AN ACT to amend the education law, in relation to education requirements and authorization to develop assessment-based treatment plans for certain mental health practitioners and other mental health professionals

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 8402 of the education law, as
2 added by chapter 676 of the laws of 2002, is amended and two new subdi-
3 visions 1-a and 4 are added to read as follows:
4 1. Definition of the practice of mental health counseling. The prac-
5 tice of the profession of mental health counseling is defined as:
6 (a) the evaluation, assessment, diagnosis, amelioration, treatment,
7 modification, or adjustment to a disability, problem, or disorder of
8 behavior, character, development, emotion, personality or relationships
9 by the use of verbal or behavioral methods with individuals, couples,
10 families or groups in private practice, group, or organized settings;
11 and
12 (b) the use of assessment instruments [~~and~~], assessment-based treat-
13 ment plans, mental health counseling and psychotherapy to identify,

1 evaluate and treat dysfunctions and disorders for purposes of providing
2 appropriate mental health counseling services.

3 1-a. Mental health diagnoses. (a) "Diagnosis" in the context of
4 licensed mental health counseling practice shall mean the process of
5 distinguishing, beyond a general assessment, between similar mental,
6 emotional, behavioral, developmental and addictive disorders, impair-
7 ments and disabilities within a psychosocial framework on the basis of
8 their similar and unique characteristics consistent with accepted clas-
9 sification systems.

10 (b) "Development of assessment-based treatment plans" in the context
11 of licensed mental health counseling practice shall mean the development
12 of an integrated plan of prioritized interventions, that is based on the
13 diagnosis and psychosocial assessment of a client, to address mental,
14 emotional, behavioral, developmental and addictive disorders, impair-
15 ments and disabilities, reactions to illnesses, injuries, disabilities
16 and impairments, and social problems.

17 (c) Nothing in this subdivision or in subdivision one or four of this
18 section shall be construed to limit the scope of mental health coun-
19 seling practice as authorized prior to the effective date of this subdivi-
20 sion. The authority to diagnose shall be authorized only in accordance
21 with the provisions of this article and regulations promulgated by the
22 commissioner.

23 4. Certificate to diagnose. (a) Certificate. The commissioner shall
24 issue appropriate certificates to diagnose in accordance with the
25 provisions of this subdivision to those mental health counselors who
26 have satisfactorily completed the following:

27 (i) Standard pathway. A mental health counselor who has completed the
28 standard pathway shall have:

29 (1) received a master's or higher degree in mental health counseling
30 from a program registered by the department or determined by the depart-
31 ment to be the substantial equivalent thereof, which shall include the
32 completion of at least twelve credit hours of clinical courses, in
33 accordance with the commissioner's regulations. A person who has
34 received a master's, or equivalent degree in counseling, during which
35 they did not complete all twelve credit hours of clinical courses, may
36 satisfy such requirement by completing any remaining equivalent post-
37 graduate clinical courses, in accordance with the commissioner's regu-
38 lations. The graduate coursework shall include, but not be limited to,
39 the following areas:

40 (A) human growth and development;

41 (B) social and cultural foundations of counseling;

42 (C) counseling theory, diagnosis, practice and psychopathology;

43 (D) group dynamics;

44 (E) lifestyle and career development;

45 (F) assessment and appraisal of individuals, couples and families and
46 groups;

47 (G) research and program evaluation;

48 (H) professional orientation and ethics;

49 (I) foundation of mental health counseling and consultation;

50 (J) clinical instruction; and

51 (K) completion of a minimum one year supervised internship or practi-
52 cum in mental health counseling; and

53 (2) completed a minimum of three thousand hours of post-master's
54 supervised experience relevant to the practice of mental health coun-
55 seling, of which two thousand hours shall be direct client contact hours
56 that include diagnosis, psychotherapy, and assessment-based treatment

1 plans, satisfactory to the board and in accordance with the commission-
2 er's regulations. Satisfactory experience obtained in an entity operat-
3 ing under a waiver issued by the department pursuant to section sixty-
4 five hundred three-a of this title may be accepted by the department,
5 notwithstanding that such experience may have been obtained prior to the
6 effective date of such section sixty-five hundred three-a and/or prior
7 to the entity having obtained a waiver. The department may, for good
8 cause shown, accept satisfactory experience that was obtained in a
9 setting that would have been eligible for a waiver but which has not
10 obtained a waiver from the department or experience that was obtained in
11 good faith by the applicant under the belief that appropriate authori-
12 zation had been obtained for the experience, provided that such experi-
13 ence meets all other requirements for acceptable experience; or

14 (ii) Alternative pathway. The commissioner shall issue appropriate
15 certificates to mental health counselors licensed prior to the effective
16 date of this subdivision who have completed twelve credit hours of clin-
17 ical courses of which a minimum of three credit hours shall include
18 content in diagnosis in accordance with the commissioner's regulations.

19 § 2. Paragraph (g) of subdivision 3 of section 8402 of the education
20 law, as amended by chapter 210 of the laws of 2004, is amended to read
21 as follows:

22 (g) Fees: Pay a fee of one hundred seventy-five dollars for an initial
23 license ~~[and]~~, a fee of one hundred seventy dollars for each triennial
24 registration period, and for the additional authorization for the
25 purpose of diagnosing, a fee of one hundred seventy-five dollars.

26 § 3. Subdivision 1 of section 8403 of the education law, as added by
27 chapter 676 of the laws of 2002, is amended and two new subdivisions 1-a
28 and 4 are added to read as follows:

29 1. Definition of the practice of marriage and family therapy. The
30 practice of the profession of marriage and family therapy is defined as:

31 (a) the diagnosis, assessment and treatment of nervous and mental
32 disorders, whether affective, cognitive or behavioral, which results in
33 dysfunctional interpersonal family relationships including, but not
34 limited to familial relationships, marital/couple relationships,
35 parent-child relationships, pre-marital and other personal relation-
36 ships;

37 (b) the use of mental health counseling, psychotherapy and therapeutic
38 techniques to evaluate and treat marital, relational, and family
39 systems, and individuals in relationship to these systems;

40 (c) the use of mental health counseling and psychotherapeutic tech-
41 niques to treat mental, emotional and behavioral disorders and ailments
42 within the context of marital, relational and family systems to prevent
43 and ameliorate dysfunction; and

44 (d) the use of assessment instruments ~~[and]~~, mental health counseling
45 and psychotherapy, and assessment-based treatment plans to identify and
46 evaluate and treat dysfunctions and disorders for purposes of providing
47 appropriate marriage and family therapy services.

48 1-a. Diagnoses. (a) "Diagnosis" in the context of licensed marriage
49 and family therapy practice shall mean the process of distinguishing,
50 beyond a general assessment, between similar mental, emotional, behav-
51 ioral, developmental and addictive disorders, impairments and disabili-
52 ties within a psychosocial framework on the basis of their similar and
53 unique characteristics consistent with accepted classification systems.

54 (b) "Development of assessment-based treatment plans" in the context
55 of licensed marriage and family therapy practice shall mean the develop-
56 ment of an integrated plan of prioritized interventions, that is based

1 on the diagnosis and psychosocial assessment of a client, to address
2 mental, emotional, behavioral, developmental and addictive disorders,
3 impairments and disabilities, reactions to illnesses, injuries, disabil-
4 ities and impairments, and social problems.

5 (c) Nothing in this subdivision or in subdivision one or four of this
6 section shall be construed to limit the scope of marriage and family
7 therapy practice as authorized prior to the effective date of this
8 subdivision. The authority to diagnose shall be authorized only in
9 accordance with the provisions of this article and regulations promul-
10 gated by the commissioner.

11 4. Certificate to diagnose. (a) Certificate. The commissioner shall
12 issue appropriate certificates to diagnose in accordance with the
13 provisions of this subdivision to those marriage and family counselors
14 who have satisfactorily completed the following:

15 (i) Standard pathway. A marriage and family counselor who has
16 completed the standard pathway shall have:

17 (1) received a master's or doctoral degree with a minimum of sixty
18 credit hours in marriage and family therapy from a program registered by
19 the department, or determined by the department to be the substantial
20 equivalent, which shall include the completion of at least twelve credit
21 hours of clinical coursework, in accordance with the commissioner's
22 regulations or a graduate degree in an allied field from a program
23 registered by the department and graduate level coursework determined to
24 be equivalent to that required in a program registered by the depart-
25 ment. A person who has received a master's or equivalent degree in
26 marriage and family therapy during which they did not complete all
27 twelve credit hours of clinical courses, may satisfy such requirement by
28 completing any remaining equivalent post-graduate clinical courses, in
29 accordance with the commissioner's regulations. Such coursework shall
30 include, but not be limited to:

31 (A) the study of human development, including individual, child and
32 family development;

33 (B) diagnosis and psychopathology;

34 (C) marital and family therapy;

35 (D) family law;

36 (E) research;

37 (F) professional ethics; and

38 (G) a practicum of at least three hundred client contact hours; and

39 (2) completed a minimum of two thousand hours of post-master's super-
40 vised experience relevant to the practice of marriage and family therapy
41 comprised of direct client contact hours including diagnosis, psychoth-
42 erapy and assessment-based treatment plans. Satisfactory experience
43 obtained in an entity operating under a waiver issued by the department
44 pursuant to section sixty-five hundred three-a of this title may be
45 accepted by the department, notwithstanding that such experience may
46 have been obtained prior to the effective date of such section sixty-
47 five hundred three-a and/or prior to the entity having obtained a waiv-
48 er. The department may, for good cause shown, accept satisfactory expe-
49 rience that was obtained in a setting that would have been eligible for
50 a waiver but which has not obtained a waiver from the department or
51 experience that was obtained in good faith by the applicant under the
52 belief that appropriate authorization had been obtained for the experi-
53 ence, provided that such experience meets all other requirements for
54 acceptable experience;

55 (ii) Alternative pathway. The commissioner shall issue appropriate
56 certificates to marriage and family therapists licensed prior to the

effective date of this subdivision who have completed twelve credit hours of clinical courses of which a minimum of three credit hours shall include content in diagnosis in accordance with the commissioner's regulations.

§ 4. Paragraph (g) of subdivision 3 of section 8403 of the education law, as amended by chapter 210 of the laws of 2004, is amended to read as follows:

(g) Fees: Pay a fee of one hundred seventy-five dollars for an initial license ~~[and]~~, a fee of one hundred seventy dollars for each triennial registration period, and for the additional authorization for the purpose of diagnosing, a fee of one hundred seventy-five dollars.

§ 5. Subdivision 1 of section 8405 of the education law, as added by chapter 676 of the laws of 2002, is amended and two new subdivisions 1-a and 4 are added to read as follows:

1. Definition of the practice of psychoanalysis. The practice of the profession of psychoanalysis is defined as:

(a) the observation, description, evaluation, diagnosis and interpretation of dynamic unconscious mental processes that contribute to the formation of personality and behavior in order to identify and resolve unconscious psychic problems which affect interpersonal relationships and emotional development, to facilitate changes in personality and behavior through the use of verbal and nonverbal cognitive and emotional communication, and to develop adaptive functioning; and

(b) the use of assessment instruments ~~[and]~~, mental health counseling and psychotherapy, and assessment-based treatment plans to identify, evaluate and treat dysfunctions and disorders for purposes of providing appropriate psychoanalytic services.

1-a. Diagnoses. (a) "Diagnosis" in the context of licensed psychoanalysis practice shall mean the process of distinguishing, beyond a general psychoanalysis assessment, between similar mental, emotional, behavioral, developmental and addictive disorders, impairments and disabilities within a psychosocial framework on the basis of their similar and unique characteristics consistent with accepted classification systems.

(b) "Development of assessment-based treatment plans" in the context of licensed psychoanalysis practice shall mean the development of an integrated plan of prioritized interventions, that is based on the diagnosis and psychosocial assessment of a client, to address mental, emotional, behavioral, developmental and addictive disorders, impairments and disabilities, reactions to illnesses, injuries, disabilities and impairments, and social problems.

(c) Nothing in this subdivision or in subdivision one or four of this section shall be construed to limit the scope of licensed psychoanalysis practice as authorized prior to the effective date of this subdivision. The authority to diagnose shall be authorized only in accordance with the provisions of this article and regulations promulgated by the commissioner.

4. Certificate to diagnose. (a) Certificate. The commissioner shall issue appropriate certificates to diagnose in accordance with the provision of this subdivision to those psychoanalysts who have satisfactorily completed the following:

(i) Standard pathway. A psychoanalyst who has completed the standard pathway shall have:

(1) received a master's degree or higher from a degree-granting program registered by the department or the substantial equivalent and have completed a program of study registered by the department in a psychoanalytic institute chartered by the board of regents or the

substantial equivalent as determined by the department. The program of study in a psychoanalytic institute shall include coursework substantially equivalent to coursework required for a master's degree in a health or mental health field of study which shall also include the completion of at least twelve credit hours, or the substantial equivalent, of clinical courses, as determined by the department. An individual who has completed a licensed psychoanalyst program that did not include twelve credit hours, or the substantial equivalent, of clinical courses may satisfy such requirement by completing any remaining equivalent post-graduate clinical courses, in accordance with the commissioner's regulations. The coursework shall include, but not be limited to, the following areas:

(A) personality development;
(B) psychoanalytic theory of psychopathology;
(C) diagnosis, and psychoanalytic theory of psychodiagnosis;
(D) sociocultural influence on growth and psychopathology;
(E) practice technique (including dreams and symbolic processes);
(F) analysis of resistance, transference, and countertransference;
(G) case seminars on clinical practice;
(H) practice in psychopathology and psychodiagnosis;
(I) professional ethics and psychoanalytic research methodology; and
(J) a minimum of three hundred hours of personal analysis and one hundred fifty hours of supervised analysis; and

(2) completed a minimum of two thousand hours of supervised clinical practice relevant to the practice of psychoanalysis comprised of direct client contact hours including diagnosis, psychotherapy, and assessment-based treatment plans satisfactory to the department and in accordance with the commissioner's regulations. This supervised clinical practice may not begin prior to the successful completion of two years of coursework that includes twelve credit hours, or the substantial equivalent, of clinical coursework, as determined by the department. Satisfactory experience obtained in an entity operating under a waiver issued by the department pursuant to section sixty-five hundred three-a of this title may be accepted by the department, notwithstanding that such experience may have been obtained prior to the effective date of such section sixty-five hundred three-a and/or prior to the entity having obtained a waiver. The department may, for good cause shown, accept satisfactory experience that was obtained in a setting that would have been eligible for a waiver but which has not obtained a waiver from the department or experience that was obtained in good faith by the applicant under the belief that appropriate authorization had been obtained for the experience, provided that such experience meets all other requirements for acceptable experience; or

(ii) Alternative pathway. The commissioner shall issue appropriate certificates to psychoanalysts licensed prior to the effective date of this subdivision who have completed twelve credit hours, or the substantial equivalent, of clinical courses of which a minimum of three credit hours, or the substantial equivalent, shall include content in diagnosis in accordance with the commissioner's regulations.

§ 6. Paragraph (g) of subdivision 3 of section 8405 of the education law, as amended by chapter 210 of the laws of 2004, is amended to read as follows:

(g) Fees: Pay a fee of one hundred seventy-five dollars for an initial license ~~and~~, a fee of one hundred seventy dollars for each triennial registration period, and for the additional authorization for the purpose of diagnosing, a fee of one hundred seventy-five dollars.

§ 7. Subdivision 2 of section 8409 of the education law, as amended by chapter 485 of the laws of 2013, is amended to read as follows:

2. Limited permits shall be for ~~[two]~~ three years; such limited permits may be renewed, at the discretion of the department, for up to two additional one year periods.

§ 8. Subparagraph (i) of paragraph (c) of subdivision 8 of section 8410 of the education law, as amended by section 5 of part Y of chapter 57 of the laws of 2018, is amended to read as follows:

(i) Prevent a person without a license from participating as a member of a multi-disciplinary team to assist in the development of or implementation of a behavioral health services or treatment plan; provided that such team shall include one or more professionals licensed under this article or articles one hundred thirty-one, one hundred thirty-nine, one hundred fifty-three or one hundred fifty-four of this chapter; and provided, further, that the activities performed by members of the team shall be consistent with the scope of practice for each team member licensed or authorized under this title ~~[VIII of this chapter]~~, and those who are not so authorized may not engage in the following restricted practices: the diagnosis of mental, emotional, behavioral, addictive and developmental disorders and disabilities; patient assessment and evaluating; the provision of psychotherapeutic treatment; the provision of treatment other than psychotherapeutic treatment; or independently developing and implementing assessment-based treatment plans ~~[as defined in section seventy-seven hundred one of this chapter]~~.

§ 9. Subparagraph (i) of paragraph (c) of subdivision 7 of section 7706 of the education law, as amended by section 4 of part Y of chapter 57 of the laws of 2018, is amended to read as follows:

(i) Prevent a person without a license from participating as a member of a multi-disciplinary team to assist in the development of or implementation of a behavioral health services or treatment plan; provided that such team shall include one or more professionals licensed under this article or articles one hundred thirty-one, one hundred thirty-nine, one hundred fifty-three or one hundred sixty-three of this chapter; and provided, further, that the activities performed by members of the team shall be consistent with the scope of practice for each team member licensed or authorized under this title ~~[VIII of this chapter]~~, and those who are not so authorized may not engage in the following restricted practices: the diagnosis of mental, emotional, behavioral, addictive and developmental disorders and disabilities; patient assessment and evaluating; the provision of psychotherapeutic treatment; the provision of treatment other than psychotherapeutic treatment; or independently developing and implementing assessment-based treatment plans ~~[as defined in section seventy-seven hundred one of this article]~~.

§ 10. Subparagraph (i) of paragraph (c) of subdivision 10 of section 7605 of the education law, as amended by section 2 of part Y of chapter 57 of the laws of 2018, is amended to read as follows:

(i) A person without a license from participating as a member of a multi-disciplinary team to assist in the development of or implementation of a behavioral health services or treatment plan; provided that such team shall include one or more professionals licensed under this article or articles one hundred thirty-one, one hundred thirty-nine, one hundred fifty-four or one hundred sixty-three of this chapter; and provided, further, that the activities performed by members of the team shall be consistent with the scope of practice for each team member licensed or authorized under this title ~~[VIII of this chapter]~~, and those who are not so authorized may not engage in the following

1 restricted practices: the diagnosis of mental, emotional, behavioral,
2 addictive and developmental disorders and disabilities; patient assess-
3 ment and evaluating; the provision of psychotherapeutic treatment; the
4 provision of treatment other than psychotherapeutic treatment; or inde-
5 pendently developing and implementing assessment-based treatment plans
6 [~~as defined in section seventy-seven hundred one of this title~~].

7 § 11. Subdivision 9 of section 8410 of the education law, as amended
8 by chapter 159 of the laws of 2021, is amended to read as follows:

9 9. Notwithstanding any other provision of law to the contrary, nothing
10 in this article shall be construed to prohibit or limit the activities
11 or services provided under this article by any person who is employed or
12 who commences employment in a program or service operated, regulated,
13 funded, or approved by the department of mental hygiene, the office of
14 children and family services, the department of corrections and communi-
15 ty supervision, the office of temporary and disability assistance, the
16 state office for the aging and the department of health or a local
17 governmental unit as that term is defined in section 41.03 of the mental
18 hygiene law or a social services district as defined in section sixty-
19 one of the social services law on or before two years from the date that
20 the regulations issued in accordance with section six of part Y of chap-
21 ter fifty-seven of the laws of two thousand eighteen appear in the state
22 register or are adopted, whichever is later. Such prohibitions or limi-
23 tations shall not apply to such employees for as long as they remain
24 employed by such programs or services and whether they remain employed
25 by the same or other employers providing such programs or services.
26 Provided however, that any person who commences employment in such
27 program or service after such date and performs services that are
28 restricted under this article shall be appropriately licensed or author-
29 ized under this article. Each state oversight agency shall create and
30 maintain a process to verify employment history of individuals exempt
31 under this subdivision. Provided, however, that notwithstanding any
32 other provision of law to the contrary, licensed mental health counse-
33 lor, licensed marriage and family therapist, and licensed psychoanalyst
34 employed in a program or service operated, regulated, funded, or
35 approved by the department of mental hygiene, the office of children and
36 family services, the department of corrections and community super-
37 vision, the office of temporary and disability assistance, the state
38 office for the aging and the department of health or a local govern-
39 mental unit as defined by section 41.03 of the mental hygiene law or a
40 social services district as defined by section sixty-one of the social
41 services law prior to June twenty-fourth, two thousand twenty-two may
42 diagnose and develop assessment-based treatment plans as long as they
43 remain employed by such programs, provided however, such licensed mental
44 health counselor, licensed marriage and family therapist and licensed
45 psychoanalyst is required to hold a certificate to diagnose by the
46 commissioner two years after the effective date of the chapter of the
47 laws of two thousand twenty-two that amended this subdivision.

48 § 12. Subdivision 8 of section 7706 of the education law, as amended
49 by chapter 159 of the laws of 2021, is amended to read as follows:

50 8. Notwithstanding any other provision of law to the contrary, nothing
51 in this article shall be construed to prohibit or limit the activities
52 or services provided under this article by any person who is employed or
53 who commences employment in a program or service operated, regulated,
54 funded, or approved by the department of mental hygiene, the office of
55 children and family services, the department of corrections and communi-
56 ty supervision, the office of temporary and disability assistance, the

1 state office for the aging and the department of health or a local
2 governmental unit as that term is defined in section 41.03 of the mental
3 hygiene law or a social services district as defined in section sixty-
4 one of the social services law on or before two years from the date that
5 the regulations issued in accordance with section six of part Y of chap-
6 ter fifty-seven of the laws of two thousand eighteen appear in the state
7 register or are adopted, whichever is later. Such prohibitions or limi-
8 tations shall not apply to such employees for as long as they remain
9 employed by such programs or services and whether they remain employed
10 by the same or other employers providing such programs or services.
11 Provided however, that any person who commences employment in such
12 program or service after such date and performs services that are
13 restricted under this article shall be appropriately licensed or author-
14 ized under this article. Each state oversight agency shall create and
15 maintain a process to verify employment history of individuals exempt
16 under this subdivision. Provided, however, that notwithstanding any
17 other provision of law to the contrary, licensed mental health counse-
18 lor, licensed marriage and family therapist, and licensed psychoanalyst
19 employed in a program or service operated, regulated, funded, or
20 approved by the department of mental hygiene, the office of children and
21 family services, the department of corrections and community super-
22 vision, the office of temporary and disability assistance, the state
23 office for the aging and the department of health or a local govern-
24 mental unit as defined in section 41.03 of the mental hygiene law or a
25 social services district as defined in section sixty-one of the social
26 services law prior to June twenty-fourth, two thousand twenty-two may
27 diagnose and develop assessment-based treatment plans as long as they
28 remain employed by such programs, provided however, such licensed mental
29 health counselor, licensed marriage and family therapist and licensed
30 psychoanalyst is required to hold a certificate to diagnose by the
31 commissioner two years after the effective date of the chapter of the
32 laws of two thousand twenty-two that amended this subdivision.

33 § 13. Subdivision 12 of section 7605 of the education law, as amended
34 by chapter 159 of the laws of 2021, is amended to read as follows:

35 12. Notwithstanding any other provision of law to the contrary, noth-
36 ing in this article shall be construed to prohibit or limit the activ-
37 ities or services provided under this article by any person who is
38 employed or who commences employment in a program or service operated,
39 regulated, funded, or approved by the department of mental hygiene, the
40 office of children and family services, or a local governmental unit as
41 that term is defined in section 41.03 of the mental hygiene law or a
42 social services district as defined in section sixty-one of the social
43 services law on or before two years from the date that the regulations
44 issued in accordance with section six of part Y of chapter fifty-seven
45 of the laws of two thousand eighteen appear in the state register or are
46 adopted, whichever is later. Such prohibitions or limitations shall not
47 apply to such employees for as long as they remain employed by such
48 programs or services and whether they remain employed by the same or
49 other employers providing such programs or services. Provided, however,
50 that any person who commences employment in such program or service
51 after such date and performs services that are restricted under this
52 article shall be appropriately licensed or authorized under this arti-
53 cle. Each state oversight agency shall create and maintain a process to
54 verify employment history of individuals exempt under this subdivision.
55 Provided, however, that notwithstanding any other provision of law to
56 the contrary, licensed mental health counselor, licensed marriage and

1 family therapist, and licensed psychoanalyst employed in a program or
2 service operated, regulated, funded, or approved by the department of
3 mental hygiene, the office of children and family services, the depart-
4 ment of corrections and community supervision, the office of temporary
5 and disability assistance, the state office for the aging and the
6 department of health or a local governmental unit as defined in section
7 41.03 of the mental hygiene law or a social services district as defined
8 in section sixty-one of the social services law prior to June twenty-
9 fourth, two thousand twenty-two may diagnose and develop assessment-
10 based treatment plans as long as they remain employed by such programs
11 or services and whether they remain employed by the same or other
12 employers providing such programs or services, provided however, such
13 licensed mental health counselor, licensed marriage and family therapist
14 and licensed psychoanalyst is required to hold a certificate to diagnose
15 by the commissioner two years after the effective date of the chapter of
16 the laws of two thousand twenty-two that amended this subdivision.

17 § 14. This act shall take effect on first day of the eighteenth full
18 month after it shall have become a law; provided, however that sections
19 fourteen, fifteen, and sixteen of this act shall take effect on June 24,
20 2022. Effective immediately, the addition, amendment and/or repeal of
21 any rule or regulation necessary for the implementation of this act on
22 or before its effective date are authorized to be made and completed on
23 or before such effective date.
