IN ASSEMBLY

March 10, 2021

Introduced by M. of A. ZEBROWSKI, LAWLER, BRABENEC -- read once and referred to the Committee on Health

AN ACT in relation to requiring the commissioner of health to establish at least one state-operated COVID-19 vaccination site in certain counties outside of the city of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Within 30 days of the effective date of this act, the
2 commissioner of health shall create and implement a program to ensure
3 that in counties with a population of at least 300,000, determined in
4 accordance with the latest decennial federal census, and located outside
5 of a city with a population of one million or more, at least one state-
6 operated COVID-19 vaccination site is open and operational with hours of
7 operation, staffing levels and any other resources necessary to ensure
8 that such site operates in a substantially similar manner to other
9 state-operated COVID-19 vaccination sites currently in operation.
10 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
