7. excluding companies with business activities in foreign states such as Iran that sponsor terrorism and divesting from public portfolios will help protect the public retirement systems in this state from investment losses related to these business activities and may improve the investment performance of the public retirement systems; and

8. it is unconscionable for this state to invest in foreign companies with business activities benefiting foreign states such as Iran that commit egregious violations of human rights and sponsor terrorism.

§ 2. The retirement and social security law is amended by adding a new section 423-d to read as follows:

§ 423-d. Investment of certain public funds in companies doing business in Iran. 1. On and after the effective date of this section, no moneys or assets of the common retirement fund shall be invested in the stocks, securities or other obligations of any institution or company doing business in or with Iran or with agencies or instrumentalities thereof. Notwithstanding any provisions of law to the contrary, no assets of any pension or annuity fund under the jurisdiction of the comptroller, shall be invested in any bank or financial institution which directly or through a subsidiary has outstanding loans to or financial activities in Iran or its instrumentalities and no such assets shall be invested in the stocks, securities or other obligations of any company which directly or through a subsidiary is engaged in business in or with Iran or its instrumentalities.

2. The comptroller shall take appropriate action to sell, redeem, divest or withdraw any investment held in violation of the provisions of this section. This section shall not be construed to require the premature or otherwise imprudent sale, redemption, divestment or withdrawal of an investment, but such sale, redemption, divestment or withdrawal shall be completed not later than three years following the effective date of this section.

3. Within sixty days after the effective date of this section, the comptroller shall file with the legislature a report of all investments held as of the effective date of this section which are in violation of the provisions of this section. Every year thereafter, the comptroller shall report on all investments sold, redeemed, divested or withdrawn in compliance with this section. Each report after the initial report shall provide a description of the progress which the comptroller has made since the previous report and since the effective date of this section.

§ 3. This act shall take effect immediately and shall expire and be deemed repealed once both of the following have occurred:

(1) Iran has been removed from the United States Department of State's list of countries which have been determined to have repeatedly provided support for acts of international terrorism; and

(2) The President determines and certifies to the appropriate congressional committees that Iran has ceased its efforts to design, develop, manufacture, or acquire a nuclear explosive device or related materials and technology.

The comptroller shall notify the legislative bill drafting commission upon the occurrence of both of the events described in subdivisions one and two of this section in order that the commission may maintain an accurate and timely effective database of the official text of the laws of the state of New York in furtherance of effecting the provisions of section 44 of the legislative law and section 70-b of the public officers law.
