AN ACT to amend the general municipal law, in relation to a program allowing the issuance of building permits based on certain professional certifications

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 125 of the general municipal law, as added by chapter 439 of the laws of 1998, is amended to read as follows:

§ 125. Issuance of building permits. 1. No city, town or village shall issue a building permit without obtaining from the permit applicant either:

~~[1-]~~ (a) proof duly subscribed that workers' compensation insurance and disability benefits coverage issued by an insurance carrier in a form satisfactory to the chair of the workers' compensation board as provided for in section fifty-seven of the workers' compensation law is effective; or

~~[2-]~~ (b) an affidavit that such permit applicant has not engaged an employer or any employees as those terms are defined in section two of the workers' compensation law to perform work relating to such building permit.

2. (a) Notwithstanding any law, rule or regulation to the contrary a city, town or village may establish a program whereby a building permit may be issued based upon certification by a registered architect licensed to practice in the state of New York or a professional engineer licensed to practice in the state of New York that the intended work as set forth in the building permit application meets the requirements of the Uniform Fire Prevention and Building Code and is in compliance with all local laws and ordinances.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets ~~[-]~~ is old law to be omitted.
