7 York state board of elections shall, within one year of the effective
8 date of this section implement, in a uniform and nondiscriminatory
9 manner, a single, uniform, official, centralized, interactive, computer-

16 voter. The single, uniform, official, centralized, interactive, comput-
17 erized statewide voter registration database system required by this
18 section shall be referred to as the "centralized statewide registration
19 system".

21 statewide voter registration list shall be fully compliant with all
22 applicable requirements specified in section 303 of the federal "Help

27 board of elections shall maintain voter registration information by
28 utilizing the centralized statewide registration system developed or

30 section. Prior to the implementation of the computerized statewide voter
31 registration list required by subdivision one of this section, if the
32 county chooses to maintain voter registration information on its own
33 computer system, the information required by law to be transmitted to
34 the New York state board of elections shall be transmitted in a media
35 format acceptable to the New York state board of elections and within
36 the time prescribed by the New York state board of elections.

37 4. (a) The centralized statewide registration system shall enable the
38 state board of elections to maintain voter registration information and
39 shall include such additional capabilities as may be necessary or desir-

41 elections to carry out their responsibilities related to the conduct of
42 elections. Such additional capabilities may include but need not be
43 limited to the preparation of ballots, the identification of voting
44 districts for each address, access by county boards of elections to the

51 boards of election to the state board of elections, and reporting of
52 voting results on election night; and

53 (ii) access to the digitized signatures of electors in the centralized
54 statewide registration system for the purpose of comparing an elector's
55 signature in the system with the signature on the return envelope of an
56 absentee ballot, including by using a signature verification.

2 elections is responsible for the cost of acquiring computer hardware and

5 whether such hardware is owned by the state or the counties or whether
6 and to what extent ownership may be shared between the state and the
7 counties. If the state provides system hardware to any county, it may
8 transfer ownership of the hardware to that county. The state board of
9 elections may promulgate rules providing that the county shall be solely
10 responsible for the support and maintenance of the hardware provided to
11 the counties.

12 (b) Within four years of the effective date of this section the state
13 board of elections shall make the centralized statewide registration
14 system software available at no charge to each county board of
15 elections.

16 (c) As soon as practicable, the department of state shall make the
17 master list of registered electors available at no charge on the inter-

22 the laws of 2019, is amended to read as follows:

23 § 11-302. Special ballots for board of election employees. A person
24 who is an employee of the board of elections or who has been appointed
25 to serve as an inspector of elections, poll clerk or election coordina-
26 tor at a polling place other than the one at which he or she is regis-
27 tered to vote, may deliver to the inspectors of election of the election
28 district in which he or she is registered, or to the board of elections,
29 at any time during the period in which an application for an absentee
30 ballot may be so delivered pursuant to the provisions of this chapter, a
31 written statement that he or she will be unable to appear at the polling
32 place for such election district on the day of an election because his
33 or her duties as an employee of such board or as an inspector, poll
34 clerk or election coordinator require him or her to be elsewhere. The
35 board of elections shall provide such voter a special ballot any time
36 prior to the close of the polls on election day, provided however that
37 the distribution of such ballots to such voters shall be timed to afford
38 such voters sufficient time to cast such ballots prior to the close of
39 the polls on election day. Absent affirmative proof of fraud such
40 ballots shall be presumed valid and cast. Such cast ballots may be
41 delivered to an office of such board of elections or to any board of
42 inspectors not later than the close of the polls on election day. Such
43 ballots shall be retained at the board of elections and cast and
44 canvassed pursuant to the provisions of section 9-209 of this chapter.

45 § 11. Subparagraph (ii) of paragraph (e) of subdivision 3 of section
46 8-302 of the election law, as amended by section 8 of part XX of chapter
47 55 of the laws of 2019, is amended to read as follows:

48 (ii) He or she may swear to and subscribe an affidavit stating that he
49 or she has duly registered to vote, the address in such election
50 district from which he or she registered, that he or she remains a duly
51 qualified voter in such election district, that his or her registration
52 poll record appears to be lost or misplaced or that his or her name
53 and/or his or her signature was omitted from the computer generated
54 registration list or such record indicates the voter already voted when
55 he or she did not do so or that he or she has moved within New York
56 state since he or she last registered, [~~the address from which he or she~~

1 ~~was previously registered and~~] the address at which he or she currently
2 resides, and at a primary election, the party in which he or she is
3 enrolled. The inspectors of election shall offer such an affidavit to
4 each such voter whose residence address is in such election district.
5 Each such affidavit shall substantially comply with and be in a form
6 prescribed by the state board of elections, shall be printed on an
7 envelope of the size and quality used for an absentee ballot envelope,
8 and shall contain an acknowledgment that the affiant understands that
9 any false statement made therein is perjury punishable according to law.
10 Such form prescribed by the state board of elections shall request
11 information required to register such voter should the county board
12 determine that such voter is not registered and shall constitute an
13 application to register to vote. The voter's name and the entries
14 required shall then be entered without delay and without further inquiry
15 in the fourth section of the challenge report or in the place provided
16 in the computer generated registration list, with the notation that the
17 voter has executed the affidavit hereinabove prescribed, or, if such
18 person's name appears in such registration list, the board of elections
19 may provide a place to make such entry next to his or her name in such
20 list. The voter shall then, without further inquiry, be permitted to
21 vote an affidavit ballot provided for by this chapter. Such ballot shall
22 thereupon be placed in the envelope containing his or her affidavit, and
23 the envelope sealed and returned to the board of elections in the manner
24 provided by this chapter for protested official ballots, including a
25 statement of the number of such ballots.
26 § 12. This act shall take effect immediately.
