through all affiliated records within the control of the department.

The commissioner may also provide that the application procedure shall include the taking of a photo image or images of the applicant in accordance with rules and regulations prescribed by the commissioner. In addition, the commissioner also shall require that the applicant provide ~~[his or her]~~ such applicant's social security number or, in lieu thereof, with respect to an application for a non-commercial driver's license or learner's permit which does not meet federal standards for identification, an affidavit signed by such applicant that they have not been issued a social security number. The commissioner also shall provide space on the application so that the applicant may request a notation upon such license that such applicant is a veteran of the United States armed forces, and space on the application so that the applicant may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

The commissioner of health shall not maintain records of any person who checks "skip this question". Except where the application is made in person or electronically, failure to check a box shall not impair the validity of an application, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under eighteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry, except as otherwise provided pursuant to the provisions of paragraph (b) of subdivision one of section forty-three hundred one of the public health law. Where an applicant has previously consented to make an anatomical gift or registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration. In addition, an applicant for a commercial driver's license who will operate a commercial motor vehicle in interstate commerce shall certify that such applicant meets the requirements to operate a commercial motor vehicle, as set forth in public law 99-570, title XII, and title 49 of the code of federal regulations, and all regulations promulgated by the United States secretary of transportation under the hazardous materials transportation act. In addition, an applicant for a commercial driver's license shall submit a medical certificate at such intervals as required by the federal motor carrier safety improvement act of 1999 and Part 383.71(h) of title 49 of the code of federal regulations relating to medical certification and in a manner prescribed by the commissioner. For purposes of this section and sections five hundred three, five hundred ten-a, and five hundred ten-aa of this title, the terms "medical certificate" and "medical certification" shall mean a form substantially in compliance with the form set forth in Part 391.43(h) of title 49 of the code of federal regulations. Upon a determination that the holder of a commercial driver's license has made any false statement, with respect

1 to the application for such license, the commissioner shall revoke such
2 license.

3 § 10. Section 4132 of the public health law is amended by adding a new
4 subdivision 5 to read as follows:

5 5. Each parent of the child may choose to be designated on the
6 original certificate of birth or by amendment as "father" or "mother" or
7 "parent".

8 § 11. The section heading and paragraph (e) of subdivision 1 of
9 section 4138 of the public health law, the section heading as amended by
10 chapter 201 of the laws of 1972 and paragraph (e) of subdivision 1 as
11 amended by section 9 of part L of chapter 56 of the laws of 2020, are
12 amended and a new paragraph (f) is added to subdivision 1 to read as
13 follows:

14 Birth certificate; new certificate in case of subsequent marriage of
15 unwed parents; adoption; adjudication of parentage; change of name of
16 registrant or parent; gender transition of registrant or parent.

21 thereafter receives the acknowledgment of parentage pursuant to section
22 one hundred eleven-k of the social services law or section four thousand
23 one hundred thirty-five-b of this article executed by the person who
24 gave birth and the other signatory which authorizes the entry of the
25 name of such other signatory, and which may also authorize a conforming
26 change in the surname of the child[~~+~~]; or

27 (f) any person born in New York state who submits an application to
28 change the gender on the birth certificate and an affidavit attesting
29 under penalty of perjury that the request for a change of gender to
30 (female, male, or X) is to conform the person's documents and records to
31 the person's gender identity and is not made for any fraudulent purpose.
32 A sex designation of X shall not be a required sex designation of any
33 individual. Upon receipt of the documentation, the commissioner shall
34 establish a new birth certificate reflecting the gender stated in the
35 application and any change in name, if accompanied by a court order for
36 a change of name. If such application is made on behalf of a person
37 younger than seventeen, such affidavit shall be signed by the person's
38 parent, legal guardian, mental health or medical provider, or social
39 services provider.

40 § 12. This act shall take effect on the one hundred eightieth day
41 after it shall have become a law. Effective immediately, the addition,
42 amendment and/or repeal of any rule or regulation necessary for the
