| 4        | 8884. Binding effect of compact and other laws.  |
| 5        | § 8860. Short title. This article shall be known and may be cited as   |
| б        | the "interstate medical licensure compact".  |
| 7        | § 8861. Purpose. In order to strengthen access to health care, and in  |
| 8        | recognition of the advances in the delivery of health care, the member   |
| 9        | states of the interstate medical licensure compact have allied in common   |
| 10       | purpose to develop a comprehensive process that complements the existing   |
| 11       | licensing and regulatory authority of state medical boards, provides a   |
| 12       | streamlined process that allows physicians to become licensed in multi-  |
| 13       | ple states, thereby enhancing the portability of a medical license and   |
| 14       | ensuring the safety of patients. The compact creates another pathway   |
| 15       | for licensure and does not otherwise change a state's existing medical   |
| 16       | practice act. The compact also adopts the prevailing standard for licen-   |
| 17       | sure and affirms that the practice of medicine occurs where the patient  |
| 18       | is located at the time of the physician-patient encounter, and there-  |
| 19       | fore, requires the physician to be under the jurisdiction of the state   |
| 20       | medical board where the patient is located. State medical boards that  |
| 21       | participate in the compact retain the jurisdiction to impose an adverse  |
| 22       | action against a license to practice medicine in that state issued to a  |
| 23       | physician through the procedures in the compact.   |

| 14       | tatives appointed by each member state who shall serve as commissioners.      |
| 15       | In states where allopathic and osteopathic physicians are regulated by        |
| 16       | separate member boards, or if the licensing and disciplinary authority        |
| 17       | is split between multiple member boards within a member state, the            |
| 18       | member state shall appoint one representative from each member board. A       |
| 19       | commissioner shall be a or an:  |

| 25       | year. A portion of this meeting shall be a business meeting to address        |
| 26       | such matters as may properly come before the commission, including the        |

| 32       | 7. Each commissioner participating at a meeting of the interstate             |
| 33       | commission is entitled to one vote. A majority of commissioners shall         |
| 34       | constitute a quorum for the transaction of business, unless a larger          |
| 35       | quorum is required by the bylaws of the interstate commission. A commis-      |

| 39       | requirements of subdivision four of this section.                             |
| 40       | 8. The interstate commission shall provide public notice of all meet-         |
| 41       | ings and all meetings shall be open to the public. The interstate             |
| 42       | commission may close a meeting, in full or in portion, where it deter-        |
| 43       | mines by a two-thirds vote of the commissioners present that an open          |
| 44       | meeting would be likely to:   |
| 45       | (a) Relate solely to the internal personnel practices and procedures          |
| 46       | of the interstate commission;   |
| 47       | (b) Discuss matters specifically exempted from disclosure by federal          |

| 52       | person;   |
| 53       | (e) Discuss information of a personal nature where disclosure would           |

| 7        | 10. The interstate commission shall make its information and official         |
| 8        | records, to the extent not otherwise designated in the compact or by its      |
| 9        | rules, available to the public for inspection.                                |
| 10       | 11. The interstate commission shall establish an executive committee,         |
| 11       | which shall include officers, members, and others as determined by the        |

| 13       | the interstate commission, with the exception of rulemaking, during           |
| 14       | periods when the interstate commission is not in session. When acting on      |
| 15       | behalf of the interstate commission, the executive committee shall over-      |

| 17       | ance with the provisions of the compact, its bylaws and rules, and other      |
| 18       | such duties as necessary.   |
| 19       | 12. The interstate commission may establish other committees for              |

| 7  | state commission;  |
| 8  | 18. Coordinate education, training, and public awareness regarding the     |

| 10 | 19. Maintain records in accordance with the bylaws;                        |

| 13 | achieve the purposes of the compact.                                       |
| 14 | § 8873. Finance powers. 1. The interstate commission may levy on and       |
| 15 | collect an annual assessment from each member state to cover the cost of   |
| 16 | the operations and activities of the interstate commission and its         |
| 17 | staff. The total assessment must be sufficient to cover the annual budg-   |

| 20 | formula to be determined by the interstate commission, which shall         |
| 21 | promulgate a rule binding upon all member states.                          |
| 22 | 2. The interstate commission shall not incur obligations of any kind       |
| 23 | prior to securing the funds adequate to meet the same.                     |
| 24 | 3. The interstate commission shall not pledge the credit of any of the     |
| 25 | member states, except by, and with the authority of, the member state.     |
| 26 | 4. The interstate commission shall be subject to a yearly financial        |
| 27 | audit conducted by a certified or licensed public accountant and the       |
| 28 | report of the audit shall be included in the annual report of the inter-   |
| 29 | state commission.  |
| 30 | <u>§ 8874. Organization and operation of the interstate commission. 1.</u> |
| 31 | The interstate commission shall, by a majority of commissioners present    |
| 32 | and voting, adopt bylaws to govern its conduct as may be necessary or      |
| 33 | appropriate to carry out the purposes of the compact within twelve         |
| 34 | months of the first interstate commission meeting.                         |
| 35 | 2. The interstate commission shall elect or appoint annually from          |
| 36 | among its commissioners a chairperson, a vice-chairperson, and a treas-    |
| 37 | urer, each of whom shall have such authority and duties as may be speci-   |
| 38 | fied in the bylaws. The chairperson, or in the chairperson's absence or    |
| 39 | disability, the vice-chairperson, shall preside at all meetings of the     |
| 40 | interstate commission.   |
| 41 | 3. Officers selected pursuant to subdivision two of this section shall     |
| 42 | serve without remuneration from the interstate commission.                 |
| 43 | 4. The officers and employees of the interstate commission shall be        |
| 44 | immune from suit and liability, either personally or in their official     |
| 45 | capacity, for a claim for damage to or loss of property or personal        |
| 46 | injury or other civil liability caused or arising out of, or relating      |
| 47 | to, an actual or alleged act, error, or omission that occurred, or that    |
| 48 | such person had a reasonable basis for believing occurred, within the      |
| 49 | scope of interstate commission employment, duties, or responsibilities;    |
| 50 | provided that such person shall not be protected from suit or liability    |
| 51 | for damage, loss, injury, or liability caused by the intentional or        |
| 52 | willful and wanton misconduct of such person.                              |
| 53 | (a) The liability of the executive director and employees of the           |
| 54 | interstate commission or representatives of the interstate commission,     |
| 55 | acting within the scope of such person's employment or duties for acts,    |
| 56 | errors, or omissions occurring within such person's state, may not         |

exceed the limits of liability set forth under the constitution and laws 1 of that state for state officials, employees, and agents. The interstate 2 commission is considered to be an instrumentality of the states for the 3 4 purposes of any such action. Nothing in this paragraph shall be 5 construed to protect such person from suit or liability for damage, б loss, injury, or liability caused by the intentional or willful and 7 wanton misconduct of such person. (b) The interstate commission shall defend the executive director, its 8 9 employees, and subject to the approval of the attorney general or other 10 appropriate legal counsel of the member state represented by an inter-11 state commission representative, shall defend such interstate commission representative in any civil action seeking to impose liability arising 12 13 out of an actual or alleged act, error or omission that occurred within 14 the scope of interstate commission employment, duties or responsibilities, or that the defendant had a reasonable basis for believing 15 16 occurred within the scope of interstate commission employment, duties, 17 or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton miscon-18 19 duct on the part of such person. 20 (c) To the extent not covered by the state involved, member state, or 21 the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settle-22 ment or judgment, including attorney's fees and costs, obtained against 23 such persons arising out of an actual or alleged act, error, or omission 24 that occurred within the scope of interstate commission employment, 25 26 duties, or responsibilities, or that such persons had a reasonable basis 27 for believing occurred within the scope of interstate commission employment, duties, or responsibilities, provided that the actual or alleged 28 29 act, error, or omission did not result from intentional or willful and 30 wanton misconduct on the part of such persons. 31 § 8875. Rulemaking functions of the interstate commission. 1. The 32 interstate commission shall promulgate reasonable rules in order to 33 effectively and efficiently achieve the purposes of the compact. Notwithstanding the foregoing, in the event the interstate commission 34 35 exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the compact, or the powers granted hereunder, then 36 such an action by the interstate commission shall be invalid and have no 37 38 force or effect. 2. Rules deemed appropriate for the operations of the interstate 39 commission shall be made pursuant to a rulemaking process that substan-40 41 tially conforms to the federal Model State Administrative Procedure Act 42 of 2010, and subsequent amendments thereto. 43 3. Not later than thirty days after a rule is promulgated, any person may file a petition for judicial review of the rule in the United States 44 45 District Court for the District of Columbia or the federal district 46 where the interstate commission has its principal offices, provided that the filing of such a petition shall not stay or otherwise prevent the 47 rule from becoming effective unless the court finds that the petitioner 48 has a substantial likelihood of success. The court shall give deference 49 to the actions of the interstate commission consistent with applicable 50 51 law and shall not find the rule to be unlawful if the rule represents a 52 reasonable exercise of the authority granted to the interstate commis-53 sion. 54 § 8876. Oversight of interstate compact. 1. The executive, legislative, and judicial branches of state government in each member state 55 56 shall enforce the compact and shall take all actions necessary and

appropriate to effectuate the compact's purposes and intent. The 1 provisions of the compact and the rules promulgated hereunder shall have 2 3 standing as statutory law but shall not override existing state authority to regulate the practice of medicine. 4 5 2. All courts shall take judicial notice of the compact and the rules б in any judicial or administrative proceeding in a member state pertain-7 ing to the subject matter of the compact which may affect the powers, 8 responsibilities or actions of the interstate commission. 9 3. The interstate commission shall be entitled to receive all service 10 of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to provide service of proc-11 ess to the interstate commission shall render a judgment or order void 12 13 as to the interstate commission, the compact, or promulgated rules. 14 § 8877. Enforcement of interstate compact. 1. The interstate commission, in the reasonable exercise of its discretion, shall enforce the 15 16 provisions and rules of the compact. 17 2. The interstate commission may, by majority vote of the commissioners, initiate legal action in the United States District Court for the 18 19 District of Columbia, or, at the discretion of the interstate commis-20 sion, in the federal district where the interstate commission has its 21 principal offices, to enforce compliance with the provisions of the compact, and its promulgated rules and bylaws, against a member state in 22 default. The relief sought may include both injunctive relief and 23 damages. In the event judicial enforcement is necessary, the prevailing 24 25 party shall be awarded all costs of such litigation including reasonable 26 attorney's fees. 27 3. The remedies herein shall not be the exclusive remedies of the interstate commission. The interstate commission may avail itself of 28 29 any other remedies available under state law or the regulation of a 30 profession. 31 § 8878. Default procedures. 1. The grounds for default include, but 32 are not limited to, failure of a member state to perform such obligations or responsibilities imposed upon it by the compact, or the rules 33 34 and bylaws of the interstate commission promulgated under the compact. 35 2. If the interstate commission determines that a member state has defaulted in the performance of its obligations or responsibilities 36 under the compact, or the bylaws or promulgated rules, the interstate 37 38 commission shall: 39 (a) Provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default, 40 41 and any action taken by the interstate commission. The interstate 42 commission shall specify the conditions by which the defaulting state 43 must cure its default; and (b) Provide remedial training and specific technical assistance 44 45 regarding the default. 46 3. If the defaulting state fails to cure the default, the defaulting 47 state shall be terminated from the compact upon an affirmative vote of a majority of the commissioners and all rights, privileges, and benefits 48 conferred by the compact shall terminate on the effective date of termi-49 nation. A cure of the default does not relieve the offending state of 50 51 obligations or liabilities incurred during the period of the default. 4. Termination of membership in the compact shall be imposed only 52 53 after all other means of securing compliance have been exhausted. Notice of intent to terminate shall be given by the interstate commission to 54 the governor, the majority and minority leaders of the defaulting 55 56 state's legislature, and each of the member states.

11

The interstate commission shall establish rules and procedures to 1 5. address licenses and physicians that are materially impacted by the 2 3 termination of a member state, or the withdrawal of a member state. 4 6. The member state which has been terminated is responsible for all 5 dues, obligations, and liabilities incurred through the effective date б of termination including obligations, the performance of which extends 7 beyond the effective date of termination. 8 7. The interstate commission shall not bear any costs relating to any 9 state that has been found to be in default or which has been terminated 10 from the compact, unless otherwise mutually agreed upon in writing 11 between the interstate commission and the defaulting state. 8. The defaulting state may appeal the action of the interstate 12 commission by petitioning the United States District Court for the 13 14 District of Columbia or the federal district where the interstate commission has its principal offices. The prevailing party shall be 15 16 awarded all costs of such litigation including reasonable attorney's 17 fees. § 8879. Dispute resolution. 1. The interstate commission shall 18 19 attempt, upon the request of a member state, to resolve disputes which 20 are subject to the compact and which may arise among member states or 21 member boards. 2. The interstate commission shall promulgate rules providing for both 22 23 mediation and binding dispute resolution as appropriate. 24 <u>§ 8880. Member states, effective date and amendment. 1. Any state is</u> 25 eligible to become a member state of the compact. 26 2. The compact shall become effective and binding upon legislative 27 enactment of the compact into law by no less than seven states. Thereafter, it shall become effective and binding on a state upon enactment 28 29 of the compact into law by that state. 30 3. The governors of non-member states, or their designees, shall be 31 invited to participate in the activities of the interstate commission on 32 a non-voting basis prior to adoption of the compact by all states. 33 4. The interstate commission may propose amendments to the compact for 34 enactment by the member states. No amendment shall become effective and 35 binding upon the interstate commission and the member states unless and until it is enacted into law by unanimous consent of the member states. 36 37 § 8881. Withdrawal. 1. Once effective, the compact shall continue in 38 force and remain binding upon each and every member state; provided that a member state may withdraw from the compact by specifically repealing 39 the statute which enacted the compact into law. 40 41 2. Withdrawal from the compact shall be by the enactment of a statute 42 repealing the same, but shall not take effect until one year after the 43 effective date of such statute and until written notice of the with-44 drawal has been given by the withdrawing state to the governor of each 45 other member state. 46 3. The withdrawing state shall immediately notify the chairperson of 47 the interstate commission in writing upon the introduction of legis-48 lation repealing the compact in the withdrawing state. 4. The interstate commission shall notify the other member states of 49 the withdrawing state's intent to withdraw within sixty days of its 50 51 receipt of notice provided under subdivision three of this section. 5. The withdrawing state is responsible for all dues, obligations and 52 53 liabilities incurred through the effective date of withdrawal, including 54 obligations, the performance of which extend beyond the effective date 55 <u>of withdrawal.</u>

| 1  | 6. Reinstatement following withdrawal of a member state shall occur     |

| 2  | upon the withdrawing state reenacting the compact or upon such later    |
| 3  | date as determined by the interstate commission.                        |
| 4  | 7. The interstate commission is authorized to develop rules to address  |
| 5  | the impact of the withdrawal of a member state on licenses granted in   |
| б  | other member states to physicians who designated the withdrawing member |
| 7  | state as the state of principal license.                                |
| 8  | § 8882. Dissolution. 1. The compact shall dissolve effective upon the   |
| 9  | date of the withdrawal or default of the member state which reduces the |
| 10 | membership in the compact to one member state.                          |
| 11 | 2. Upon the dissolution of the compact, the compact becomes null and    |
| 12 | void and shall be of no further force or effect, and the business and   |
| 13 | affairs of the interstate commission shall be concluded and surplus     |
| 14 | funds shall be distributed in accordance with the bylaws.               |
| 15 | § 8883. Severability and construction. 1. The provisions of the         |
| 16 | compact shall be severable, and if any phrase, clause, sentence, or     |
| 17 | provision is deemed unenforceable, the remaining provisions of the      |
| 18 | compact shall be enforceable.   |
| 19 | 2. The provisions of the compact shall be liberally construed to        |
