1 relating to implementation of the new high learning standards and
2 assessments, as adopted by the board of regents. Notwithstanding any
3 other provision of law, rule or regulation to the contrary, school
4 districts may elect to use one or more of such allowable conference days
5 in units of not less than one hour each to provide staff development
6 activities relating to implementation of the new high learning standards
7 and assessments. A district making such election may provide such staff
8 development on any day during which sessions are allowed and apply such
9 units to satisfy a deficiency in the length of one or more daily
10 sessions of instruction for pupils as specified in regulations of the
11 commissioner. The commissioner shall assure that such conference days
12 include appropriate school violence prevention and intervention train-
13 ing, and may require that up to one such conference day be dedicated for
14 such purpose.

15 § 2. Subdivision 3 of section 4-104 of the election law, as amended by
16 chapter 694 of the laws of 1989, is amended to read as follows:

17 3. A building exempt from taxation shall be used whenever possible as
18 a polling place if it is situated in the same or a contiguous election
19 district, and may contain as many distinctly separate polling places as
20 public convenience may require. The expense, if any, incidental to its
21 use, shall be paid like the expense of other places of registration and
22 voting. If a board or body empowered to designate polling places chooses
23 a public school building for such purpose, the board or agency which
24 controls such building must make available a room or rooms in such
25 building which are suitable for registration and voting and which are as
26 close as possible to a convenient entrance to such building and must
27 make available any such room or rooms which the board or body designat-
28 ing such building determines are accessible to physically disabled
29 voters as provided in subdivision one-a of this section. Notwithstanding
30 the provisions of any general, special or local law, if a board or body
31 empowered to designate polling places chooses a publicly owned or leased
32 building[~~, other than a public school building,~~] for such purposes the
33 board or body which controls such building must make available a room or
34 rooms in such building which are suitable for registration and voting
35 and which are as close as possible to a convenient entrance to such
36 building, and must make available any such room or rooms which the board
37 or body designating such building determines are accessible to phys-
38 ically disabled voters unless, not later than thirty days after notice
39 of its designation as a polling place, the board or body controlling
40 such building, files a written request for a cancellation of such desig-
41 nation with the board or body empowered to designate polling places on
42 such form as shall be provided by the board or body making such desig-
43 nation. The board or body empowered to so designate shall, within twenty
44 days after such request is filed, determine whether the use of such
45 building as a polling place would unreasonably interfere with the usual
46 activities conducted in such building and upon such determination, may
47 cancel such designation.

48 § 3. This act shall take effect January 1, 2023.
